A MARVELLOUS REMEDY FOR A MARVELLOUS AGE!!

HOLLOWAY'S OINTMENT.

The Great External Remedy.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ requiring aid. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Stings, Sore Heads, Scrofula, or Erysipelas, nothing withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dressing his Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East large shipments of this Ointment, to be used in the worst external wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured by the Ointment to well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—

Bad Legs	Fistulas
Bad Breasts	Gout
Burns	Glandular Swellings
Bunions	Lumbago
Bite of Mosquitoes and Sand-Flies	Piles

DOCTOR HOOFELAND'S CELEBRATED GERMAN BITTERS,

PREPARED by Dr. C. M. JACKSON, Philadelphia, Pa., will effectually cure Liver Complaint, Dyspepsia, Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach. Such as Constipation, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choaking or suffocating sensations when in a lying posture, Dimness of Vision, Dots of webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imagining of Evil, and great Depression of Spirits.

The proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant.—The testimony it its favor given by the most prominent and well known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his Agents, cannot but satisfy the most sceptical that this remedy is really deserving the great celebrity it has obtained.

TESTIMONY FROM MAINE.

Astonishing Cure with only One Bottle.

Joseph B. Hall & Co. says:—

Presque Isle, Aroostook Co., Me., April 24th, 1856.

"We herewith send you a certificate of a cure with only one bottle of the German Bitters; we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his story.

Messrs. Joseph B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 16 years, has been complaining of a pain in her side for six or seven years, and about the first of January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by Hoofland's German Bitters, I was induced to try it in her case, and sent to your store and purchased one bottle. She had taken it but a few days when she began to improve, and now, after taking only one bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure entirely to the German Bitters.

CERTIFICATE OF CAPT. DANIEL ABBOTT.

Brooklyn, Me, July 16th, 1856.

"I was taken sick one year ago, last April, upon my passage from Havana to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, nor sleep, or appetite. At last, taking up a newspaper having your advertisement of Hoofland's German Bitters in it, I sent for some immediately; this was about 10 o'clock; at 11 o'clock I took the first dose, another at 6 o'clock. The effect was so rapid on me that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands, ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it.

Respectfully, yours,

To Dr. C. M. Jackson. DANIEL ABBOTT.

C. P. FESSENDEN, says:—

Rockland, Lincoln Co. Me., Jan 5, 1855.

The Bitters give good satisfaction in every instance.

Important to Daguerreotypists, Marble Workers and others.

NOTWITHSTANDING DAGUERREOTYPE CASES.

A method has long been sought for, to insert in a durable manner, Daguerreotype Likenesses to Head Stones and Monuments. I have been manufacturing these Cases for the last two years, and can warrant them to secure the picture for a long number of years.

The outside case is made of Parian Marble, and the box which incloses the picture and keeps it in a state of great preservation for a long number of years, is made of brass—a screw box. It makes a very neat job on a Head Stone or Monument. They are used in Greenwood Cemetery, Mount Auburn, Laurel Hill, and many other Cemeteries in the United States.

A liberal discount made to Marble Dealers and Daguerreotypists. Price from $2 25 each to $9.50. A circular of engravings will be sent to an address, free, with price list. Address,

A. L. BALDWIN, Agent of Mausoleum Dag. Co., 335 Broadway New York. 248

Money! Money! Money!

WHY be WITHOUT MONEY! when it is just as easy for any one to be around with a pocket full as not, if they only think so. I have got a new article from which from five to twenty dollars a day can be made, either by male or female. It is highly respectable business, and an article which is used in every family in the United States. Release me two dollars by mail, at my risk, and I will forward by return mail a Circular with full instructions in the art. The business is very easy.—Try it, if you are out of employment, and you will never regret it; for it will be better for you to pay the above sum, and insure a good business, than to pay twenty-five cents for a spurious advertisement. This is no humbug. Try it! Try it! Try it! Address your letters to

DWIGHT MONROE, New York.

I sent one of my regulars to an Editor in Georgia, and he got me a notice in his paper like the following:—

"Mr. Monroe sent us one of his Circulars and I will just say to my readers that whoever of you are out of employment that Mr. Monroe's business is a good business, and money can be made out of it by any one who engages in it, it is no humbug." 248

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs and Hoarseness

BRIDGFIELD, MASS., 20th Jan., 1855.

DR. J. C. AYER: I do not hesitate to say the best remedy I have found for the relief of Coughs, Hoarseness, Influenza and the concomitant symptoms of a cold is your CHERRY PECTORAL. Its effects upon us in my practice and my family the last two years has stamped in my mind the virtues for the treatment of these complaints. ERKN KNIGHT, D.

A. B. MORTLEY, Esq., of Lansingburgh, N.Y., writes: "I have used your Pectoral myself and my family ever since you invented it, and believe it to be the best for its purpose ever put out. Will not add I should scorn my twenty-five dollars for it less than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

BROWN AVE: I will cheerfully certify that your Pectoral is the best remedy we possess for the cure of Whooping Cough, Croup, and the complaints of children. We of your fraternity in the South appreciate your skill, and commend your medicine to the world.

WM. CONKLIN, M. D.

AMOS LEE, Esq., Hopewell, writes, 3d Jan., 1856: "I had a bilious influenza, and confined me in doors six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the tightness in my throat and lungs; lost than one half the bottle made me completely well. Your medicines are the best as well as the best we can buy, and we recommend them, and your remedies, as the poor man's friend."

Asthma or Phthisic and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: YOUR CHERRY PECTORAL is performing marvellous cures in this section. It has cured several from alarming symptoms of consumption, is now curing a man who has laboured under an affection of the lungs for the last forty years. HENRY PARKS, Merchant.

A. A. RAMSEY, M.D., Monroe Co., Iowa, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to AYER'S CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of testimony, but the most convincing proof of the virtues of this family is found in its effects upon trial.

Consumption

Probably no one remedy has been known which cured so many and such dangerous cases of this disease as this; and can reach; but those who trust CHERRY PECTORAL affords relief and comfort.

AYER'S CHERRY PECTORAL

Auch House, New York, March 5, 1856

DOCTOR AYER, LOWELL: I feel happy and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months suffering under the dangerous symptoms of Consumption, and despaired of her life, we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this place, gave her your medicine, for advice, recommended a trial of your medicine. We then his husband, as we do, that it has restored from that day. She is not yet strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and respect,

ORLANDO SHIPMAN, of Sandy Hill.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures are found in every town to bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce the best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they will unprovedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the humours which breed and grow distempers, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they prove powerful effects, they are at the same time in disease, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief, were not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Eminent clergymen and physicians have lent their aid to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of the afflicted, suffering fellow-men.

The Agent below named is issued to furnish my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dysentery, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inflation of the Bowels, Pain arising therefrom, Flatulency, Want of Appetite, Fevers and Cutaneous Diseases which require a Purgative, Scrofula or King Evil. They also purify the blood and stimulate the system, removing complaints which, if neglected, fasten upon the vitals with the fangs of death, such as Deafness, Blind Blindness, Neuralgia, Nervous Irritability, Derangements of the Liver, Dropsy, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by principled dealers who offer other pills they make more profit on. Ask for AYER'S PILLS and take nothing else. No other they can offer you compares with this in the intrinsic value or curative powers. The sick want the best old there is for them, and they should have it.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

PITTSBURG, Pa., Nov. 2, 1855.

DR. AYER: Sirs, I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from foul stomach, which they clean out effectually. If they will cure others as they do me, the world is worth knowing.

Yours in great respect, ED. W. FREELE, Clerk of Steamer Chester.

Bilious Disorders and Liver Complaints.

DISPENSARY OF THE DISEASES, WASHINGTON, D.C., 7 Feb., 1856.

SIR: I hand your Pills to my general and hospital practice, and every one made them, and cannot hesitate to say they are best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are valuable remedy for derangements of that organ, and of bilious habit, which I have called the disease so obstinate that it did not readily yield to them.

Truly yours, ALONZO BALL, M.D., *Physician of the Marine Hospital.*

Dysentery, Relax, and Worms.

POST OFFICE, ORLEANS, IOWA CO., MICH., Nov. 16, 1855.

DR. AYER: Your Pills are the production of medicine. They have done my family more good than I can tell, and the last benefit I received, I was ready to pay anything for my health. I was off to be doctored great expense, but got no better. Shortly after reading your Pills, which soon cured her, my daughter had a quantities of worms (dead) from her body. They effectually cured her and our two children of bloody dysentery. One of our neighbors had it bad, and we gave him enough with two doses of your Pills, while he was confined to his bed. He says he would give from five to twenty dollars (doctors' bills, and loss of time, without being cured entirely more than 6). Send us more pills at once, which is actually good and honest. It should be printed here.

GEO. J. GRIFFIN, Postmaster.

Indigestion and Impurity of the Blood

From Rev. J. Cross, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family, and among those I am called to visit in distress. They make the organs of digestion and purify the blood; they are the very best remedy I have ever known, and I confidently recommend them to my friends.

J. V. HINES.

WEST WINDSOR CO., N.Y., Oct. 24, 1854.

DEAR SIR: Enclose your Cathartic Pills to my respective, and find them an excellent purgative to cleanse the system, and purify the fountains of the blood.

JOHN G. MEACHAM, M.D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors and Salt Rheum.

From Rev. J. Cross, Merchant of St. Louis, Feb. 4, 1855.

DR. AYER: You will see the purport of all that is cured in medicine. I very have cured my little daughter of ulcerous sores on her hands and feet that had proved incurable for years. My mother has been long grievously afflicted with Tetter and pimples on her skin and in her hair. After one bottle was cured, she also tried your Pills, and they have cured her. ASA MORRIDGE.

Rheumatism, Gravel, and Gout.

From the Rev. Dr. Cross, of the Methodist Episc. Church.

PITTSBURG, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I am now entirely free from my old gravel, which has brought me to the grave. I could not report my case to you. A cold settled in my leg, and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, till by the advice of your excellent agent in Baltimore, Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am completely well.

SIMON CROSS, Late Rector, La., 5 Dec., 1855.

DR. AYER: I have completely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

For Dropsy, Worms, or Kindred Complaints, requiring active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are unexceptionable and efficient.

Fits, Suppression, Paralysis, Inflammation, and even Deafness and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in use contain Mercury, which, although a valuable remedy, still being in a pill form, and in a pill, it is not the mild mercurial preparation that frequently follow its beneficial effects. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF,

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its efficacy, and fewer yet are the communities any where which have not among them some living trophy of its victory over the subtle and dangerous disease of the Organs of Breathing. While it is the most powerful curative yet offered to mankind for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest medicine ever resorted to, and is generally that can be employed for children and young persons. Parents should have it in store against the insidious attacks to which their offspring are exposed. We believe the CHERRY PECTORAL to be the means of saving many lives by the consumptions it prevents that from colds, cures. Keep it by you, and cure your colds while they are curable, not neglect them until no human skill can reach them, and then fasten on the lungs, and take your life away. All know the dreadful fatality attending pulmonary disorders, and we need not dwell upon it. They know too the virtues of the CHERRY PECTORAL, we need not do more than to assure them it is fully worthy of their confidence and trust. We spare no cost, no care, no pains to produce it the most perfect possible, and then we leave it to those who rely on it to be best agent which our skill can furnish for their cure.
