## The Liver Invigorator.

PREPARED by Dr. SANFORD, the Great Scientific Medical Discovery, and is daily working Cures almost too great to believe. Taken at any age, even the first dose giving benefit, and seldom more than one bottle required to effect a cure. Sufferers from Liver Complaint, Dyspepsia or Costiveness, in all of which are the result of a diseased Liver.

The Liver is one of the principal regulators of the human body; when its functions are fully developed almost every disease is the result of its derangement. Diseases of the Liver are numerous, the bowels are sometimes affected in some cases, in others the Lungs suffer in consequence. The Liver being the principal regulator, and when it gets the power of the system. The stomach is dependent on the healthy action of the Liver for the proper performance of its duties. When the stomach fails, the bowels are affected, and the whole economy of one organ ceased to do its duties, that organ one of the most important in the body, in a practicality years to find some counteract the many ills to which it is liable.

To prove that this remedy is at last found, we challenge the world to produce a bottle, and we will prove to any of the Liver Invigorator, which is soluble for the medicine. There is no compound has been formed by discovering gums and extracts which is soluble for the active virtues of gums remove a mortified system, supplying the medicine. There is no compound has been formed by discovering gums and extracts which is soluble for the active virtues of gums remove a mortified system, supplying the vital principle, invigorating food to digest blood, giving tone and vigor, removing the cause of the disease, and effecting a radical cure without any of the disagreeable effects of Calomel or Mercury resorted to.

One dose after each meal is sufficient to remove the food from the stomach and prevent the food from fermenting.

Dyspepsia.

Only one dose taken before retiring prevents nightmare.

Only one dose taken at night loosens the bowels gently, and cures costiveness.

One dose taken a day cures Dyspepsia.

One dose taken after each meal will cure Sick Headache.

One bottle taken for two teaspoonfuls will always relieve Sick or Headache.

One bottle taken for female obstruction removes the cause of this disease, and makes a perfect cure.

Only one dose immediately relieves Cholic.

One dose often repeated is a sure cure for Cholera Morbus, and a preventative of Cholera.

One dose taken often will prevent the incidences of bilious attacks, while it relieves all painful feelings.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for Jaundice removes all yellowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose often repeated cures Chronic Diarrhœa in its worst form, while summer and bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by worms, while for worms in children, there is no surer, safer or speedier remedy in the world as it never fails.

There is no exaggeration in these statements, they are plain matter fact, what we can give evidence to prove, while all who use it are giving their unanimous testimony in its favor.

Among the hundreds of Liver Remedies now offered to the public, there are none we can so fully recommend as Dr. Sanford's Liver Invigorator, so generally known throughout the Union. This preparation is truly a Liver Invigorator, producing the most happy results on all who use it. Already innumerable certificates have been given of the great virtue of this medicine by those of the highest standing in Society, and we know it to be the best preparation now before the public.—Hudson County Democrat.

NEW ENGLAND STATES

In One Year.

THE Restorative of Prof. O. J. Wood, for Restoring Hair to Perfectly and Permanently, has never yet had a rival; volume after volume might be given from all parts of the world and from the most intelligent to prove that it is a perfect Restorative; but read the circular and you cannot doubt; read also the following.

IF The Hair—People have for centuries been afflicted with bald heads, and the only remedy, heretofore known, has been those abominable wigs. By a recent discovery of Professor Wood there articles are being last disposed of with, but a great many persons still patronize them, because they have been so much imposed upon by Hair Tonics of different kinds. To all such persons we earnestly make the request, that they will try once again, for in Wood's Restorative there is no such thing as fail. We know a lady who was bald, who used the article a short time, and her head is now covered completely with the finest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out, which restored to greater perfection than it ever had been before.

It is also without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the greatest luxury to all who like hair is hair to.

It is the duty of every one to improve their personal appearance though some may differ in regard to the ways of doing it; but every one will admit that a beautiful head of hair, either in man or woman, is an object much to be desired, and therefore no means that should be left untried to obtain such a consideration.—Woman's Advocate, Philadelphia.

Cochecton, Ohio, Nov. 17, 1856.

O. J. Wood & Co.—Sirs: As I have been engaged in selling your Hair Restorative the last season, for one of your local agents (R. M. Dickinson) and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio, or some State in the West should you wish to make such an arrangement, as I am convinced there is nothing equal to it in the United States, for restoring the Hair. I have been engaged in the Drug business for several years, and have sold various preparations for the hair, but have found nothing that restores the secretive organs or invigorates the scalp as well as yours, being fully convinced that your restorative is what you represent it to be, I would like to engage in the sale of it, for I am satisfied it must sell. Yours truly,

S. T. STOCKMAN.

Wayland, Mass., Feb. 5, 1857.

Prof. O. J. Wood & Co.—Gents: Having recalled the good effect of your Hair Restorative, I wish to state, that finding my hair growing thin, as well as gray, I was induced from what I read and heard, to try the article prepared by you, to promote its growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three bottles. Yours &c.,

JAMES FRANCIS.

Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking of Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or webs before the Sight, Fever & Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin, and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imagining of Evil and great Depression of spirits.

The proprietor, in calling the attention the public to this preparation, desires with a feeling of the greatest confidence in its virtues and adaptation to the diseases for which it is recommended.

It is a new and varied article, but one that has stood the test of a ten years' trial before the American people, unrivalled by any similar preparation extant. The testimony in its favor given by the most prominent and well known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his agents, satisfies the most skeptical that the remedy is really deserving the great celebrity it has obtained.
