## CAUTION.

THIS IS TO CAUTION any persons or persons from trusting Samuel or Gilbert S. Casey, my Dwelling House and Store in the Third Concession of the Township of Adolphustown, near the Messrs. Platts, as they hold my property solemnly and a writ from the Court of Chancery will compel me whenever may rent for or premises, and seize their goods and chattels for costs and damages.

I also caution all INSURANCE COMPANIES from insuring the above House and Store, because, if they have insured, or do insure, under the circumstances, it will be for no useful purpose.

## ONE DOLLAR
### WILL BUY

ONE of the best Purgative and Liver Medicines now before the public, namely, Dr. Sanford's Invigorator or Liver Remedy, that is a mild Cathartic, easier, milder and more effective than any other medicine known. It is not, as a Cathartic, but a Liver remedy, acting first on the liver to eject its morbid matter, then on the stomach and bowels to carry off the matter, thus accomplishing two purposes effectually without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it, and when taken daily in moderate doses will strengthen and build up with astonishing rapidity.

Dr. Sanford's Invigorator is compounded entirely from the virtues of medicinal vegetable Gums.

Some idea of the strength of these gums may be formed when it is known that one bottle of the Invigorator contains as much strength as one hundred doses of Oat-meal, without any of its deleterious effects.

Though possessing rare medicinal powers, these Gums have been but little known to physicians, and never used in the prescriptions until used in the form of the Invigorator which has met with such unprecedented success as to induce the proprietor to offer it as a family medicine tried and known to its efficacy. It has rarely ever failed to cure Liver Complaints in their worst forms.

Indigestion being caused by a deranged Liver is cured with the Invigorator, as cheerful as it is effective.

Jaundice is caused by an improper action of the Liver, and as a proof that the Invigorator relieves the disease let any one troubled with Jaundice take the Invigorator regularly one week, and their skin will begin to assume its natural color.

Costiveness can be permanently cured by the Invigorator. Take it in small doses on retiring, and it corrects nature in her operations. By gradually diminishing the dose, the bowels are left in a healthy and active state, and work as regularly as clock work. Sick Headache is very soon relieved by taking a double dose of the Invigorator, which corrects all acidity and sourness of the stomach.

For an overloaded stomach it has no equal, as it relieves all oppressive or uneasy feeling after eating heartily. For a family medicine generally, all who use it speak in the highest terms.

Dr. Sanford's Invigorator came to us recommended as a cure for Liver Complaints, and all diseases arising from a diseased Liver. The testimonials of so many of our physicians in its favor, induced us to try it, and now our conviction is certain that it is one of the greatest blessings ever given to Dyspeptics, for it made a complete cure before the first bottle was taken and now we can eat anything edible without trouble, while before nothing but the lightest food would digest, and often that gave pain. Now what we want to say to all our readers, if Liver Complaint or Dyspepsia trouble you, do not fail to try this the greatest remedy in the world.—Style Fact.

There has never been tried in our family a remedy which has met with such unbounded success in the cure of disease incident to children, as Dr Sanford's Invigorator; nor is it alone for diseases of children that we use it; for it acts as a Cathartic so mildly and gently; and seems to renovate the system so thoroughly that we think we are doing a service to all in advising them when they need medicine to try this remedy. There are cases that have come under our notice where great benefit has been received in diseases of the Liver, Stomach and Bowels, where all other remedies failed to give relief. It has become so useful in our family that we will not be without it.—Jacksonville, Ala, Republican.

### Joy to the Admirers of a Fine Head
OF
### RICH GLOSSY HAIR.

Talk of beauty, it cannot exist without a fine head of hair, then read the following and if you ask more, see circular around each bottle, and become convinced.

PROFESSOR WOOD'S HAIR RESTORATIVE.—We call the attention of all old & young to this wonderful preparation, which turns back to its original color, gray hair—gives a fine head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions—causes a continual flow of the natural fluids; and hence, if used as a regular dressing for the hair will preserve its color, and keep it from fading to extreme old age, in all its natural beauty. We call then upon the bald, the gray, or decreased in scalp, to use it; and surely the young will not as they value their flowing locks, or the witching curl, ever be without it. Its praise is upon the tongue of the lands.

The Agent for Prof. Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative, a few weeks since:

Deep River, Conn. July 28, 1856.

Mr. Leavenworth—Sir; I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out scurf and hair together. I saw in a New Haven paper about "Wood's Hair Restorative" as a cure; I called at your store the last of April last, and purchased one bottle to try it, and I found to my satisfaction it was the thing; it removed the scurf and new hair began to grow, it is now two or three inches in length where it was all off. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this. I don't know as anything of the kind is used in this place, you may have a market for many bottles after it is known here.

Yours with respect, RUFUS TRATT.

Philadelphia, Sept. 9, 1856.

Prof. Wood—Dear Sir; Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its coverings in the bald. I have used two half pint bottles of your Restorative, and the tip of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it.

Yours respectfully,
D. R. THOMAS, M.D.
No. 464 Vine Street.

Vincennes, Ia., June 22, 1853.

Prof. O. J. Wood: As you are about to manufacture and vend your recently discovered Hair Restorative, I will state, for whomsoever it may concern, that I have used it and known others to use it—that, I have for several years past, in the habit of using other Hair Restoratives, and I find yours vastly superior to any of them. It entirely cleanses the head of dandruff, and with one month's proper use will restore any person's hair to the original color, softness and texture, giving it a healthy soft and glossy appearance; and all this without discoloring the hands that apply it, or the dress on which it drops. I would therefore, recommend its use to every one desirous of having a fine color and texture to hair.

Respectfully yours,
WILSON KING.

### AYER'S
## CHERRY PECTORAL,
FOR THE RAPID CURE OF
### Colds, Coughs, and Hoarseness.

BOSTON, Mass, 20th Dec., 1854.

DR. J. C. AYER: I feel confident I have received the best remedy I have ever found for Coughs, Hoarseness, Inflammation, and the various painful symptoms of a Cold, in your Cherry Pectoral. Its effects have surpassed my practice and my family for the last two years has shown it to possess superior virtues for the treatment of these complaints. JOHN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N.Y., writes: "I have used your Pectoral in my family for Coughs, Colds, Hoarseness, Influenza, and Asthma, and believe it the best medicine for the purpose ever put out. With a bad cold I would willingly pay twenty dollars for a bottle than do without it, as I have any other remedy."

**Croup, Whooping Cough, Influenza.**

WORCESTER, Mass., Feb. 7, 1856.

DR. AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, Croup, and the other diseases of children. We of your fraternity in the south appreciate your health and commend your medicine to our people.

JERSAH CONKLIN, M. D.

AMOS LEE, Esq., Montague, Ia., writes, 10 Feb. 1856: "I had a dreadful Influenza, which confined me in bed six weeks, took many medicines without relief; finally, tried your Pectoral, by the advice of our clergyman. The first dose relieved my tight chest, and I began to sleep, less than one half the bottle made me completely well. Your medicine was the cheapest as well as the best we can buy, and we esteem you, friend, and your remedy, as the poor man's friend."

**Asthma or Phthisic, and Bronchitis.**

WEST MANCHESTER, Pa., Feb. 4, 1856.

SIR: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has laboured under an affection of the lungs for the last fifty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., Aurora, Neosho Co., Iowa, writes, Sept. 6, 1856: "Trusting my practice of thirty years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

**Consumption.**

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human skill can reach; but even to these the CHERRY PECTORAL affords relief and comfort.

AVON HOUSE, New York City, March 6, 1855.

DR. AYER, Lowell: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no one could relieve her, and she gave herself up to die. Your medicine was recommended, I took it home, and my wife, feeling it will Dr. Strong of this city, whom we have often for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she was before, but is free from her cough, and calls herself well.

Yours with gratitude and respect, &c.
ORLANDO SHERRY, of Sheriffs.

*Consumptives*, do not despair till you have tried Ayer's Cherry Pectoral. It is composed of the best medical chemists in the world, and its cures all around are bespeak the high merits of its virtues.—*Pittsburgh Dispatch.*

## Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to mankind. Innumerable proofs have shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win universally upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their purging properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow diseases, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Such only are they cure the everyday complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time so diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute powerfully to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures of the following complaints:—

Costiveness, Bilious Complaints, Biliousness, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid condition of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Eruptions and Cutaneous Diseases which require an efficient Medicine for the Cure of Humors, They also by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Rheumatism, Gout, Gravel and Kidney Diseases, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S Pills, and take nothing else. No other pill can give you cures to compare with this in its extensive sphere of curative virtues. You ask and get the best and there is for them, and they should have it.

**Practical and Analytical Chemist, Lowell, Mass.**

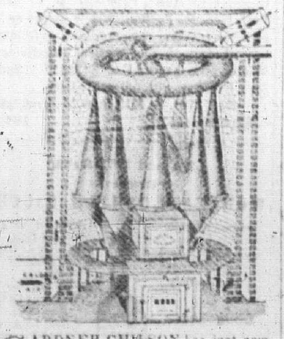
### IMPORTANT NOTICE.



GARDNER CHILSON has just completed and patented in America, England and France, his new invention—THE CONE FURNACE—and asks the special attention of those about erecting or remodelling buildings, as well as dealers in Hot Air, Steam or Hot Water Furnaces, and all interested in Steam Power, to carefully examine this invention, which entirely CHANGES THE PRINCIPLE and CHARACTER of HOT AIR FURNACES, *developing another and a new principle*, and obviating all former objections to their use. The practical operation of a number of these Furnaces, erected during the past winter, points out a new discovery in science by which the most wonderful economy in fuel has been attained, and clearly demonstrates, that the waste heat lost from chimneys is enough to warm every dwelling in the city. By this invention the heat formerly lost is made to warm the house.

This discovery—simple in itself—is the daily wonder of those who witness its results, and it becomes a matter of surprise, that a plan at once so simple and practical in its operation, should thus far have entirely escaped the notice of scientific men. We believe no one who investigates this principle will be liable to use a furnace constructed on any other principle, and we invite all who would witness its operation to call at the store of

### IMPORTANT NOTICE.

GARDNER CHILSON has just completed and patented in America, England and France, his new invention—THE CONE FURNACE—and asks the special attention of those about erecting or remodelling buildings, as well as dealers in Hot Air, Steam or Hot Water Furnaces, and all interested in Steam Power, to carefully examine this invention, which entirely CHANGES THE PRINCIPLE and CHARACTER of HOT AIR FURNACES, *developing another and a new principle*, and obviating all former objections to their use. The practical operation of a number of these Furnaces, erected during the past winter, points out a new discovery in science by which the most wonderful economy in fuel has been attained, and clearly demonstrates, that the waste heat lost from chimneys is enough to warm every dwelling in the city. By this invention the heat formerly lost is made to warm the house.

This discovery—simple in itself—is the daily wonder of those who witness its results, and it becomes a matter of surprise, that a plan at once so simple and practical in its operation, should thus far have entirely escaped the notice of scientific men. We believe no one who investigates this principle will be liable to use a furnace constructed on any other principle, and we invite all who would witness its operation to call at the store of

## AYER'S
## Cathartic Pills,
*(SUGAR COATED,)*
AND ARE SO
### CLEANSE THE BLOOD AND CURE THE SICK
Invalids, Fathers, Mothers, Physicians, Philanthropists, Read their Effects, and Judge of their Virtues.

**Headache, Sick Headache, Foul Stomach.**

DR. AYER: Sir: I have been repeatedly cured of the worst headache my study can have by a dose of your pills. It seems almost to anticipate the headache, which they never do not. If they will cure others as they do me, their fame is worth knowing.

Yours with good respect, ED. W. PEEBLE,
*Clerk of Supreme Court.*

**Bilious Disorders and Liver Complaints.**

DEPARTMENT OF THE INTERIOR,
WASHINGTON, D. C., Feb., 1856.

DR. AYER: Your Cathartic Pills are my general and hospital practice ever since their introduction, and whether used in the form in which they are now offered, or in the form in which they were at first, I consider them the best aperient and cathartic medicine we have. Indeed, I have seldom found a case of bilious disease in which they did not produce some effect to do us credit.

Respectfully yours, ALONZO DAVIS, M. D.,
*Physician of the Marine Hospital.*

**Dysentery, Relax, and Worms.**

PORTLAND, MAINE, Dec. 20, 1855.

DR. AYER: Your Pills are the physician of my family. They have cured us of Dysentery, Relax, and Worms, that had been sick and pining away for months. What effects followed great exertion, but got no better. She then commenced taking your Pills which cured her, and I, by repeating them, was cured of a chronic cough from her bedside. They afterwards cured her and our two children of bloody dysentery, one of our neighbors had it bad, and my wife cured him with two doses of your Pills, which saved him from the hands of regular doctors' bills, and he took them without being cured entirely given them. Such a medicine as yours, which is actually good and sound, will be prized here.

WM. J. GRIFFIN, *Pulmonist.*

**Indigestion and Impurity of the Blood**

*From the Rev. J. Boyd, Pastor of Advent Church, Boston.*

DR. AYER: I have used your Pills with extraordinary success in my family, and among those I am called to visit in the town. They regulate the organs of digestion and purify the blood, and are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

WARREN, WYOMING CO., N. Y., Oct. 24, 1853.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an efficient purgative to cleanse the system, and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

**Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.**

*From a Prominent Merchant of St. Louis, Feb. 4, 1858.*

DR. AYER: Your Pills are the parents of all that is great in medication. They have cured my little daughter of a disease upon her head and face that had proved incurable for years. Her mother has been long a sufferer from Tumors, which your Pills have cured, and she is afflicted with Salt Rheum, which they have cured for her. After our child was cured she also tried your Pills, and they have cured her.—JOSIAH McMILLIN, Jr.

**Rheumatism, Neuralgia, and Gout.**

*From the Rev. Mr. Dyson, of the Methodist Episc. Church.*

PETERS' HOUSE, SAVANNAH, GA., Jan. 8, 1856.

HONORED SIR: I should be ungrateful for the relief your pills have afforded me if I did not report my case to you. A cold settling in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Your pills have cured me of rheumatism, the disease grew worse and worse, until, to the best of my belief, I was not able to walk a mile. At the urgent request of your agent in Robinson, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

PENATE CHAPEL, BATON ROUGE, LA., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

**For Dropsy, Plethora, or kindred Complaints,** requiring an active purge, they are an excellent remedy.

**For Costiveness or Constipation, and as a Dinner Pill,** they are agreeable and effectual.

**Fits, Suppression, Paralysis, Inflammation,** and even **Deafness,** and **Partial Blindness,** have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a popular pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

## AYER'S CHERRY PECTORAL
FOR THE RAPID CURE OF
### COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. What is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulm
