FROM FRIDAY, MAY 1

[illegible] nice of mind had an excellent effect, and saved all trouble in that room; but in one of the other rooms the panic among the pupils was so great that they rushed pell-mell down the stairway, and the door at the foot of the halls, which for safety on such occasions as this should swing outwards instead of inwards, being closed the children piled in a mass against it, the crowd from above pressing those in front forward with irresistible force. Mr Sweet's prompt presence of mind and action quieted the panic, but not until one girl had been trampled upon and severely injured, and several others had fainted. Two physicians quickly volunteered their services to attend on the children, and with the aid of a number of residents in the vicinity order was restored in a few minutes, and the school went on for the balance of the day as usual. Mr Sweet properly considers that an accidental fire drill would be a good precedent, and have a decided effect on the scholars. The occasion which were from the northeast, northwest, lasted from six to ten minutes, and in ordinary earthquake times would have passed almost unnoticed, but doors like have not been indulged in such novelties for over a year, and they are necessarily out of practice. It was but a [illegible] last, and would not rate higher than No 5 or 6 in the list of sizes.—[illegible] Mail, May 20.

Science is the field of its usefulness and so numerous are its cures that in almost every section there are persons publicly known, who have been relieved by it from alarming and even desperate diseases of the lungs. When once tried, it will prove its superiority over every other expectorant as it will quickly evince to every observation, and where its virtues are known, the public no longer hesitate which to employ for the distressing and dangerous diseases of the pulmonary organs which prevail in our climate.
Prepared by Dr J. C. AYER & Co., Lowell, Mass., and sold by all Druggists and dealers in Medicine everywhere.

The Florence Nightingale of the Nursery.

The following is an extract from a letter written by the Rev. C. Z. Weiser, to the *German Reformed Messenger*, at Chambersburg, Penn.
A Benefactress.
Standing on the door of the [illegible] and Mrs Winslow will prove the American Florence Nightingale of the Nursery. On this we are sure, that we will teach our "Susy" to say "A Blessing on Mrs Winslow," for helping her to survive and escape the griping, colicking, and teething siege. We confirm every word set forth in the Prospectus. It performs precisely what it professes to perform, every part of it—nothing less. Away with your "Cordial" "Paregoric" "Drops" "Hushaby," and every other "Narcotic," by which the babe is drugged into stupidity and rendered dull and idiotic for life.
We have never seen Mrs Winslow—know her only through the preparation of her Soothing Syrup for children teething. If we had the power we would make her, as she is, a physical saviour to the Infant Race. 25 cents a bottle. Sold by all druggists.
Be sure to call for
"Mrs Winslow's Soothing Syrup,"
having the signature of Curtis & Perkins on the outside wrapper. All others are base imitations.

A "Cough," "cold," or Irritated Throat.

If allowed to progress, results in serious Pulmonary and Bronchial Affections, often ending in Consumption.

BROWN'S Bronchial Troches
Reach the affected parts, and give almost instant relief. In Bronchitis, Asthma, and Throat Diseases they are beneficial. Obtain only the genuine "Brown's Bronchial Troches," which have proved their efficacy by a test of many years. Numerous testimonials attesting their efficacy are offered from—

TESTIMONIAL
From Sig. Carlo Mora. Professor of Music. Kingston:
HAVING had ample opportunity of testing Mr Reyner & Son's Tuning and Repairing of Pianofortes, &c, since I have been in Kingston, I heartily recommend them to all those having instruments to tune or repair, and would further advise those that have Instruments that are not in good order, to give them a call at once, as delay will only occasion more work and money when it is done.
SIG. CARLO MORA,
Professor of Music,
Kingston.

FROM MR RIDDELL.
MR REYNER has recently re-covered the Hammers of the Pianoforte used in my family with the new improved patent leather, and otherwise repaired it. He has also tuned it, and it is altogether much improved, the quality of the tone being greatly better than before the Instrument was put into his hands. I shall certainly continue to keep the piano under his charge for the future.

All orders for boxes of 20 or 25 lbs or two 12 lbs, sent carriage-free to the country. Teas not mentioned in this circular equally cheap. The company having determined to take a stand in the Montreal market, weight, quality and circular may be implicitly relied on. Where a 20 lb box would be too much, two or three clubbing together could divide. An excellent Mixed Tea could be sent for 60 to 70c; very good for common purposes, 50c. Buyers living beyond Railway Stations will please send Post Office order, or enclose notes. The carriage will be paid to the nearest station. Tea will be forwarded immediately on receipt of the order by mail containing money, or the money can be collected on delivery by express-man, where there are Express offices. A trial solicited.
