The Liver Invigorator.

PREPARED by Dr. Sanford, the Great Scientific Medical Discoverer, and is daily working cures almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle effects a cure for any kind of Liver Complaint from the Jaundice or Dyspepsia, to a common headache, all of which are the result of a Diseased Liver.

The Liver is one of the principal regulators of the human body, and when it performs its functions well, the powers of the system are fully developed, and the health of man is perfect. The stomach is the great laboratory, and the liver is the principal agent employed to do its duty; but when any other organ of the system fails to do its duty, the liver becomes deranged, and the whole system is out of order. The stomach is at fault, and the whole system is deranged, and the liver is the organ employed to do its duty; but when any other organ of the system fails to do its duty, the liver becomes deranged, and the whole system is out of order.

Dyspepsia is the result of a Torpid Liver—having for its diseases as prominent symptoms as any other disease, and as severe in its effects upon the system as any other disease, and yet it is a disease which can be cured by the use of the Liver Invigorator.

To prove that this is the truth, we will pay our readers any person who is troubled with any of the diseases of the liver, or any of the diseases arising from a diseased liver, we will pay the person who will prove it to be false, the sum of $1000 in cash.

A compound has been formed by combining such ingredients as are known to be the most efficacious in the cure of Liver Complaint, and yet so mild in their effect as to be taken by the most delicate without fear of injury to the constitution, and so pleasant to the taste as to be taken by the most fastidious without the slightest objection. These pills are not to be confounded with those pills which are so much puffed, but are a regular physic, and are warranted to give satisfaction in every case where they are used.

One dose after meals relieves the Stomach and Bowels, and prevents sickness and vomiting.

One pill taken before retiring prevents nightmare.

One pill taken at night loosens the bowels gently, and cures costiveness.

One dose taken after each meal will cure Dyspepsia.

One dose of two teaspoonfuls will always relieve Sick-Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Cholic.

One dose often repeated is a sure cure for Cholera Morbus, & Cholera.

One dose taken of this will prevent the recurrence of bilious attacks, while it relieves all painful feelings.

Only one bottle is needed to throw out of the system the effects of medicine after a long course.

One bottle taken for Jaundice removes all yellowness from the skin, and a clear from the skin.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose often repeated cures Chronic Diarrhœa in a few weeks, while summer complaints yield almost to the first dose.

One or two doses posted cures attacks caused by worms, while in children, there is no surer, safer or speedier remedy in the world as it never fails.

There is no exaggeration in these statements they are plain sober facts, that we can give evidence to prove, while all who use it are giving their unanimous testimony in its favor.

Among the hundreds of Liver Remedies now offered to the public, there are none we can so fully recommend as Dr. Sanford's Invigorator, so generally known throughout the Union. This preparation is truly a Liver Invigorator, producing the most happy results on all who use it. Almost innumerable certificates have been given of the great virtue of this medicine by those of the highest standing in Society, and we know it to be the best preparation now before the public.—Hudson County Democrat.

THE Restorative of Prof. O. J. Wood, for Restoring hair perfectly and permanently, has never yet had a rival; volume after volume might be given from all parts of the world and from the most intelligent to prove that it is a perfect Restorative; but read the circular and you cannot doubt; read also the following.

☞ The Hair.—People have for centuries been affected with bald heads, and the only remedy, heretofore known, has been those abominable wigs. By a recent discovery of Professor Wood these articles are being fast discarded with, but a great many persons still patronize them, because they have been so often imposed upon by Hair Tonics of different kinds. To all such persons we earnestly make the request, that they will try once again. Dr. Wood's Restorative there is no such thing as fail. We know a lady who was bald, who used the article a short time, and her head is now covered completely with the finest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out, which it restored in greater perfection than it ever had been before.

It is also without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the greatest enemy to all the ills that hair is heir to.

It is the duty of every one to improve their personal appearance though some may differ in regard to the ways of doing it; but every one will admit that a beautiful head of hair, either in man or woman, is an object much to be desired, and therefore no means that should be left untried to obtain such a consideration.—Woman's Advocate, Philadelphia.

Cochorton, Ohio, Nov. 17, 1856.

O. J. Wood & Co.—Gents: As I have been engaged in selling your Hair Restorative the last season for one of your local agents (R. M. Hackinson,) and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio, or some State in the West should you wish to make such an arrangement, as I am convinced there is nothing equal to it in the United States, for restoring the Hair. I have been engaged in the Drug business for several years, and have sold various preparations for the hair, but have found nothing that restores the secretive organs or invigorates the scalp as well as yours, being fully convinced that your restorative is what you represent it to be, I would like to engage in the sale of it, for I am satisfied it must sell. Yours truly,

S. T. STOCKMAN.

Wayland, Mass., Feb. 8, 1857.

Prof. O. J. Wood & Co.—Gents: Having realized the good effects of your Hair Restorative, I wish to state, that finding my hair growing thin, as well as gray, I was induced from what I read and heard, to try the article prepared by you, to promote its growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three bottles. Yours &c.,

JAMES FRANCIS.

In the growth of the Beard, Whiskers, Eyebrows, and Mustachios, it is unfailing in its stimulative operation. For Children it is especially recommended as forming the basis of a beautiful head of hair.—Price 3s. 6d. and 7s.; Family Bottles (equal to 4 small), 10s 6d.; and double that size, 21s.

Note Label.—To prevent the substitution of Spurious Imitations for the genuine article, by unprincipled Shopkeepers, a Note Label from Steel, by Messrs. Perkins, Bacon & Co., of London, is now used, which cannot be forged. The subjoined is a small copy in outline of a portion of the Label, as it appears round the bottle.

Another portion contains the signature of the Proprietors in red ink,

WONDERFUL COINCIDENCE

All Nations of the same Mind!

HOLLOWAY'S OINTMENT.

The anniversary of the introduction of Holloway's Ointment ought to be a jubilee forever. It has saved countless multitudes from disfigurement, paralyzation, mutilation, agony and death. Starting from the surface to which it is applied, its healing balm finds its way through every coating and ligament of the body, to the very source and basis of all eruptive, ulcerous, tumorous and cancerous diseases. It extinguishes the febrile principle that feeds them, and the outward symptoms fade, heal and pass away with a rapidity incredible to those who have not witnessed it.

Scrofula, Eruptions and Ulcers.

The poison of Scrofula has never been neutralized or expelled by any of the remedies of the pharmacopœia. The Sole Antidote to this virulent and destructive element, is Holloway's Ointment. Majendie & Bedel, the great French and English surgeons, do not deny or dispute this great fact. There is no form of scrofula that may not be controlled and cured by this balsam remedy.

Cancers and Tumors.

The knife or caustic may remove a cancer or tumor, but the seeds of the terrible excrescence remain in the blood, and it is soon reproduced in a worse form than before. Holloway's Ointment, on the contrary, penetrates into the circulation, and pervades every infected vesicle and kills the disease by destroying the corrosive principle that generated and sustains it.

Inflammations of the Skin.

All rashes and eruptions, as well as ERYSIPELAS, ACNE, RINGWORM, CARBUNCLES, SCALD HEAD, SALT RHEUM, LEPROSY, PRICKLY HEAT, &c., are removed by a few brisk applications of the Ointment.

ACCIDENTAL INJURIES.

WOUNDS, SPRAINS, BRUISES, SCALDS and BURNS are immediately relieved by its application. The inflammation quickly subsides, fever and lockjaw are prevented, and under a preserving use of the preparation, the process of healing is soon accomplished.

Both the Ointment and the Pills should be used in the following cases:

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ringworm,	Sores of all kinds
Chapped Hands,	Salt Rheum,	Sprains,
Chilblains,	Scalds,	Stiff Joints,
Fistula,	Skin Diseases,	Tetters,
Gout,	Swollen Glands,	Ulcers,
Lumbago,	Sore Legs,	Venereal Sores,
Mercurial Eruptions,	Sore Breasts,	Wounds of all kinds
Piles,	Sore Heads,

A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.
