London, June 16, midnight.—In the House of Lords this evening, the Earl of Derby, in some remarks on the Abyssinian expedition, suggested that on account of the unusual character of the service performed by the troops, special honours should be given them upon their return from the scene of their exploits.

The Duke of Malmesbury, Lord of the Privy Seal, in reply, said that the Ministry had seriously considered the point.

The Duke of Cambridge, commander-in-chief of the army, expressed the opinion that the award of unusual honours to the officers of the Abyssinian expedition would be a bad precedent. The subject was then dropped.

MILITARY NOTICE.

1. THE Secretary of State for War has decided that the indulgence under which the Wives of all Soldiers, serving in Canada, have hitherto been provided with Free Passages with their husbands, upon their embarkation for the United Kingdom, or for another Station, is to be restricted in future to the Wives and Families of Soldiers on the Married Establishment, as regulated by clause 50, of the Army Circulars of 1867, viz:—

"All Regimental Staff Sergeants,

3 out of 4 or 5	Sergeants of each Troop, Battery or Company.
4 " " 6 or 7	
5 " " 8 or 9	
6 " " 10 or upwards	

Seven per cent of Trumpeters, Drummers and Rank and File, calculated upon the Establishment."

2.—In order, however, to prevent the infliction of hardship, the Secretary of State has further been pleased to direct that the Wives and Families of all Soldiers who are not on the Married Establishment and who were actually serving in the Dominion of Canada on 20th March, 1868, may, provided they were married prior to that date, be granted free passage to the United Kingdom, on the departure of the Soldier from Canada.

3.—The Lieutenant General Commanding desires to give this decision the greatest possible publicity, as it will very much increase the unavoidable distress already resulting from marriages in the Army without leave.

4.—No Soldier's wife, married without leave, after the 20th March, 1868, can under any circumstances whatever, hope to be provided with a Passage, when her husband leaves Canada, nor to derive any advantage arising from the Service; nor, if she should find her own way to the United Kingdom, can she establish any claim to maintenance there.

5.—The Lieutenant General take this opportunity of pointing out that the Regulations for married Soldiers (Clause 50, Army Circular, 1867) strictly limit the numbers allowed to each Corps, and that no Commanding Officer has the power under any circumstances of authorizing an excess of the Married Establishment so limited.

6.—The Lieutenant General therefore repeats the warning that has been so often given against the wretchedness that must result from marrying a Soldier without leave.

By order,

(Signed) J. E. THACKWELL,
Col. D. A. G.
