AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness,

Boston, Mass., 20th Dec., 1856.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the troublesome ailments of the throat, is your Cherry Pectoral. The constant use of it in my practice and my family for the last ten years has shown it to possess more real virtue for the relief and cure of these complaints. JOHN KNOTT, M. D.

A. S. MORTLEY, Esq., of Utica, N. Y., writes: "I have tried your Pectoral myself and in my family ever since you invented it, and believe it the best medicine for the purpose ever made. With a bad cold I should travel my twenty miles for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SOUTHBRIDGE, Mass., Feb. 7, 1856.

BENJAMIN AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the Colds of children. Its effects in my family in the South approximate your skill, and commend your indefatigable industry.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., Montville, Ia., writes, 24 June, 1856: "I had a bad cough from which childhood was the order six weeks; but many medicines without relief, finally tried your PECTORAL by the advice of an old friend. The first dose relieved the soreness in my throat and lungs, has then one-half the bottle made me completely well. Your medicine is the cheapest on the market we can buy, and we esteem you, Doctor, and your medicine, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: Your CHERRY PECTORAL has effectually cured my wife of Asthma, which had tormented her for years. It has relieved several from whom I have heard, using symptoms of consumption, and is now curing a man who has laboured under an affection of the lungs for the last thirty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M.D., AUBURN, Monroe Co., Iowa, writes, Sept. 5, 1855: "During my practice of twenty years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some instances did our minds; but even to those the CHERRY PECTORAL affords relief and comfort.

AYER HOUSE, New York City, March 8, 1856.

DEAR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months labouring under the dangerous symptoms of Consumption, from which she was in a critical condition, when I first procured a bottle of your PECTORAL. She was steadily failing, until Dr. Strong, of this city, who you have done for advice, recommended a trial of your medicine. We bless the kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude, ORLANDO SHERRY, of Schenectady.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us speak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are mild and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humours which breed and grow dangerous, stimulate sluggish or disordered organs into healthy action, and restore disabled organs into healthy strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous disease that baffles baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of sinister motives. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is placed to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Pleurisy, Heartburn, Headache, Diarrhœa, Dysentery, Flatulency, Jaundice, Mental Depression of the Bowels and Pain acting therefrom, Flatulency, Loss of Appetite, all Liver and Cutaneous Diseases which require an excellent Medicine to Regulate the Stomach and Bowels, Purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, and other related complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S Pills, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

Practical and Analytical Chemist, Lowell, Mass.
