### ON STEP OF THE LADDER.

In the valley of the Pyrenees, near the vil[illegible] of Lasse, a narrow road is traced on the side of a steep mountain. It leads to the village of Gedre, in the circle of Gavar[illegible]. On one side, over a frightful presi[illegible] with the torrent of Gave, with a dull [illegible] sound, which prolongs the echo of the [illegible]. In passing this wild road [illegible] place a feeling of danger awes the [illegible] which increases as he approaches [illegible] known in that rugged region as [illegible] of the ladder. Many tragic events [illegible] occurred to persons passing by this [illegible] consequently it has became fa[illegible] on account of the terrible risk which [illegible] must encounter who travels the [illegible]. It was near this place that at [illegible] a band of hardy mountaineers as[illegible] the invaders of their country, and [illegible] members of the French soldiers from [illegible] height into the foaming stream [illegible].

[illegible] years ago, during a sojourn which [illegible] at Saint S——, I formed the ac[illegible] of Malvina P——, an English [illegible] remarkable for her spirit and beauty. [illegible] long until we became quite in[illegible]. We both loved to wander in the [illegible] of this part of Spain, and in [illegible] to render our recreation more inter[illegible] I imparted to my friends some of the [illegible] which I had learned from the [illegible] who dwell in the vicinity of the [illegible] place. In one of our romantic [illegible] we stopped near the ruins of [illegible] building which had once been [illegible] of a peasant, and [illegible] for [illegible] the edge of the abyss, on the [illegible] of a rock was rudely sculptured a [illegible] which attracted the attention of [illegible] and caused her to ask if I could [illegible] her of its origin. I [illegible] to relate the tragic [illegible] which [illegible] modest monument was inscribed to [illegible].

[illegible] course from this place, in the town of [illegible], the peasants celebrated a festival [illegible] at the close of the harvest season. [illegible] most beautiful of the young peasants [illegible] as the most proficient and active [illegible] the daughter of an old farmer, who had just been married to Jean [illegible] renowned of the young lads [illegible] neighborhood. Many loan [illegible] sought the hand of Marie, but [illegible] turning and gentle manners of Jean [illegible] her heart, and she had secret [illegible] approval of both by the unknown [illegible] friends had prepared [illegible] festival. The day was passed in merri[illegible] sports, and the approach of evening warn[illegible] dancers of the necessity of leaving their [illegible] friends. Not intending to [illegible] their march by a formal leave-taking, [illegible] made a sign to Marie of his intention, and [illegible] being noticed they retired from [illegible] boisterous crowd.

"Fear Marie," said he, as soon as they [illegible] out of hearing of the revellers, "let us [illegible] shaden, to the house of my father. [illegible] is yet dark, and the step of a lover [illegible] and rapid." The youthful bride, [illegible] and submissive, prepared at once to [illegible] her husband. He [illegible] her [illegible] and, placing his tender [illegible] side before him, they departed quietly [illegible] Vieux, and followed the path of [illegible]. It is easy to suppose that [illegible] the hours seem short as they pa[illegible] their way.

Jean, holding his young wife in his [illegible] her head reclining upon his shoulder, [illegible] too happy to think of the dangers [illegible] that fast closing around him. The [illegible] of tenderness flowed from his [illegible] in the profound gloom of night [illegible] about them. Accustomed to [illegible] mountain paths by night as well as by [illegible] he evinced no alarm as they proceeded, [illegible] a terrible presentiment filled the [illegible] of Marie. Even while joy filled her [illegible], she turned her head from time to time to brush away the tears which she [illegible] not stop. She strove to transcite[illegible] herself, and mentally asked what she had [illegible] fear; but it was not in her power to [illegible] her agitation. Jean perceived [illegible] and questioned her with much disquietude.

"I do not know," said she to him, [illegible] it is in this solitary place which [illegible] me, but it does seem to me as if a [illegible] foreign were following us. Even yet [illegible] think I hear the menaces of your rival, [illegible] ferocious Robert, who so earnestly sought [illegible] that I should marry him. What has [illegible] become of him?"

"Surely," said Lucien, "he has left this part of the country;" and he strove to entertain her with pleasant conversation. "It was near this old pine, Marie," said he, "that I first met you. I was behind a rock, and heard you singing the words of the minstrels before you saw me. I wish you would now sing the same air for me. The words were then so apropos that they conquered my fears, and it would afford me much gratification to hear them repeated now."

Marie, desiring to gratify the husband whom dearly loved, attempted to raise her trembling voice; but the roar of the torrent were approaching drowned it.

Suddenly the sharp crack of a rifle echoed through the forrest, and caused the rocks to tremble with increased terrors.

"Should be some fatal signal to [illegible]," said she—

"Not interrupted Lucien, "it is [illegible] is waiting for the wild [illegible] to inhabit the high peaks of [illegible]."

[illegible] was suddenly end [illegible]; for [illegible] of a huge rock in the [illegible] part of the road, he heard the [illegible] voices of a number of men, and [illegible] them he plainly distinguished [illegible] above all the others. [illegible] said he; "comrades, fol[illegible]."

[illegible] trembling, clung to her husband. [illegible] shall be mine, my beautiful travel[illegible]," said Robert, with the laugh of a de[illegible]. He rushed toward them, intend[illegible] to seize the horse and Lucien, and [illegible] to follow. I close [illegible] the [illegible] excited the ur[illegible] of the savage [illegible]. "Great God, you will [illegible] together." He re[illegible] the fearful horse, and, pressing [illegible] to his heart, launched forward [illegible] of terror, followed by a deep and prolonged roar, like that of the avalanche when it descends the side of the mountain, wakened the echoes of the forest, and gradually died away, until only the monotonous tone of the rumbling torrent was heard in the gloom of the April night. The dark valley of the Gave had swallowed the unfortunate lovers.

Robert, with his companions, descended. On the morrow the hardiest and [illegible] sons of the people of Viscos were [illegible]. They searched for Lucien and Marie. A part of the bridal cavalcade were carried by the current of the Gave [illegible] as the village of Lusse, and a shepherd discovered the mutilated remains of the unfortunate pair, yet locked in each other's arms. Their souls seemed to have departed at the same moment. The shepherd related to the searchers that he had seen a man with a [illegible] walk [illegible] steadily [illegible] the bridge [illegible] the bodies with a [illegible] and [illegible] the head of a band of robbers who infested the Pyrenees. When encountered by a party of the people of the neighborhood he made a fierce battle, but received a wound. Thus pressed, he made a desperate leap, and disappeared in the [illegible] of the [illegible] death of the villains of his [illegible]. A few hours after the corpse of a young man was found near the place where the romantic lovers were buried, and the cross was sculptured for a memorial of a sad event. The superstitious mountaineers assert that they have seen moving around the place a gloomy spectre, which has frightened many a solitary traveller; and to its baleful influence they attribute many of the fatal accidents which have given a sad celebrity to the region known as "The Step of the Ladder."

### The Florence Nightingale of the Nursery.

The following is an extract from a letter written by the Rev. C. Z. Weizer, to the *German Reformed Messenger*, at Chambersburg, Penn.

**A Benefactress.**

Just open the door for her, and Mrs Winslow will prove the American Florence Nightingale of the Nursery. Of this we are sure, that we will teach our "Susy" to say "A Blessing on Mrs Winslow," for helping her to survive and escape the griping, colicking, and teething stage. We confirm every word set forth in the Prospectus. It performs precisely what it professes to perform, every part of it—nothing less. Away with your "Cordial" "Paregoric" "Drops" "Laudanum," and every other "Narcotic," by which the babe is drugged into stupidity and rendered dull and idiotic for life.

We have never seen Mrs Winslow—know her only through the preparation of her "Soothing Syrup for children teething." If we had the power, we would make her, as she is, a physical saviour to the Infant Race. 25 cents a bottle. Sold by all druggists.

Be sure and call for

**"Mrs Winslow's Soothing Syrup,"**

Having the *fac-simile* of "Curtis & Perkins" on the outside wrapper. All others are base imitations.

**A "Cough," "cold," or Irritated Throat.**

If allowed to progress, results in serious Pulmonary and Bronchial affections, oftentimes incurable.

**Brown's Bronchial Troches**

Reach *directly* the affected parts, and give almost instant relief. In Bronchitis, Asthma, and Catarrh they are beneficial. Obtain only the *genuine* Brown's Bronchial Troches, which have *proved* their efficacy by a test of many years. Among testimonials attesting their efficacy are letters from—

E. H. Chapin, D. D., New York,
Henry Ward Beecher, Brooklyn, N. Y.
N. P. Willis, New York.
H. C. A. Phelps, Pres. Mass. Senate.
Dr. G. F. Bigelow, Boston,
Prof. Edwd. North, Clinton, N. Y.

Officers in the army, and others of eminence. Sold everywhere at 25 cents per box.

WILSON will send (free of charge) to all who desire it, the receipt with the directions for making and using the remedy by which he was cured of Consumption and that dread disease, Catarrh.
