CABLE NEWS.

London, April 23, evening.—John Bright addressed an immense anti-Tory meeting tonight, and made a speech of unusual interest on the subject of the Irish Church. Other distinguished men spoke, and resolutions favouring the disendowment of all sects in Ireland were adopted.

Despatches from Japan represent the country in a state of anarchy. The natives have just murdered a boat's crew of French Corvette "Duplex," and commercial agents, except those of the foreign agents, except those of the Dutch, have had down their flags.

Paris, April 23.—Narvaez, the Prime Minister, died early this morning.

Madrid, April 23.—The Prince and Princess of Wales attended a grand ball given in their honour last night at the Exhibition Palace.

Dublin, April 23, evening.—At the trial of Rickerson Fenians to day, the examination of the witnesses for the Crown was concluded. The jury will, probably, find the prisoner, Ann Justice, on recommendation of the Court.

London, April 23, midnight.—In the House of Lords to-night, the Earl of Buckinghamshire and the Earl of Carnarvon eulogized the late Thomas D'Arcy McGee, of Canada.

London, April 24.—In the House of Commons last night, Mr Ward Hunt, Chancellor of the Exchequer, submitted the annual budget. The revenue for the last fiscal year, which had been estimated at £70,000,000 sterling, yielded a total of £69,600,000 sterling. The real expansion of the revenue amounted to nearly £900,000 sterling. The expenditure of the last year, estimated at £11,350,000 sterling, fell £50,000 short of that amount. The surplus of the year expenditure during the coming year is estimated by the Minister at £1,000,000 sterling.

The cost of the Abyssinian War is estimated at £3,000,000. Of this amount a sum of £2,000,000 is to be met during the coming year, as follows:—

1st. By the addition of two pence to the rate of the income tax which will realize £2,000,000.

2nd. By issue of Exchequer bills to the amount of £1,000,000.

This by application of the estimated surplus of £950,000.

Thus the Minister estimates that he will have £700,000 or £800,000 more than he needs to meet the expenses of the War.

In the House of Lords, the bill for the abolition of church rates, which passed the House of Commons, before the Easter recess, came up for consideration.

The Earl Derby, who was able to be present, opposed the bill.

The Archbishops of Canterbury and York and the Bishop of London opposed the bill, but approved of its passage to a second reading.

The speakers all concurred in the opinion that the present tendency of politics was toward the disestablishment of the church.

No motion was made to refer the bill to a select committee, but after a long debate the motion was withdrawn, and the bill was read a second time. The House then adjourned.

New York, April 24.—The *Herald's* London special says advices with dates of the 12th April have been received from General Napier's headquarters in Abyssinia. He is advancing along the Bashilo river near King Theodore's camp.

Some of the native chiefs, who professed allegiance for the English when passing through his territory, being now in Napier's rear, endeavoured to cut off his communication with his base of supplies at Zulla, and refused transit through his territory. General Napier promises to hang them on his return from Magdala.

The *Herald's* Berlin special says it is rumoured that France, Prussia and Austria have agreed to reduce their armies by disbanding furloughs.

Queenstown, April 24.—The steamer Virginian, from New York, has arrived.

And whereas, the total amount necessary to be raised annually by special rate for paying the debt created by this By-Law and the interest thereon within the period of ten years from the time at which this By-Law shall come into effect amounts to eight hundred and eighty-two dollars per annum;

And, whereas, the amount of the whole rateable property of the said Municipality, irrespective of any future increase of the same, and irrespective of any income in the nature of tolls, interests or dividends from any work, or from any stock, shares, or interest in work, and also irrespective of any income to be derived from the temporary investment of the sinking fund hereinafter mentioned, or any part thereof, according the last revised and equalized Assessment Rolls of said Municipality, was Three millions and fifty thousand dollars;

And, whereas, the amount of the existing debt of the said Municipality amounts to One hundred and twelve thousand six hundred and ninety-six dollars and fourteen cents principal on which no interest is in arrears;

And, whereas, for paying the interest and creating an equal yearly sinking fund for paying the said sum of Four thousand nine hundred dollars and interest as hereinafter mentioned, it will require an equal annual special rate of four hundred and forty one, one thousand five hundred and twenty fifth parts (441-1525) of a Mill in the dollar in addition to all rates to be levied in each year;

Be it therefore enacted by the Municipal Council of the Corporation of the County of Frontenac,

4. That the said debentures shall bear interest at and after the rate of eight per cent per annum from the date thereof, which interest shall be payable half-yearly at the Office of the Treasurer aforesaid;

5. That for the purpose of forming a sinking fund for the payment of the said debentures and the interest at the rate aforesaid to become due thereon, an equal special rate of four hundred and forty one, one thousand five hundred and twenty fifth parts (441-1525) of a Mill in the dollar, shall in addition to all other rates be raised, levied and collected in each year upon all the rateable property in the said Municipality during the continuance of the said debentures or any of them;

6. That this By-Law shall take effect and come into operation upon the day of the passing thereof.

The above is a true copy of a proposed By-Law to be taken into consideration by the Municipality of the County of Frontenac at the Council Chamber in the Court House in the said County on the ninth day of June, 1868, at the hour of ten o'clock in the forenoon, at which time and place the Members of the Council are hereby required to attend for the purpose aforesaid.
