AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

ROXBURY, Mass., 20th Dec., 1856.

Dr. J. C. AYER:—I do not hesitate to say that the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. In constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. SIDNEY RIGGS, M. D.

A. B. MORTIMER, Esq., of Utica, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you intended it, and believe it the best medicine for its purpose ever put out. With a bad cold I would gladly pay twenty five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

BRIDGEWATER, Mass., Feb. 7, 1856.

DR. AYER: I will cheerfully certify that your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and demand your medicine to our patients.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTEREY, Ia., writes, 30 June, 1856: "I had a bodily inflammation, which confined me in doors six weeks; took much medicine without relief. Finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; four more half the bottle made me quite well. Your fame here is as the thunder as well as the lightning; and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST STOCKBRIDGE, Pa., Feb. 4, 1856.

DR.: Your CHERRY PECTORAL is gaining new trophies in this section. It has relieved wonderfully an alarming symptom of consumptive, and is now curing a man who has laboured under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALDEN, Monroe Co., Iowa, writes, Sept. 8, 1855: "During my practice of nearly years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing them if they are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Scarce no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, New York City, March 8, 1855.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months labouring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong of this city, recommended, for advice, recommended a trial of your medicine. We bless his kindness, as we bless you; still, she has not recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and she is herself well.

Yours with gratitude and regard,

ORLANDO SHERRY, of Barnstable.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE science of Chemistry and Medicine have long laved their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. They gently rousing properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood and expel disease. They purge out the foul humors which breed and grow diseases, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects they are at the same time in disposition and action the mildest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have kept their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Headaches arising from a foul stomach, Sick Headache, Want of Appetite, Dyspepsia, Liver Complaint, Wasting Disorders, Flatulency, Loss of Appetite, all Urinary and Cutaneous Diseases which require an external Medicine, Scrofula or King's Evil, Tumors, Erysipelas, Salt Rheum, and eradicating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Intemperance of the Liver and Kidneys, Gravel and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. They are what the best all there is for them and they should have it.

For North Ind., Stations, Dr. Chas. Miller, Esq. Boston, Sec. Richard Cole, Esq. Lowell. M. Dr. Geo. W. Gray, Treas. Dr. Geo. Hayes.

The following Resolutions were unanimously adopted:

Resolved, That to associating ourselves together to extend the knowledge of the Indian Medical System upon scientific principles, we believe we are conferring a favor upon the Medical profession, and advancing the cause of true Medical Science.

Resolved, That we have had no other motive than that the Grandfather's medicines has cured hundreds of cases of Cancers, after the regular physicians had given up the patient to die, and that the fruits of his practice for the last ten years have miraculously proved that Cancers, Tumors of the Breast, Ulcers, Fistulas, and other diseases which have been pronounced in the hopeless of the old school, yield to medicines, so permanently cured by a certain course of "Nature's Remedies," is a certain and unfailing cure.

Resolved, That we will not countenance ignorant pretenders, who have not received a medical education.

Resolved, That we recommend the Indian Medicines, as in the newspaper entitled "Nature's Advocate," and that a copy thereof, containing testimonials to cures effected in defiance of medical opinion, be sent to Dr. A. Gibson, Boston, Mass., and to John Stiles, Secy.
