SPECIAL NOTICE.

LET THERE BE NO SECRETS IN MEDICINE or rather no pretended secrets. The Medical Faculty publish as soon as made, all their discoveries, and almost all that is known of real value for the cure of disease, has been discovered by them. Dr. Ayer, takes the honorable honest course, and right because it is honest. He goes to work and invents the best remedy which medical skill can devise for the cure of certain complaints: then publishes what it is and maintains his monopoly of it solely by making it cheaper, better, more perfect, than anymore else can. If the people would expect this of all who offer medicines, they would have much less treacle and trash to swallow. New Orleans Organ. 252

Liver Complaint.—Mr. James Alderton, of Three Rivers, was for 18 years afflicted with a disordered liver, nausea, and a foul stomach, in addition to these distressing complaints, he was visited by frequent bilious attacks, rendering him entirely unfit for business; he was told nothing in the world would thoroughly cure him, although he had spent a complete fortune in medicine and advice. At last he was recommended to try Holloway's Pills, which he commenced using,—gradually the worst symptoms of his disorder disappeared, and after eight weeks steady adherence to the directions of Professor Holloway, he was entirely cured, and admits that he never before throughout his life enjoyed such good health as he does at present. 252

GREAT SALE OF VALUABLE BUILDING LOTS! IN THE City of Kingston, ON

Thursday the 22nd January, 1857.

BY JOHN PATTERSON.

THE Subscriber has received positive Instructions from the Proprietors to sell by Auction the following eligible property in Lots consisting of Nos. 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10, situated on PRINCESS STREET, in the City of Kingston, and adjoining the residence of JOHN METCALF Esq.

—ALSO—

Nos. 1, 2, 3, 4, 5, 6 and 7, situated on CENTRE STREET. Also, Lots Nos. 16, 32, 36 and 37, situated on COLLINGWOOD TERRACE, lately laid out by A. J. Macdonald, Esq.

The terms of payment will be easy, namely one-fifth by an endorsed note at three months (without interest) from day of sale, the balance in four equal annual instalments with interest on the unpaid balance. For particulars of title, &c., application to be made to Thomas Kirkpatrick, Esq.

TO INTENDING PURCHASERS

of Building Lots this sale will afford an opportunity that not rarely presents itself. The proximity of the location to the business part of the city, its contiguity to the new Court House and public buildings, its salubrious and commanding situation, (embracing a view of Lake Ontario, River St. Lawrence, and the whole city and its environs) making it one of the most desirable places of residence in the Province.

The Subscriber would particularly recommend these lands to the notice of Mechanics who for a small outlay, can secure to themselves and families permanent, comfortable homes. Speculators would more than covet both the interest and purchase money, and the cost of a neat and comfortable dwelling.

TO SPECULATORS.

In Town lots Kingston offers greater inducements than perhaps any city in the Province.

The Grand Trunk Railroad, which is small towns is deservedly injurious, touching the water, as it is designed to do, he most advantageous to Kingston which is naturally the interchanging point for lake river and railroad traffic, besides being the nearest Canadian frontier port to the City of New York.
