CAUTION.

THIS IS TO CAUTION any person or persons from trusting Samuel or Gilbert S. Casey, my Dwelling House and Store in the Third Concession of the Township of Adolphustown, near the Mesers Plato, as they hold my property unjustly, and a writ from the Court of Chancery will dispossess whoever may rent their premises, and seize their goods and chattels for costs and damages.

I also caution all INSURANCE COMPANIES from insuring the above House and Store, because, if they have insured, or do insure, under the circumstances, it will be for no useful purpose.

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

REMSEN, MAD., 20th Dec., 1855.

DR. J. C. AYER: I cannot hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the incipient symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. REUBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of UTICA, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you introduced it, and have found it the best medicine for its purpose ever put out. With a bad cold I should scorn my twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

BROWNER AVER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the other diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTEVERDE, IA., writes, 24 Jan., 1856: "Lived a bedridden invalid, which confined me to doors six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our observant neighbor. The first dose relieved my throat and lungs; two more cut my cough; one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we witness you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: YOUR CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., AUBURN, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some so hopeless and to all human aid as this could reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which she was told recovery was hopeless. She was steadily failing, until Dr. Hoyt, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is now as healthy, as active, as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,

ORLANDO SHELEY, of SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed thus utmost to produce this best, most perfect purgative which is known to man. Innumerable pills are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the confidence of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only is they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and most pleasant of all medicines to be employed for children being sugar-coated, they are pleasant to take; and being purely vegetable, are free from all risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have sent their testimony to the world for the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and testimonials of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Headache, Heartburn, Want of Appetite, Loss of Blood, Jaundice, Dyspepsia, Liver Complaint, Piles, Dysentery, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a vitiated or sluggish state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

Rev Nathan Bangs, President; John Allen, Esq., Boston, Sec. Reuben Lincoln, M. D. Upton, Vice Pres. Wm. Wyman, Esq., Treas.

The following Resolutions were unanimously adopted:

Resolved, That it is the duty of every Medical man to extend and propagate the Indian System of Medicine as the most valuable and reliable which we are acquainted, a favor upon the afflicted, and advancing the cause of true Medical Science.

Resolved, That we have full confidence in the opinion that the Botanic Compound has cured hundreds of cases of Cancers, after they were given up as incurable by other Physicians, and that it has proved a blessing to many, who have tried it for the last ten years, and we feel it our duty to recommend it to the public as a safe and effectually power that Consists, Scrofula, Humors of the Blood, and various other diseases which are supposed to be incurable by the Physicians of the old schools of medicine, are permanently cured by a judicious use of "Nature's Remedies," in accordance with the laws of health.

Resolved, That we will not countenance ignorant pretenders, who are ignorant of the laws of nature, and who have not received a medical education. Resolved, That we recommend to our friends and patients the Indian Physicians, as being more successful than any other Physicians, and that we will not employ any other than a regular Indian Physician, or Botanic Physician, and that we will not employ any other than a regular Indian Physician, or Botanic Physician, and that we will not employ any other than a regular Indian Physician, or Botanic Physician
