AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

DEXTER, Mass., 20th Dec., 1855.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the consumptive tendency of Colds, is your Cherry Pectoral. Its channel use in my practice and my family for the last two years has shown it to possess superior virtues for the treatment of these complaints. HIRAM KNIGHT, M.D.

A. S. MORTLEY, Esq., of Utica, N.Y., writes: "I have used your Pectoral myself and in my family ever since you invented it, and believe it the best medicine for the purpose we ever heard of. With a bad cold I would willingly pay twenty-five dollars for a bottle than do without it, if I could not get any other remedy."

Croup, Whooping Cough, Influenza.

SHERBURNE, Mass., Feb. 1, 1856.

DEAR SIR: I can conscientiously give your Cherry Pectoral a place in my family as the best remedy we possess for the cure of Whooping Cough, Croup, and the direst diseases of children. We of your fraternity in the South appreciate your skill, and commend your invaluable preparations.

HIRAM CONKLIN, M.D.

AMOS LEE, Esq., MONTREAL, C.E., writes, 31 Jan., 1855: "I had a serious Influenza which confined me in doors six weeks; no medicine did me any good until I procured your Pectoral, by the advice of our chemist. The first dose relieved the excess to my throat and lungs; less than one half the bottle made me completely well. Your compositions are invaluable to us Canadians, we can't do without them, and as friends, you, Doctor, and your remedies, are the best friends I have."

Asthma or Phthisic, and Bronchitis.

SIR: YOUR CHERRY PECTORAL is performing our million cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an obstinate cough and asthma for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M.D., ALBION, Monroe Co., Iowa, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for getting some sick relief to incurable patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, New York City, March 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Stone, of this place, where we have resided for service, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet so strong as she used to be, but is free from her cough, and calls herself well. Yours with gratitude and respect,

ORLANDO SHELBY, of SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE advances of Chemistry and Medicine have been turned to the present purpose to produce this, the most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win universally the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their tonic purgating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children, being sugar-coated, they are pleasant to take, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and testimonials of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Dyspepsia, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom; Flatulency, Loss of Appetite, all Diseases and Derangements of the Digestive Organs, Liver Complaint, Dysentery, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Rheumatism, Dropsy, Scrofulous Inflammations, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with something else. Ask for Ayer's Pills, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.
