POLICE COURT, Monday.—There was an uninteresting lot of prisoners this morning. Two women, Mary Shepherd and Margaret Connolly, were brought up for vagrancy, having been taken from a barge on Sunday afternoon. The former, whose friends live in Orleans County, N.Y., has put in seven months at the Common Gaol, being recommitted as soon as released each time. She only got out on Thursday last and her companion on Saturday. They were both remanded to the cells, in order to procure passes to send them to their homes. James Butler, just out of gaol also, was fined $2, in default of payment to be committed, for drunkenness. A pedlor of jewellery calling himself Edward Dogherty, was charged with passing base coin at the clothing store of Mr. Thomas Moore, on Saturday night. In paying the purchase money of a vest, he slipped a leaden English shilling among the rest of the silver. When the fraud was discovered, Dogherty was not to be seen, and on being stopped in the street this morning, denied ever having had the bad money in his possession. A good deal of money was found on his person, but none of it was counterfeit. He was remanded until the afternoon, in order to discover if he had any friends who could vouch for his honesty. He gave his name at the hotel as Walker—a very suspicious incident. The prisoner was discharged in the afternoon, nothing being found on his person to signify that he was a professional sharper.

KINGSTON COMMERCE AND MARINE.

Marine matters are very slack just now, and within the last week there has been no stir along the wharves. The prediction of a good many forwarders and others, that the season would not be over prosperous, seems to be verified. However there are lots of time for business to set in, for the grain has hardly commenced to arrive, or the timber to be rafted from the lumber districts. As these are the heaviest portions of our trade, their loss is much felt just now.

The Royal Mail steamer Kingston passed down on Sunday morning; and the Champion up the same evening. The steamer Bay State, of the American Express Line, called regularly on Sunday morning going downwards, and again last night bound upwards. The steamer Bytown, of Dickinson's Line, arrived from Ottawa on Sunday, and left for the Canal at noon yesterday. The propeller Avon passed down on Sunday morning. The steamer St. Helen, from Trenton to Montreal, called last night.

Reported at the Custom House:—INWARDS—Schooner Australia, Gananoque, light; propeller Magnet, St. Catharines, general cargo for Montreal; propeller City of London, Port Stanley, general cargo for Montreal; tug Advance, Montreal, towing barge Burgess; tug Swan, Bedford Mills, towing five barges loaded with 60,000 hop poles, G. Chaffey & Bros; schooner Jessie McDonald, Wellington, 5,500 bushels peas, 33 barrels flour, J. H. Henderson & Co; tug Frances, Rideau Canal, towing three barges with iron ore and lumber. OUTWARDS—Schooner Jessie Brown, Milford, sundries; propeller Avon, Montreal, general cargo; propeller City of London, Montreal, general cargo; propeller Magnet, Montreal, general cargo; tug Advance, Trenton, towing barge Burgess; barque John Rae, Toronto, 170 cords firewood, Myles & Co.

THE RAILWAY.—On last Tuesday, the first sound of the whistle for this season was heard on the Cobourg and Peterborough Railway. Mr. Daintry has lost no time in fitting up cars and putting the railway in repair. We are informed that there is a larger quantity of lumber to come over the road this year than come over it last year, and that notwithstanding the efforts made by Covert & Co. to divert the trade from Cobourg, the road will have as much, if not more, of the Peterborough trade as it had last season.—Cobourg Sentinel.

PROF. VELPANI.

Who is PROF. VELPANI? He was a man of obscure birth, but he has given the world a Remedy for bald heads and grey hairs, that will make his name immortal. Hair Restoratives are multiplying on every hand, but the great desideratum is to find an article that will accomplish the purpose for which it is designed without a thick, unpleasant and offensive sediment.

Prof. Velpani has discovered a method of dissolving the ingredients, and holding them in solution, so that there shall be no deposit, and yet without destroying the essential properties of any of the ingredients. It is pleasantly perfumed, may be used at any time, is a splendid hair dressing without oil, and absolutely prevents the hair from falling off or turning premature grey.

DARLING'S Liver Regulator AND Life Bitters,

Are pure vegetable extracts. They cure all bilious disorders of the human system. They regulate and invigorate the liver and kidneys; they give tone to the digestive organs; regulate the secretions, excretions and exhalations, equalize the circulation, and purify the blood. Thus all bilious complaints—some of which are Torpid Liver, Sick Headache, Dyspepsia, Piles, Chills and Fevers, Costiveness or Looseness—are entirely controlled and cured by these remedies.

DARLING'S LIVER REGULATOR

Removes the morbid and bilious deposits from the stomach and bowels, regulates the liver and kidneys, removing every obstruction, restores a natural and healthy action in the vital organs. It is a superior

FAMILY MEDICINE

Much better than pills, and much easier to take.

DARLING'S LIFE BITTERS

Is a superior tonic and diuretic; excellent in cases of loss of appetite, flatulency, female weaknesses irregularities, pain in the side and bowels, blind, protruding and bleeding piles, and general debility.

READ THE FOLLOWING TESTIMONY:

James L. Brawley, merchant, 84 Fulton street, New York, writes August 18, 1860:—"I have been afflicted with piles accompanied with bleeding, the last three years; I used

DARLING'S LIVER REGULATOR AND LIFE BITTERS

And now consider myself entirely cured."

Hon. John A. Cross writes, "Brooklyn, March 15, 1866. In the spring of 1859 I took a severe cold, which introduced a violent fever. I took two doses of

DARLING'S LIVER REGULATOR

It broke up my cold and fever at once. Previous to this attack, I had been troubled with Dyspepsia several months; I have felt nothing of it since."

Otis Studley, Esq., 138 East 28th street, N. Y., writes: "August 15, 1860.—I had a difficulty with Kidney Complaint three years, with constant pain in the small of my back, I had used most all kinds of medicines, but found no permanent relief until I used

DARLING'S LIVER REGULATOR AND LIVER BITTERS

I passed clotted blood by the urethra. I am now entirely cured, and take pleasure in recommending these remedies."

Mrs. C. Tebow, 11 Christopher street, N. Y., writes: "Feb. 20, 1860.—I have been subject to attacks of Asthma the last twenty years. I have never found anything equal to

DARLING'S LIVER REGULATOR

in affording immediate relief. It is a thorough Liver and bilious remedy."

Mrs. Young, of Brooklyn, writes, "February 28, 18 0.—In May last I had a severe attack of Piles, which confined me to the house. I took one bottle of

DARLING'S LIFE BITTERS

and was entirely cured. I have had no attacks since."

D. Westervelt, Esq., of South 5th, near 8th Street, Williamsburg, L. I., writes: "August , 1860.—Having been troubled with a difficulty in the Liver, and subject to bilious attacks, I was advised by a friend to try

DARLING'S LIVER REGULATOR.

I did so, and found it to operate admirably removing the bile and arousing the liver to activity. I have also used it as a

FAMILY MEDICINE.

When our children are out of sorts, we give them a few drops and it sets them all right. I find it meets the general wants of the stomach and bowels when disordered."

AGUA DE MAGNOLIA.

A toilet delight. Superior to any Cologne, used to bathe the face and person, to render the skin soft and fresh, to allay inflammation, to perfume clothing, for headache, &c. It is manufactured from the rich Southern Magnolia, and is obtaining a patronage quite unprecedented. It is a favorite with actresses and opera singers. It is sold by all dealers, at $1,00 in large bottles, and by DUPAS BARNES & Co., New York, Wholesale Agents.

"Jes' so!"—"Exactly!"—Solon Shingle said; they were there "every time." If he felt "owlish" in the morning, he took Plantation Bitters; if he felt weary at night, he took Plantation Bitters; if he lacked appetite, was weak, languid or mentally oppressed, he took Plantation Bitters; and they never failed to set him on his pins square and firm.

Few persons want any better authority; but as some may, just read the following:

"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.
REV. W. H. WAGONER, Mad'id, N.Y."

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.
REV. G. A. MILLWOOD, New York City.

"* * * I had lost all appetite—was so weak and enervated I could hardly walk, and had a perfect dread of society. * * * The Plantation Bitters have set me all right.
JAMES HEIMINWAY, St. Louis, Mo.

"* * * The Plantation Bitters have cured me of a derangement of the Kidneys and Urinary Organs, that distressed me for years. They act like a charm.
C. C. MOORE, 254 Broadway, N.Y."

Mrs. O. M. DEVOE, manager of the Union Home School for Soldiers' Children, says she "has given it to the weak and invalid children under her charge with the most happy and gratifying results." We have received over a hundred reams of such certificates, but no advertisement is so effective as what people themselves say of a good article. Our fortune and our reputation is at stake. The original quality and high character of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village, parish and hamlet among civilized nations. Base imitators try to come as near our name and style as they can, and because a good article cannot be sold as low as a poor one, they find some support from parties who do not care what they sell. Be on your guard. See our private stamp over the cork.

OVER A MILLION DOLLARS SAVED!

Gentlemen:—"I had a negro man worth $1,200 who took cold from a bad hurt in his leg, and was useless for over a year. I had used everything I could hear of without benefit, until I tried the Mexican Mustang Liniment. It soon effected a permanent cure."

Montgomery, Ala., June 17, 1859. J. L. DOWNING.

"I take pleasure in recommending the Mexican Mustang Liniment as a valuable and indispensible article for Sprains, Sores, Scratches or Galls on Horses. Our men have used it for Burns, Sores, Rheumatism, &c., and all say it acts like magic."
J. W. HEWITT,
Foreman for American, Wells, Fargo's and Harnden's Express.

"The sprain of my daughter's ankle, occasioned while skating last winter, was entirely cured in one week, after she commenced using your celebrated Mustang Liniment.

Gloucester, Mass., Aug. 1, 1865. ED. SEELEY."

It is an admitted fact that the Mexican Mustang Liniment performs more cures in shorter time, on man and beast, than any article ever discovered. Families, livery men and planters should always have it on hand. Quick and sure it certainly is.—All genuine is wrapped in steel-plate engravings, bearing the signature of G. W. Westbrook, Chemist, and the private U.S. stamp of DEMAS BARNES & Co. over the top.

An effort has been made to counterfeit it with a cheap stone plate label. LOOK CLOSELY.

It is a most delightful Hair Dressing:
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy.
It prevents hair turning grey and falling off.
It restores hair upon prematurely bald heads.

This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

Who would not be beautiful? Who would not add to their beauty? What gives that marble purity and distingue appearance we observe upon the stage, and in the city belle? It is no longer a secret. Unlike many cosmetics, it contains no material injurious to the skin. Any Druggist will order it for you, if not on hand, at 50 cts, per bottle.
