John Nolan, from Napanee, charged with drunkenness, was fined $2. George Swan, lately from Toronto, was fined $2 for the same offence. Catharine Schofield, a middle aged woman from Brockville, brought up for being drunk, was ordered to be sent home by the cars.

A SPECIAL NOTICE.

FOX'S IRON CLADS!

We are happy to see that Mr. Fox's Piano Fortes are fast becoming the rage in Canada. We see notices of them in very many Provincial newspapers. Among the latest is the following from the Berlin Telegraph, May 11th:—

FOX'S IRON CLAD PIANOS.—On a recent visit to Toronto we had the pleasure of inspecting the large and admirably selected stock of pianos in the establishment of Mr. J. C. Fox, Rossin House Block. These pianos are manufactured in the City of Kingston, and for completeness and durability of make, elegance of finish, and clearness and liquidity of tone, have been proved to be infinitely superior to American Pianos, and certainly not surpassed by the first-class "Steinways" at home. We had no idea that instruments of so truly a superior character could be turned out of any workshop in this country. The peculiar merit of Mr. Fox's Pianos, and from which they get the name, consists in an iron plate adjustment just beneath the sounding board, which very greatly strengthens the parts of the instrument, and imparts a charming brilliancy and fineness to its tone. Mr. Fox has of course has imitators of his improvement, but the imitations, like all counterfeits, lack the "ring of the true metal." When we have said that these Pianos are necessarily the cheapest, we have said all that need be to commend them as an A. 1. parlor instrument.

PROF. VELPANI.

Who is PROF. VELPANI? He was a man of obscure birth, but he has given the world a Remedy for bald heads and grey hairs, that will make his name immortal.—Hair Restoratives are multiplying on every hand, but the great desideratum is to find an article that will accomplish the purpose for which it is designed without a thick, unpleasant and offensive sediment.

Prof. Velpani has discovered a method of dissolving the ingredients, and holding them in solution, so that there shall be no deposit, and yet without destroying the essential properties of any of the ingredients. It is pleasantly perfumed, may be used at any time, is a splendid hair dressing without oil, and absolutely prevents the hair from falling off or turning prematurely gray.

AGUA DE MAGNOLIA.

A toilet delight. Superior to any Cologne, and to bathe the face and person. Its results: the skin soft and fresh, to allay inflammation, to perfume clothing, for headache, &c. It is manufactured from the rich Southern Magnolia, and is obtaining a patronage quite unprecedented. It is a favorite with actresses and opera singers. It is sold by all dealers, at $1.00 in large bottles, and by DYKAS BARNES & Co., New York, Wholesale Agents.

SARATOGA SPRING WATER, sold by all Druggists.

"Jes so!"—"Exactly!"—Solon Shingle said they were there "every time." If he felt "owly" in the morning, he took Plantation Bitters; if he felt weary at night, he took Plantation Bitters; if he lacked appetite, was weak, languid or, mentally oppressed, he took Plantation Bitters; and they never failed to set him on his pins square and firm.

Few persons want any better authority; but as some may, just read the following:

" * * * I owe much to you, for I verily believe the Plantation Bitters have saved my life."

REV. W. H. WAGONER, Mad'n, N.Y.

" * * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me."

REV. C. A. MILLWOOD, New York City.

" * * * I had lost all appetite—was so weak and excitable I could hardly walk, and had a perfect dread of society. * * * The Plantation Bitters have set me all right."

JAMES HEIMINWAY, St. Louis, Mo.

" * * * The Plantation Bitters have cured me of a derangement of the Kidneys and Urinary Organs, that distressed me for years. They act like a charm."

C. C. MOORE, 254 Broadway, N.Y.

Mrs. O. M. DEVOE, manager of the Union House School for Soldiers' Children, says she "has been to the weak and invalid children under her charge with the most joy and gratifying results. We have received over a hundred reams of such certificates, but no advertisement is so effective as what people themselves say of a good article. Our fortune and our reputation is at stake. The original quality and high character of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village, parish and hamlet among civilized nations. Base imitators try to come as near our name and style as they can, and because a good article cannot be sold as low as a poor one, they find some support from parties who do not care what they sell. Be on your guard. See our private stamp on the cork.

OVER A MILLION DOLLARS SAVED!

Gentlemen:—I had a negro man worth $1,200 who took cold from a bad hurt in his leg; art was useless for over a year. I had used everything I could hear of without benefit, until I tried the Mexican Mustang Liniment. It soon effected a permanent cure."

Montgomery, Ala., June 17, 1865. J. L. DOWNING.

"I take pleasure in recommending the Mexican Mustang Liniment as a valuable and indispensable article for Sprains, Sores, Scratches or Galls on Horses. Our men have used it for Burns, Sores, Rheumatism, &c., and all say it acts like magic."

J. W. HEWITT,
Foreman for American, Wells, Fargo's and Harnden's Express.

"The sprain of my daughter's ankle, occasioned while skating last winter, was entirely cured in one week, after she commenced using your concentrated Mustang Liniment.

Gloucester, Mass., Aug. 1, 1865. ED. SEULEY.

It is an admitted fact that the Mexican Mustang Liniment performs more cures in shorter time on man and beast, than any other ever discovered. Families, livery men and jobbers should always have it on hand. Quick and sure it certainly is. All genuine is wrapped in steel-plate engravings, bearing the signature of G. W. Wellington, Chem. &c., and the private U.S. stamp of DYKAS BARNES & Co. over the top.

An effort has been made to counterfeit it with a cheap stone plate label. Look TWICE.

SARATOGA SPRING WATER, sold by all Druggists.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy.
It prevents hair turning grey and falling off.
It restores hair upon prematurely bald heads.

This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

E. THOMAS LYON, Chemist, N.Y.

Who would not be beautiful? Who would not add to their beauty? What gives that marble purity and distinguished appearance we observe upon the stage, and in the city belle? It is no longer a secret. They use Hagan's Magnolia Balm. Its continued use removes tan, freckles, pimples and roughness, from the face and hands, and leaves the complexion smooth, transparent, blooming and ravishing. Unlike many cosmetics, it contains no material injurious to the skin. Any Druggist will order it for you, if not on hand, at 50 cts. per bottle.

SARATOGA SPRING WATER, sold by all Druggists.

Hegeman's inimitable Hair Colorine is not a dye. All instantaneous dyes are compounded of lunar caustic, and more or less dilute the vitality and beauty of the hair. This is the original Hair Colorine, and has been growing in favor over twenty years. It restores gray hair to its original color by gradual absorption, in a most remarkable manner. It is also a beautiful hair dressing. Sold in two sizes—50 cents and $1—by all dealers.

SARATOGA SPRING WATER, sold by all Druggists.

LYON'S EXTRACT OF PURE JAMAICA GINGER—for Indigestion, Nausea, Heartburn, Sick Headache, Cholera Morbus, Flatulency, &c., where a warming stimulant is required.
