The Fenians who were captured at Mer-tyr Tydvil, in Wales, have been indicted for treason and will be tried at the Swan-sea Assizes.

Despatches from Annesley Bay say that Theodore had arrived in the imme-diate neighbourhood of Magdala with his army and war material. The advance of the British expedition was steadily push-ing ahead under Gen. Napier, and at last accounts was two days' march beyond the pass of Atteregat.

Paris, March 10.—The Grand Jury yes-terday presented an indictment against Jean McKay, for murder, and against Kane and Walsh, as accessory to the same.

Paris, March 10.—It is reported to-day that the Emperor Napoleon will pay a visit to St. Petersburgh in June.

St. Petersburgh, March 10.—The Nicol-aieff road is to be disposed of to a newly formed company. The terms of the sale are already been settled. The property of Americans on the material and rolling stock of the road are protected by provisions of sale.

Berlin, March 11.—The treaty just con-cluded between the North German Confed-eration and the United States of America, providing for the protection of the rights of naturalized citizens, was to-day unani-mously ratified by the Federal Council.

It is reported that a proposition was re-cently made to Lord Stanley to submit the Alabama claims to the arbitration of Prus-sia, and that he was willing to entertain the proposition so far as it applied to the ques-tion of indemnity but he refused to sub-mit other points in dispute.

London, March 11.—In the House of Commons last night, a debate took place on the condition of Ireland, and the fol-lowing resolution was introduced, but fur-ther consideration thereon was postponed to-morrow:—

"That the discontent of Ireland is a source of uneasiness to the Empire and must be redressed.

"That laws for Ireland should be framed to suit the wishes of the people.

"That the present church, school and land tenure systems are unjust; and that, in the opinion of this House, these wrongs should be righted."

Rome, March 11.—One hundred Canadian Zouaves who volunteered for the Papal service have arrived here.

New York Press Despatches.

New Orleans, March 11.—The Mexican Diario publishes an extract from a letter written by General Grant to Mr Romero, in which he says he intends to visit Mexico after the election and when matters go on well.

Particulars of the attempt to assassinate Juarez show that an Ex-Imperial officer and a foreigner in command of a city regiment were the ringleaders. They are believed to have been employed by Santa Anna. The plot included the murder of the cabinet.

Burlington, Vermont, March 4.—William Henry Augustus Bissell, D.D., Rector of Trinity Church, Geneva, N. Y., was unanimously elected Bishop of Vermont by the Episcopal Convention in this city yesterday.

New York, March 12.—The *Herald's* Vera Cruz special says, the British Consul has been detected in smuggling a large amount of specie out of the city. The commander of the fort was about to fire on a vessel carrying the specie when a Brit-ish corvette anchored between it and the fort.

The troops composing the expedition to Tuxtan were returning. The climate of the peninsula was decimating the troops. The Governor, who was objectionable, has been allowed to resign, and has gone to the capital.

New York, March 12.—The *Herald's* spe-cial says it is almost certain that six Re-publican Senators will vote conservatively on questions involving the President's rights in the Impeachment trial, and many think that the same number will fail the party on the final issue.

With but one unimportant amendment, the treaty with the North German Confed-eration relative to naturalized citizens will be confirmed.

The *Tribune's* special says the House Im-peachment Managers are marshaling their witnesses, preparing their testimony, and expecting their action so that the trial may be entirely over by the 1st of May. Mr Johnson will not be allowed the time he requests. The tenth or Butler article will not be withdrawn.

The *World's* Washington special says:—Mr Stanbury has concluded to resign his office as Attorney General in order to act as counsel for the President on the Impeachment trial and has presented his resignation. Mr Johnson will doubt-less accept the resignation.

So general is the belief that the Supreme Court will decide the reconstruction laws unconstitutional that the Radicals are making an effort to induce General Grant to issue an order changing the time for holding the elections in Georgia and Flori-da.

There is official authority for denying the story that the President has ordered General Thomas to set up a new War De-partment. It was a mere piece of guess-work originating in an irresponsible even-ing paper of this city habitually given to sensation.

New York, March 11.—The *Tribune's* Concord special of 1 a.m. to-day says:—We have returns from one hundred towns in New Hampshire which show a gain on our side of 250 on last year. Our majority was 3140. We hope to make it 3500.

Certificate of Registration.

I HEREBY certify that the foregoing Trade Mark was duly registered by me in the Trade Marks' Register, Vol. A, Folio 132, on the Six-teenth day of August, 1866, in accordance with the provisions of the Act respecting Trade Marks, 24 Vic., Cap. 21.

Given under my hand and seal, at the City of Ottawa, this 16th August, 1866.

(Signed.) J. C. TACHE, Secretary.

CAUTION.

The wording of the "**Prince of Wales**" brand having lately been partially imitated and put upon a low quality of Tobacco, doubt-less with the intention of deceiving confiding country merchants, not acquainted with the registered mark, I hereby inform the General Grocery Trade throughout the Dominion, that every box of the "PRINCE OF WALES" brand of Tobacco, has the above *Trade Mark* stencilled upon *two* sides, with red and blue ink, and no other is genuine. *This deservedly popular and favourite* brand of 10s. and the "Victoria" brand of 8s. and 4s. are to be had of all first class Wholesale Grocery Houses.

The above Trade Mark being upon the box is a sufficient indication that the Tobacco is well and faithfully made, no matter what the brand may be. Merchants in the Country should be particular to examine the brands carefully, and also see that the Revenue Stamp is filled in at Montreal.

PAIN KILLER!

THE GREAT FAMILY MEDICINE OF THE AGE.

THE UNIVERSAL REMEDY FOR INTERNAL AND EXTERNAL COMPLAINTS!

OUR FIRST PHYSICIANS USE AND RECOMMEND ITS USE.

IT ENJOYS THE LARGEST SALE OF ANY PROPRIETARY MEDICINE IN THE WORLD.

THE PAIN KILLER

Has been favourably known for more than thirty years, during which time we HAVE RE-CEIVED THOUSANDS OF TESTIMONIALS, showing this Medicine to be an almost NEVER FAILING REMEDY for diseases caused by or attendant upon—Sud-den Colds, Coughs, Fever and Ague, Headache, Bilious Fever, Pains in the Side, Back and Loins, as well as in the Joints and Limbs; Neuralgic and Rheumatic Pains in any part of the System, Toothache and Pains in the Head and Face.

AS A BLOOD PURIFIER AND TONIC FOR THE STOMACH,

It seldom fails to cure Dyspepsia, Indigestion, Liver Complaint, Acid Stomach, Heartburn, Kidney Complaints, Sick Headache, Piles, Asthma or Phthisic, Ringworms, Boils, Felons, Whitlows, Old Sores, Swelled Joints, and General Debility of the System.

IT IS ALSO A PROMPT AND SURE REMEDY

For Cramp or Pain in the Stomach, Painters' Colic, Diarrhœa, Dysentery, Summer Complaint, Cholera Morbus, Cholera Infantum, Scalds, Burns, Sprains, Bruises, Frost Bites, Chilblains, as well as the Stings of Insects, and the Bites of Poisonous Insects and Venomous Reptiles.

☞ Directions accompany each bottle.

It has been tested in every variety of climate, and by almost *every nation known* to civilization. It is the almost constant companion and inestimable friend of the *Missionary*, and no *traveller* should be without it. Like every other good thing, the Pain Killer has been extensively coun-terfeited; which, (while it is an acknowledgment on the part of the counterfeiters of its real worth) is a serious hindrance to its usefulness as the deceived purchaser estimates the value of the *Pain Killer* by the base compound he has purchased for the genuine article.

Purchasers should be careful and not allow the dealer to sell them worthless imitations, on which they realize a larger profit, but take only the *Pain Killer* and see that it is the genuine, bearing the signature of Perry Davis and Son upon the label.

The Pain Killer is sold at wholesale by Druggists and Medicine Dealers, and Commission Merchants in the principal cities, and retailed by Apothecaries, Grocers, and at Variety Shops generally throughout the world.
