CAUTION.

THIS IS TO CAUTION any persons or persons from taking or carrying away from Gilbert S. Casey, my Dwelling House and Store in the Third Concession of the Township of Adolphustown, near the Mouth of the Platte, as they hold my property unjustly, and a writ from the Court of Chancery will expose whoever may rent their premises, and seize their goods and chattels for costs and damages.

I also caution all INSURANCE COMPANIES from insuring the above House and Store, because, if they have insured, or do insure, under the circumstances, it will be for no useful purpose.

It is a new and untried article, but one that has stood the test of a ten years' trial before the American people, unrivalled by any similar preparation extant. The testimony in its favor given by the most prominent and well-known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his Agents, satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

AYER'S

CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

Bronchitis, Croup, Whooping Cough, Asthma, and Incipient Consumption.

Hiram Conkling, M. D., of Auburn, N. Y., writes, Jan. 1856:—"I have a patient in Boston, who I confined to his house six weeks; took many medicines without relief; finally tried your Cherry Pectoral. In three days he was materially better. The first dose broke the fever which had hung upon him for weeks. Two bottles made him completely well. Your pills are the best I can get in my practice, and we cannot buy, and we without fear, know and just what we are giving to our patients."

Asthma or Phthisic, and Bronchitis.

Troy, Montgomery Co., Feb. 4, 1856.

Sir: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of incipient consumption, and is now curing a young man who has been under my care for the lungs for the last five years. HENRY L. PAYNE, M.D.

A. A. RAMSEY, M.D., Agent, Morrisville, Co., Iowa, writes, Sept. 6, 1855: "Having by practice of many years found Ayer's Cherry Pectoral the best expectorant for giving ease and relief in consumptive patients, or curing such as are curable."

We might add volumes of testimony, but the most convincing proof of the virtues of this remedy is found in its effects. Ask your friends.

Consumption.

Probably no one remedy has ever been known which cures so many and such distressing cases as this. Some are known and can reach, but even to those the CHERRY PECTORAL affords relief and comfort.

Albany House, New York City, March 3, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my child. She began her sickness laboring under the dangerous symptoms of Consumption, from which she was advised to resort to cod liver oil for relief. She was steadily growing worse, and Dr. Strong, of this city, was one of physicians called in to attend her. He said she was in the last stage of the disease. We then thought of your medicine. We then thought of your medicine. We then thought of your medicine. We then thought of your medicine. She has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and is fast forward well.

Yours with gratitude, ORLANDO SHERIL, of Saugerties.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. This preparation is composed of the most active medicinal principles of the vegetable kingdom, and is the most powerful and decisive remedy for all pulmonary complaints. It may be relied on as a sure cure for all those diseases of the lungs and throat which are not beyond the reach of human skill. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the testimony of their personal friends, that my Preparations experience instantly to the relief of many afflicted, suffering beings.

The Agent below named is prepared to furnish gratis my Almanac, containing directions for their use and testimonials of their cures of the following complaints:—

Consumption, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul stomach, Nausea, Indigestion, Morbid Inactivity of the Bowels and Dyspepsia (Dyspepsia, Liver Complaint, Want of Appetite, Costiveness, Jaundice, Dizziness, Sick Headache, Colic, Inflammation of the Bowels and Dysentery, Dysentery, Rheumatism, Gout, Neuralgia, Tic Doloureux, Erysipelas, Scrofula, or King's Evil, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Mercurial Disease, Dropsy, Dropsy of the Chest, Female Complaints, Suppression, Prolapsus, Whites, Leucorrhœa, Inflammation and Ulceration of the Kidneys and Bladder, Diseases of the Urinary Organs, Gravel, Stone in the Bladder, Diabetes, Dyspepsia, Costiveness, Piles, Dropsy, Scrofula, Scurvy, Ringworm, Erysipelas, Rheumatism, Neuralgia, Tumors, Tetter, Salt Rheum, Scald Head, Female Complaints, Liver Complaint, Jaundice, Dropsy
