PARLEY'S COURT OF DEATH.

THE most elaborate and noted work of Art ever painted by an American Artist, is the *'COURT OF DEATH'* by REMBRANDT PEALE. This painting covers 312 square feet of canvas—contains 23 Life Size Figures, and has never been valued at less than

25,000 Dollars.

It has been gazed upon with admiration and delight by tens of thousands. The subscriber has purchased the painting, and issued a splendid

CHROMO LITHOGRAPHIC ENGRAVING of it, presenting a perfect FACSIMILE COPY of the original painting, WITH ALL ITS BEAUTIFUL COLORS.

The size of the Engraving is 23 by 31 inches, and the price ($1) for which it is offered, is only one-fifth the usual price of similar works—100,000 being issued—instead of 5,000, the usual number. The home of every family in the land, should be adorned with this picture, as, besides its beauty as an ornament, the lesson it teaches, illustrating the evils of Intemperance and War, and the end of a good—a Christian Life, are invaluable. Mr. Peale says of the Engraving: 'I can certify that it is an accurate and admirable copy of the Original Painting.' Testimonials without number, have been received from distinguished Clergymen in praise of the Engraving. Many who received it, say they would not part with it for ten times its cost, if they could not procure another.

Clergymen and Church Societies supplied in quantities of not less than 10 copies at a time, at very liberal terms.

Terms for one copy, $1 and four letter stamps, or 5 copies for $4 without stamps. For a letter of Agency stating special terms, and 1 copy, $1 and 4 letter stamps, and in strong cells by return mail, with a description. If $4 or more is sent in a letter, get a draft, or have the letter registered. Write the Name, Town, County or State plainly. Address

MRS. WINSLOW

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP! FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, softening the gums, reducing all inflamation—will allay ALL PAIN and spasmodic action, and IS SURE TO REGULATE THE BOWELS.

Depend upon it mothers, it will give rest to yourselves and RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects and medical virtues.—We speak in this matter 'WHAT WE DO KNOW,' after ten years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the little sufferer is suffering from pain and exhaustion, relief will be found in about fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most experienced nurses in England, and has been used with never-failing success in thousands of cases.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

SHIVERING IN THE BOWELS AND COLIC,

and overcome convulsions, which, if not speedily remedied, ends in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has used any of the foregoing syrups, that our confidence in its efficacy and virtues is not less than your own, and that we can say in confidence to every other mother, that we can recommend this as the most pleasant, safest, and surest remedy in the world, that will ALMOST INSTANTLY RELIEVE PAIN, and SPEEDILY REMEDY DISEASE in children, of whatever age they may be, when the directions accompanying each bottle are strictly adhered to. This invaluable article is the prescription of one of the oldest and best female physicians in the United States, and has been used in the nursery for more than five years, during which time it has proved itself to be the safest, surest, and best medicine in the world in all cases where it is required to be used. Never stands in need of a second recommendation to those who have once used it. Never fails to produce the most happy effects when administered according to the directions. Never leaves the slightest injurious effect upon the constitution, even of the most delicate child. Never, in a single instance, has it been known to produce the slightest pain, except the pain from which the child suffers is that attendant upon disease. Never has it been known to produce vomiting, even in the most sickly children. Never has it been known to produce costiveness, even when given every day for a long time. Never has it been known to produce mortification of the gums, even when used to excess. Never has it been known to produce any other than the most beneficial effects upon the constitution, even when used in the most extensive and injudicious manner. Never has it been known to produce any other than the most happy effects upon the tender infant, even when used in the most extensive and injudicious manner. Never has it been known to produce any other than the most happy effects upon the tender infant, even when used in the most extensive and injudicious manner.
