MOTHERS, READ THIS!
Holloway's Worm Lozenges.
ARE a certain and safe remedy for the Children and Adults. As it is a sad and melancholy fact that one-half the children death among children is from Worms, it cannot be too deeply impressed on the minds of parents the necessity of their using some means to free their children. By so doing they will prevent the symptoms and true cause of disease, and thousands of children might be saved from premature graves.
SYMPTOMS OF WORMS.—The symptoms are few of the very numerous symptoms which are caused by Worms, such as loss of appetite, emaciated extremities, pale face, frequent picking at the nose, grinding of the teeth during sleep, hardness and fullness of the belly, frequent slimy stools, sometimes fits, pain in the head and giddiness, fainting, trembling, cold sweats, low spirits, frightful dreams, and wasting away of flesh.
They are palatable and mild in their effect on the child—drive out the worms without pain, and completely destroy them, thereby doing away with the necessity of administering Castor Oil or other purgative medicines—as in the use of other Lozenges.
☞ Each Box contains 30 Lozenges. Manufactured only by the Proprietors of NORTHROP & LYMAN, Toronto, C.W., and sold by all Druggists who are the sole proprietors of the Province, and take no other Worm Lozenges in Kingston and all Medicine Vendors.
