The Daily News.

SATURDAY EVENING, MAY 2, 1868.

Advertisements.

We learn that a few days since a lady had occasion to go into the basement of her house to attend to some duty, and left her baby, a few months old, in charge of a young girl, in the upper part of the house. The youngster got fretful, and, to please it, the girl tied it to a sheet, let it out of the window, three stories from the ground, and when seen, was amusing it by raising it up and down in the sheet, which she held by her hands inside. The performance was discovered by some of the neighbours, who were instrumental in putting a stop to it.—*Gabriel (Jan.)*

Mr Scarlett, whose name has been unpleasantly brought prominently before the public in connection with the Wm Allan affair, assures us that he has been a volunteer for about two years in the Grand Trunk Artillery, during which time he has been bound by the oath of allegiance; that he has to accommodation for meetings or the hatchings of plots never allowed plots to be spoken of in his office, and is thoroughly ashamed of the revelations which have connected these machinations in any way with his place.—*Montreal News.*

The Telegraph of the 21st of March, contains the following with regard to the interruption of the Indo-European telegraph. The following telegram, from the Director of the Indo-European Telegraph, to the Director General of Telegraphs in India has been placed at the disposal of the press. Kurrachee, March 13.—The cable is totally fractured, apparently twenty miles west of Gwadur. Its repairs depend entirely upon the arrival of the steamer Amber Witch, now in dock at Bombay.

AYER'S CHERRY PECTORAL.

℞ For the rapid cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So widely is the fame of its usefulness and so numerous are its cures, that in almost every section of country are persons publicly known, who have been restored by it from alarming and even desperate diseases of the lungs. When once tried, it is given a preference over other expectorants as too valuable to escape observation, and where its virtues are known, the public no longer hesitate what reliance to place on it for the distressing and dangerous affections of the pulmonary organs to yield to its influence.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by all Druggists and dealers in medicine everywhere.

The Florence Nightingale of the Nursery.

The following is an extract from a letter written by the Rev. C. Z. Weiser, to the *German Reformed Messenger*, at Chambersburg, Penn.

A Benefactress.

Just open the door for her and Mrs Winslow will prove the American Florence Nightingale of the Nursery. Of this we are sure, that we will teach our "Susy" to say "A Blessing on Mrs Winslow" for helping her to survive and escape the griping, colicking, and teething siege. We can every word set forth in the Prospectus. It performs precisely what it professes to perform; every part of it—nothing less. Away with Opium, Cordial, "Paregoric," "Drops" Laudanum, and every other "Narcotic," by which the babe is drugged into stupidity and premature death and idiotic for life.

We have never seen Mrs Winslow—know her only through the preparation of her "Soothing Syrup" for children teething. If we had the power we would make her, as she is, a physical saviour to the Infant Race. 25 cents a bottle. All druggists.

Be sure and call for

"Mrs Winslow's Soothing Syrup,"

Having the signature of "Curtis & Perkins" on the outside wrapper. All others are base imitations.

"A Cough," "a cold," or Irritated Throat.

If allowed to progress, results in serious Pulmonary and Bronchial affections, oftentimes in Consumption.

Brown's Bronchial Troches

Reach directly the affected parts, and give almost instant relief. In Bronchitis, Asthma, and Catarrh they are beneficial. Obtain only the genuine Brown's Bronchial Troches, which have proved their efficacy by a test of many years. Among testimonials attesting their efficacy are those from—

E. H. Chapin, D. D., New York,
Henry Ward Beecher, Brooklyn, N. Y.
N. P. Willis, New York.
Hon. C. A. Phelps, Pres. Mass. Senate.
Dr. G. F. Bigelow, Boston,
Prof. Edwd. North, Clinton, N. Y.

Surgeons in the army, and others of eminence. Sold everywhere at 25 cents per box.

To Consumptives.

The Rev. EDWARD A. WILSON will send (free of charge) to all who desire it, the prescription with the directions for making and using the simple remedy by which he was cured of a long affection and that dread disease Consumption. His only object is to benefit the afflicted, and he hopes every sufferer will try this prescription, as it will cost them nothing, and may prove a blessing. Please address

TESTIMONIAL

From Sig. Carlo Mora. Professor of Music. Kingston:

HAVING had ample opportunity of testing Mr Reyner & Son's Tuning and Repairing of Pianofortes, &c, since I have been in Kingston, I heartily recommend them to all those having Instruments to tune or repair, and would further advise those that have Instruments that are not in good order, to give them a call at once, as delay will only occasion more work and money when it is done.

SIG. CARLO MORA,
Professor of Music,
Kingston.

FROM MR RIDDELL.

MR REYNER has recently re-covered the Hammers of the Pianoforte used in my family with the new improved patent leather, and otherwise repaired it. He has also tuned it, and it is altogether much improved, the quality of the tone being greatly better than before the Instrument was put into his hands. I shall certainly continue to keep the piano under his charge for the future.
