MONTREAL, Feb. 13th, 7 P. M.

The morning papers agree in stating that the Hon. M. Cameron has been deputed by a number of merchants, anti-Annexationists of Toronto, to proceed to Washington to urge the reciprocity question. He carries with him strong letters of recommendation to Sir H. Bulwer from Lord Elgin.

The brig Minerva stranded on Fire Island, at 2 a. m. on the 10th inst. Cargo and four lives lost.

Further news by the Europa.

ASHES MARKET—LONDON.—Candian sorts dull of sale, and transactions cannot be effected except at low rates.

LIVERPOOL.—Sales 200 bbls at prices not transpired.

Lord John Russell had issued a circular to the supporters of the Government, calling on them for a full attendance on the opening of Parliament.

Lord Essex was to propose and Lord Methoeun to second the address in reply to the Queen's speech.

Arrangements were made at Hull for the in the ensuing Spring and Summer, many thousands of German Emigrants to Liverpool for transhipment to America and Australia.

Steps are about to be taken to get up a Public Meeting of the Ship Owners, Ship Builders and other inhabitants of Sunderland, to petition Parliament immediately to Repeal the existing Timber Duties.

The *Gazette* of Friday, contains an order in Council, granting the extension of the Navigation Act of last Session to the Island of Trinadad.

IRELAND.—*Repeal.*—The Rent for the week, ending Monday, amounted to £12 4-.

Mr. O'Connell announced that he had no intention of resigning his Seat until the Electors of Limerick were prepared with a stauch Repealer to occupy his place.

DREADFUL OCCURRENCE—TWENTY-NINE LIVES LOST.—On Tuesday night a Fire broke out at the Kilkenny Work House, which was very destructive to human life. About 11 o'clock at night, it was first discovered, and the cries of the wretched inmates from the windows for assistance to save them from the most terrible of all deaths, were truly appalling. Twenty-eight persons were almost instantly killed, and as many more frightfully mutilated.

INDIA AND CHINA.—There are again rumors of hostilities, though on a very small scale, on out North West Borders. Dr. Campbell, Superintendant of the Sanatarian at Dajeeling having proceeded on a scientific tour with Dr. Hooker the Naturalist, to the Hymays and had approached so nearly the forbidden frontier, and both were imprisoned by the Rajah Sikkime, a petty mountain chief. The grounds of the seizure are not well understood.

From Peshayer we learn that a military force was about to be despatched into the Yoosoofiza country, to chastise some refractory tribes who had refused to pay the revenue. Rumors were prevalent of certain of the Bengal Regiments refusing to cross the Sutlege, unless promised extra allowances; and Sir C. Napier was said to be preparing to put down mutiny at once, by the strong hand, should it make its appearance. The Maharajh Gooldab Sing is carrying on a system of the most cruel oppression amongst his Cashmerian subjects.

Letters from Lahore mention the discovery of a conspiracy among the Sikhs, having for its object the carrying off the young Maharajah, during the absence of the troops at the review, by the Governhr General. The conspirators have been arrested—25 lacs of treasure, and the rest of the Sirdars under arrest, are to be sent to Calcutta. His Excellency the Gov. General is greatly improved in health. The Marchioness it is understood is coming home.

Sir C. Napier does not intend to give up his command until his time shall expire.

The news from China is unimportant.

RUSSIA.—The financial affairs of the Russian Government are supposed to be in a sinking condition. The Czar had given order for the sale of £2,000,000 sterling, of stock in the French funds. A similar order had been sent to London. The government had taken measures for the stoppage of all public works in the spring, and the placing of all possible financial resources at the disposal of the Minister of war at St. Petersbugh.

THE COLONIAL
Life Assurance Company,
Empowered and Registered under Act of Parliament 7 and 8 Vic., cap. 110.

CAPITAL £500,000 STERLING.

GOVERNOR:

THE RIGHT HON. THE EARL OF ELGIN AND KINCARDINE, GOV.-GENERAL OF CANADA, &c., &c. &c.

HEAD OFFICES:

Edinburgh,	1, George Street.
London,	4, Lothbury.
Glasgow,	35, St. Vincent Place.
Montreal,	45, Great St. James-st.

THE success which has attended the operations of the Colonial Life Assurance Company testifies how greatly such an institution was required, and how much it has been appreciated.

In British North America the Company has been received by all classes in the most satisfactory and welcome manner, and the numbers who have connected themselves with it by Assurance, show how very much such an Institution on a broad and liberal basis was required.

The capital of the Company gives complete security for all its transactions; and parties dealing with the office incur none of the risks of Mutual Assurance.

The Rates adopted have been framed after a most careful and searching inquiry as to the value of life in different countries, and the directors are confident they have adopted as moderate a scale as can be held compatible with safety.

Progress of the Company.—The Colonial commenced business in 1846, and the result which has attended its operation fully bears out the anticipations of success which its founders entertained. The Company have granted Assurances, during the past two years alone, to the extent of £300,000 sterling.

Division of Profits.—The Directors look forward with confidence to a very favorable result at the first Division of Profits in 1854, and persons assuring before 25th May 1850, will participate in that Division to the extent of five years' claim for bonus.

The powers of the Board in Montreal being absolute for the disposal of business, gives to the Colonial all the facilities of a Company essentially local; and combined with the additional advantage of a large Guaranteed Capital, affords the most perfect security in all Assurance transactions.

The Annual Report of the Company, together with the Prospectus, and every other information, can be obtained on application to the Manager, or to any of the Agents of the Company,

By order of the Directors,

A. DAVIDSON PARKER,
Manager for Canada.
