New Discoveries in Daguerreotype!

MESSRS. CRERAR beg leave to intimate, that, in the course of various experiments, they have discovered a method of producing a perfectly *new* and *unique* style of DAGUERREOTYPE PORTRAITS, which, they flatter themselves, will meet the approbation of those who have a taste for the chaste and beautiful in the designs of Art.

Messrs. C. deem it unnecessary to say more in commendation of these Pictures, as specimens can be seen at their Rooms, (Lambton House,) at any time from nine morning till five afternoon.

As Messrs. C intend closing the Daguerreotype business in the course of a few weeks, preparatory to commencing their DANCING CLASSES, they solicit the patronage of their friends and the public, and request an early call.

OF GREAT IMPORTANCE
To the Public.

SEEING so many puffing representations about Medicines in the papers, the Subscriber thought he should not advertise, but do all the good he could for suffering humanity silently, but was blamed for not making his invaluable Medicine more generally known. He therefore now publicly complies with his friends' requests, to inform the Public, far and near, that he is fully competent to practice the new system of cure got up in England and other Nations, called the HYDROPATHIC and BOTANIC MEDICINES, which, if properly applied, are calculated to cure every disorder in human nature.—During the last calamity by Cholera, these Medicines were proved to be effectual by many living witnesses in this city and country, and since that time many others having old settled complaints, pronounced incurable, were cured; and persons afflicted with any of the following complaints are confidently requested to try this medicine. Cholera, Black Vomit, Black or Yellow Fever, Dropsy, Fevers of any kind, Rheumatic Gout, or pains, inflammation, dysentry, costiveness, piles, general debility, nervousness, apoplexy, fits of any kind, flow of the blood to the head, jaundice, hooping cough, worms in young and old, tapeworm, consumption at a certain stage, Liver complaint, Ague, its remains, Dizziness in the head, Croups or Blotches, Erysipelas, Enlargement of the heart, Female complaints of every kind, Bilious Complaints, Sprains or Sores Cancer, Scurvy, and all others too numerous to mention.
