AYER'S CHERRY PECTORAL,
FOR THE RAPID CURE OF
Colds, Coughs, and Hoarseness.

Boston, Mass., 20th Dec., 1854.
Dr. J. C. Ayer: I can no longer keep the good news to myself. I have ever found your Cherry Pectoral, I mean what it is in my practice and say freely for the last ten years this season, it is proving equally efficacious for the development of lung complaints. Edwin Emerson, Jr., M. D.

A. B. Mortley, Esq., of Utica, N. Y., writes: "I have used your Pectoral myself and to my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I would sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

Southbridge, Mass., Feb. 7, 1856.
Dr. Ayer: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, Croup, and the other diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.
Hiram Conklin, M. D.

Amos Lee, Esq., Montour, Ia., writes, 24 Jan., 1856: "I had a bilious influenza, which confined me to doors six weeks; took many medicines without relief; finally tried your Pectoral. The effect was all I desired. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the best, as well as the best in my hut, and we extend you, Doctor, and your remedies to the ends of the earth."

Asthma or Phthisic, and Bronchitis.

West Manchester, Pa., Feb. 4, 1856.
Dr. Ayer: Your Cherry Pectoral is performing our without cure in this section. It has relieved several from asthmatic symptoms of consumption, and is now curing a man who has laboured under an affection of the lungs for the last twelve years. Benj. M. Flinn, Merchant.

A. A. Ramsey, M.D., Albany, Monroe Co., Iowa, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human skill can reach; but even to those the Cherry Pectoral affords relief and comfort.

Astor House, New York City, March 8, 1856.
Doctor Ayer, Lowell: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which we had all we could promise gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We have the satisfaction, as we hope you will, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.
Yours with gratitude and regard,
ROLAND SHALER, of Schenectady.

Consumptives, do not despair till you have tried Ayer's Cherry Pectoral. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to mankind. Numerous trials are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any kind of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of quackery. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my medicines, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Piles, arising therefrom, Flatulency, Loss of Appetite, all Obscure and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a vitiated state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for Ayer's Pills, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.
