FROM SAN FRANCISCO.

San Francisco, July 3. Advices from Japan to the 22nd ult. state that great excitement prevailed there, owing to the demand of the commander of the British war steamer "Chanticleer." The authorities had seized one of the officers of the steamer on a charge of smuggling specie from the vessel. The captain went on shore and became so violent over the affair that he was arrested also and search warrants were issued. He then went aboard his vessel and threatened to bombard the town, which threat led to a protest being served upon the United States and others to submit his claims to the commander of the British station, and in the meantime the officer accused has been placed on board the port hospital ship to be kept under close surveillance.

The steamer Suance had gone to Hiogo to protect American interests.

The steamer "Rosser" was at Papenberg.

It is stated that the British steamer sailed for Hiogo with orders that the officer who had caused the insult should be sent on board of her, to be dealt with as he saw fit. The Mexican General replied that he did not know the town to be bombarded.

ST. NICHOLAS RECEIVING NEWS OF THE BATTLE OF [illegible]

[illegible] pictures in Kinglake's work of the Crimean War, the one which [illegible] the strongest hold of the minds of the reader is that of the Czar of all the Russias on receiving news of his great defeat on the Alma.

Instead of a whole no despatch [illegible] the disaster he had undergone, but he sent an aide-de-camp to St. Petersburg. For several days to the close of the month of September, he seemed growing more and more under the pinings. His impatience, it is rather the longing for the good expected than the result of evil, he said that he looked upon [illegible] to be the unwarlike rash[illegible] of a person with a feeling akin to [illegible] himself that the Allies [illegible] his prisoners, he ordered, [illegible] that event the captive [illegible] to be treated with kind[illegible]. At length a moment came when [illegible] the Czar that an aid-[illegible] in the Crimea was in the [illegible], hurriedly brought into the Czar's presence. By brief word or [illegible] he endeavored to speak. He [illegible] his army has covered itself [illegible]. Then instantly the [illegible] to be told was one [illegible] violent imprecations he [illegible] the aid-de-camp from his presence. [illegible], however, understood that [illegible] to be again called in; and [illegible] quarter of an hour I think I [illegible] was once more in the [illegible]. The Czar was changed in [illegible] to be more composed [illegible] hour, but was pale. When [illegible] approached, the Czar [illegible] his hand as though to [illegible] something, and imperatively [illegible] despatch." The aid-de-camp [illegible] 'I bring no despatch.' 'No [illegible] Czar asked, his fury begin[illegible] as he spoke. 'Sire, Prince [illegible] was much hurried, and——' [illegible] interrupted the Czar: 'What! [illegible]! Do you mean to say [illegible]? Again his fury became [illegible], and it seems that it was [illegible] he was able to hear the [illegible] of the truth. When at length [illegible] to know what had befallen [illegible] gave-way to sheer despair; [illegible] Sebastopol lost, and had [illegible] belief that the Chersonese [illegible] on which he might use his [illegible] that this man, gathering [illegible] hand all the power, all [illegible] the resources of the Empire, was [illegible] that which he had dared [illegible], when he said that he was [illegible]. I have said, too, that because [illegible] the national passions of [illegible] were his religion and [illegible] in his superb and [illegible] was truly incar[illegible] incarnation more [illegible] in the time of the nation's [illegible] disaster had come upon [illegible] Czar was first raging, then [illegible] the instinct which [illegible] is his grief to sink down and [illegible] the earth, and to seek to [illegible] all eyes. He took to his [illegible] the danger of approaching [illegible] was seized from the door [illegible] by the side of the low [illegible] on there was a [illegible] of beer-water, or some such [illegible], and that, it is supposed, from [illegible] time he drank; but, except the [illegible] thus obtained, it is believed [illegible] many days he took no food. [illegible] despair was indeed so [illegible] that when other and better [illegible] beginning to come in from [illegible] the Czar, it is said, [illegible] in the same condition. Peo[illegible] to approach him so long [illegible] nothing to set against [illegible] of the defeat on the Alma; [illegible] more hopeful account came [illegible] they might approach [illegible]. Going to his bedside, [illegible] of these new tidings, and [illegible] possible, if not even likely, [illegible] might still be saved. But [illegible] put no faith now in any [illegible]. Nay, he raged, as they [illegible] who sought to comfort [illegible]—Yes are the men, you are [illegible] who brought me to this—[illegible] into this war by talking [illegible] power of the English 'peace [illegible]. You are the men, the very [illegible] persuaded me that the English [illegible] not fight. Leave me! [illegible]

[illegible] arms which Charles V. issued [illegible] assumed the title of Ma[illegible] from his subjects as a mark [illegible] of all the monarchs of [illegible] the appellation of [illegible] the vanity of other courts [illegible] the Spanish. The epi[illegible] a mark of pre-eminence. [illegible] monarchs in Europe [illegible] of the greater poten[illegible] no higher denomination.

Who is Mrs. Winslow?

As this question is frequently asked, we will simply say that she is a lady who, for upwards of thirty years, has untiringly devoted her time and talents as a female Physician and nurse, principally among children. She has especially studied the constitution and wants of this numerous class, and as a result of this effort, and practical knowledge, obtained in a lifetime spent as nurse and physician, she has compounded a Soothing Syrup for children teething. It operates like magic—giving rest and health, and is, moreover, sure to regulate the bowels. In consequence of this article, Mrs Winslow is becoming world-renowned as a benefactor of her race; children certainly do RISE UP and bless her; especially is this the case in this city. Vast quantities of the Soothing Syrup are daily sold and used here. We think Mrs Winslow has immortalized her name by this invaluable article, and we sincerely believe thousands of children have been saved from an early grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed. No MOTHER has discharged her duty to her suffering little one, in our opinion, until she has given it the benefit of Mrs Winslow's Soothing Syrup. Try it, mothers—TRY IT NOW.—*Ladies' Visitor*, New York City.

Sold by all druggists. 25 cents a bottle.

Be sure and call for

Large Manufacturers of

GRAND OVERSTRUNG SQUARE

PIANOS,

Corner of King & Princess Streets

KINGSTON, ONTARIO.

RAPPE, WEBER, & Co. announce to the Public that they are now in possession of facilities for manufacturing Pianos unsurpassed, if equalled, by any in the Dominion.

The members of the Firm are Practical Piano Makers, and are anxious to establish their success in manufacturing enterprise by careful workmanship rather than by mere speculation. They are able skilfully to superintend every department, and are prepared to guarantee every instrument they sell.

For strength of manufacture and materials, beauty of finish, and durability and excellence of tone, they challenge the Dominion to produce superior instruments; and while they claim for their work evesy excellence that can be expected from skillful and enterprising workmen, they beg to announce that their resources are sufficiently ample to enable them to compete in prices with any speculator in Pianos.

The Subscribers keep no Travelling Agent. All orders addressed to the Subscribers, or sent through any respectable Music Dealer, will receive attention. Orders through mail will be attended to as if selected in person.
