The Florence Nightingale Nursery.

The following is an extract from a letter written by the Rev. C. Z. Weiser, in the *Reformed Messenger*, at Chambersburg:

A Benefactress.

Just open the door for her, and she will prove the American Florence Nightingale of the Nursery. Of this we are sure. She will teach our "Susy" to say "I love Mrs Winslow," for helping her to escape the griping, soliciting and tormenting pains. We confirm every word set forth in her prospectus. It performs precisely what it is claimed to perform, every part of it. Away with your "Godfrey's Cordial," "Paregoric," "Landanum," and every other "Opiate" by which the babe is drugged into stupidity and rendered dull and idiotic for life.

We have never seen Mrs Winslow's Soothing Syrup for children teething." If you knew her, we would make her, as she is, a household saviour to the Infant Race. 25 cents a bottle. Sold by all druggists.

Be sure and call for

"Mrs Winslow's Soothing Syrup."

Having the *fac-simile* of "Curtis & Perkins" on the outside wrapper. All others are imitations.

A "Cough," "cold," or Sore Throat.

If allowed to progress, results in incurable pulmonary and Bronchial affections, often incurable.

Brown's Bronchial Troches

Reach *directly* the affected parts, and give most instant relief. In Bronchitis, Asthma, Catarrh they are beneficial. Obtain only the *genuine* Brown's Bronchial Troches. Long *proved* their efficacy by a test of years. Among testimonials attesting their virtues are letters from—

E. H. Chapin, D. D., New York.
Henry Ward Beecher, Brooklyn.
N. P. Willis, New York.
Hon. C. A. Phelps, Fort Hill, Mass.
Dr. G. F. Bigelow, Boston.
Prof. Edwd. North, Clinton, N. Y.
Surgeons in the army, and others of eminence.

Sold everywhere at 25 cents per box.

To Consumptives.

The Rev. EDWARD A. WILSON will send (free of charge) to all who desire it, the prescription with the directions for speedily using the simple remedy by which he was cured of a lung affection and that dreadful disease, consumption. His only object is to relieve the afflicted, and he hopes every sufferer will try his prescription, as it will cost them nothing and may prove a blessing.

Rev. EDWARD A. WILSON,
No. 165 South Second St., Brooklyn, New York.

When the Canadian volunteers for the Papal army who were lately in New York made their way to Rome, passed through Leghorn, they were saluted with hisses. To this manifestation the Canadians responded with the cry of *Vive Jesus!* This English without shocking every reverent mind, was intended by them simply as a defiance of the religious purpose under which the men were bound upon their pilgrimage. The incident affords a strong illustration of the difference in national habits and modes of thought.

Mr Sothern (Lord Dundreary), while out hunting recently, jumped a high fence into a road, landing on a baker's cart, killing his horse, and narrowly escaping himself.

At the New York Court of general Sessions on Monday last, Recorder Hackett imposed upon a prisoner a fine of six cents for having murdered a man on last election day. It was claimed by the prisoner that he only acted in self-defence in committing the deed, and the fine was equivalent to an acquittal.

The Australian aboriginal cricketers from Victoria, Australia, are expected in England in May. They are thirteen in number, and are veritable Australian natives, with the straight hair and peculiar physical organization of the aborigines. They will be accompanied to England by Mr Charles Lawrence, of Dublin, formerly of the All English Eleven. In Australia they have attracted considerable attention, and last year won seventeen matches out of twenty-two. When the last mail left they were about to play the Duke of Edinburgh and the crew of the Galatea at Sidney.

Mrs Myra Clark Gaines has been finally, after a litigation of thirty-six years, sustained by the Supreme Court of the United States in her claim to the property of her father, Daniel Clark, formerly of New Orleans. The question in dispute involved both her legitimacy and the authenticity of a will made by her father in her favour, and their settlement gives her a fortune variously estimated at from ten to twenty millions of dollars. In the meanwhile, however, she has grown, from a young and blooming woman, into a comparatively old one. She has passed years of anxiety and suspense, has seen one administration after another in power, one Judge after another occupy the bench, and even witnessed the whole mighty drama of the rebellion played out before her eyes. It is hoped that she may be at last allowed to enjoy her ample wealth in peace, and thus receive amends for her long contest for its possession.—*New York Sun.*

PAIN KILLER!

THE GREAT FAMILY MEDICINE OF THE AGE.

THE UNIVERSAL REMEDY FOR INTERNAL AND EXTERNAL COMPLAINTS!

OUR FIRST PHYSICIANS USE AND RECOMMEND IT.

IT ENJOYS THE LARGEST SALE OF ANY PROPRIETARY MEDICINE IN THE WORLD.

THE PAIN KILLER

Has been favourably known for more than thirty years, during which time we HAVE RECEIVED THOUSANDS OF TESTIMONIALS, showing the Medicine to be an almost NEVER FAILING REMEDY for diseases caused by an abrupt transition, Colds, Coughs, Fever and Ague, Headache, Bilious Fever, Pains in the Side, Back and Bowels, as well as in the Joints and Limbs; Neuralgic and Rheumatic Pains in any part of the System, Toothache and Pains in the Head and Face.

AS A BLOOD PURIFIER AND TONIC FOR THE STOMACH,

it seldom fails to cure Dyspepsia, Indigestion, Liver Complaint, Acid Stomach, Heartburn, Kidney Complaints, Sick Headache, Piles, Asthma or Phthisic, Ringworms, Boils, Felons, Whitlows, Old Sores, Swelled Joints, and General Debility of the System.

IT IS ALSO A PROMPT AND SURE REMEDY

For Cramp or Pain in the Stomach, Painter's Colic, Diarrhœa, Dysentery, Summer Complaint, Cholera Morbus, Cholera Infantum, Scalds, Burns, Sprains, Bruises, Fresh Burns, Chilblains, as well as the Stings of Insects, and the Bites of Poisonous Insects and Venomous Reptiles.

☞ Directions accompany each bottle.

It has been tested in every variety of climate, and by almost every nation known to civilization. It is the almost constant companion and inestimable friend of the Missionary, and no family should be without it. Like every other good thing, the Pain Killer has been extensively counterfeited; which, (while it is an acknowledgment on the part of the counterfeiters of its real worth) is a serious hindrance to its usefulness as the deceived purchaser estimates the value of the *Pain Killer* by the base compound he has purchased for the genuine article.

Purchasers should be careful and not allow the dealer to sell them worthless imitations, on which they realize a large profit, but take only the *Pain Killer* and see that it is the genuine, bearing the signature of Perry Davis and Son upon the label.

The Pain Killer is sold at wholesale by Druggists and Medicine Dealers, and Country Merchants in the principal cities, and retailed by Apothecaries, Grocers, and at Variety Stores generally throughout the world.
