I also caution all INSURANCE COMPANIES from insuring the above House and Store, because, if they have insured, or do insure, under the circumstances, it will be found useful purposes.

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

BOSTON, Mass., 29th Dec., 1853.

DR. J. C. AYER: Sir—I feel bound to say my best remedy I have ever found for Coughs, Hoarseness, Influenza, and the consumptive symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of those complaints. EBEN KNIGHT, M. D.

A. S. BOWLEY, Esq., of Owego, N. Y., writes: "I have used your Pectoral myself and to my family ever since you invented it, and believe it the best medicine for its purpose in the world. Wish a bad cold I should sooner pay ten dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SOMERVILLE, Mass., Feb. 7, 1856.

HONORED SIR: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTPELIER, Ia., writes, 24 Jan., 1856: "I had a severe Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your Pectoral by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your pills are equally good for family use; they do can long, and we esteem you, Doctor, and your remedies as the best extant."

Asthma or Phthisic, and Bronchitis.

WEST MACKAMUCK, Pa., Feb. 4, 1856.

SIR: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has laboured under an affection of the lungs for the last forty years. HENRY L. PARKE, Merchant.

A. A. RAMSEY, M. D., AUBURN, MONROE CO., IOWA, writes, Sept. 8, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for prompt relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

AYER HOUSE, NEW YORK CITY, March 5, 1855.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months labouring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief, when she commenced failing, until Dr. Strong, of this city, where he have come for advice, recommended a trial of your medicine. Blessed be his kindness, as we do your skill, for she has returned from that day, she is yet living, and we pray God to be, but to live from her cough, and calls herself well.

Yours with gratitude and regard,

ORLANDO SHELBY, of SARATOGA.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE schools of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Impenetrable proofs are herein that they have succeeded. Their superiority of excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distempers, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children, being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent the assurance of their conviction that our Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and testimonials of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid inactivity of the Bowels and Pain attending them, Flatulency, Loss of Appetite, all Chronic and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout and other kindred complaints arising from a torpid state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

AT a meeting of this Society, held in Boston, Oct 15, 1856, the following Officers were chosen:

Rev. Norris Day, Boston, President; John Stiles, Esq., Boston, Sec. Reuben Gowen, M. D., Lynn, Vice-Pres.; Wm. M. Pier, Esq., Treas.

The following Resolutions were unanimously adopted:

Resolved, That the assembling ourselves together to extend the knowledge of the Medical Science upon strictly Indian principles, we believe we are exercising a favor upon the afflicted, and advancing the cause of THE MEDICAL SCIENCE.

Resolved, That we have had similar demonstration that Dr. Green's treatment has cured hundreds of cases of Cancers, after they were declared incurable by other physicians, and that the results of his practice for the last ten years conclusively prove that Cancers, Scrofula, Humors of the Blood, and various other diseases which have heretofore been so formidable to the sufferers, that the science of medicine are permanently cured by a judicious use of "Nature's Remedies," in scientific and rational hands.

Resolved, That we will not countenance ignorant pretenders, or quacks, in any form, or under any pretension that Society, persons who have not received a medical education, should be allowed to publish testimonial publications of the newspaper entitled "Nature's Arcana," and that an extra copy, containing a review to cases cures in different parts of the country, be furnished to every person called at the office, or ordering the same by mail, enclosing a postage stamp, addressed to Dr. R. IMPORTANT NOTICE.

GARDNER CHILSON has just completed and patented in America, England and France, his new invention—THE CONE FURNACE—and asks the special attention of those about erecting or remodelling buildings, as well as dealers in Hot Air, Steam or Hot Water Furnaces, and all interested in Steam Power, to carefully examine this invention, which entirely CHANGES THE PRINCIPLE AND CHARACTER OF HOT AIR FURNACES, *developing another and a new principle*, and obviating all former objections to their use. The practical operation of a number of these Furnaces, erected during the past winter, points out a new discovery in science by which the most wonderful economy in fuel has been attained, and clearly demonstrates, that the waste heat lost from chimneys is enough to warm every dwelling in the city. By this invention the heat formerly lost is made to warm the house.

This discovery—simple in itself—is the daily wonder of those who witness its results, and it becomes a matter of surprise, that a plan at once so simple and practical in its operation, should thus far have entirely escaped the notice of scientific men. We believe no one who investigates this principle will be liable to use a furnace constructed on any other principle, and we invite all who would witness its operation to call at the store of

FOR THE CURE OF

Headache, Sick Headache, Pain in the Stomach,

PITTSBURGH, PA., May 1, 1856.

DR. J. C. AYER, Sir: I have in my family cured one of the worst headaches any body can have by a dose or two of your Pills. It seems to cure from a foul stomach, which they cleanse so much. If they will cure others as they do me, the world will know it.

Yours with great respect, ED. W. FREEZE, Clerk of Diamond Office.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, CITY, Feb. 1, 1856.

SIR: I have used your Pills in my family and hospital practice ever since they were made them, and cannot hesitate to say they are the best medicine we employ. Their superiority over other cathartics is their certainty to act, and by their use an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them.

Respectfully yours, ALFRED HALL, M. D., Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POST OFFICE, HAVERSTRAW, Dr. CO., NEW YORK, Feb. 18, 1856.

DR. AYER: Your Pills are the forbearing of medicine. They have done my wife more good than all we had prior to. Her health was gone, and everything was lost. Worms and all to be dreaded of great extent, but got the better. She then commenced taking your Pills, which soon cured her. I recommend them to my friends as the best family medicine I know. They effectually cured her and my two children of a long and severe attack of dysentery. I have also found them very useful in my family practice, and have found no equal to them. Recommend them to my friends. Yours, J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system, and purify the blood.—Yours truly,

DR. AYER: Your Pills are the purgative of all that is great in medicine. They have cured my little daughter of alarming sores upon her face, which had defied all other treatment. Her face was one mass of sores, and she was very painfully afflicted with blotches and pimples on her skin and in her hair. Everyone could see a great change after she had taken your Pills, and daily they wrought a complete cure.

Rheumatism, Gravel, and Gout.

From the Rev. Dr. Blumenthal, Pastor of the Jewish Church.

PHILADELPHIA, PENNSYLVANIA, Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating gravelly pains which ended in chronic rheumatism. Nonsuitsoothing I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Buchanan, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 5 Dec., 1855.

DR. AYER: I have been regularly cured by your Pills of Rheumatic Gout—a painful disease that I have afflicted me for years. VINCENT SOMERVILLE.

For Dropsy, Plethora, or Kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a **Dinner Pill**, they are agreeable and efficacious.

Fits, Suppression, Paralysis, Inflammation, and even **Deafness**, and **Partial Blindness**, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy when skilfully used, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country in this country, who have not some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. Keep it by you, and cure your colds while they are curable, for neglect them until so human skill can master the incurable canker that, fastened on the vitals, ends your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best aid which our skill can furnish to their cure.

Headache, Sick Headache, Pain in the Stomach,

PITTSBURGH, PA., May 1, 1856.

DR. J. C. AYER, Sir: I have in my family cured one of the worst headaches any body can have by a dose or two of your Pills. It seems to cure from a foul stomach, which they cleanse so much. If they will cure others as they do me, the world will know it.

Yours with great respect, ED. W. FREEZE, Clerk of Diamond Office.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, CITY, Feb. 1, 1856.

SIR: I have used your Pills in my family and hospital practice ever since they were made them, and cannot hesitate to say they are the best medicine we employ. Their superiority over other cathartics is their certainty to act, and by their use an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them.

Respectfully yours, ALFRED HALL, M. D., Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POST OFFICE, HAVERSTRAW, Dr. CO., NEW YORK, Feb. 18, 1856.

DR. AYER: Your Pills are the forbearing of medicine. They have done my wife more good than all we had prior to. Her health was gone, and everything was lost. Worms and all to be dreaded of great extent, but got the better. She then commenced taking your Pills, which soon cured her. Recommending them to my friends as the best family medicine I know. They effectually cured her and my two children of a long and severe attack of dysentery. I have also found them very useful in my family practice, and have found no equal to them. Recommend them to my friends. Yours, J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1856.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system, and purify the blood.—Yours truly,
