... Lend Me Your Ears

LOSS OF HEARING DUE TO NON-AGING FACTORS

Hearing loss due to aging can be compounded by other things. A few of these include noise exposure, disease and ear infections

Hearing loss due to age and noise are cumulative. That is, hearing loss from noise exposure will be added on to hearing loss due to aging. Neither are medically correctable. There is something to be said for protecting the hearing we have left by wearing hearing protectors while doing shop work or target shooting.

Each of us reacts differently to hearing loss. We may totally or partially deny that a problem exists. Typical "denial" statements are "you're mumbling again", or "I was not paying attention" and can be a way of concealing hearing difficulties.

Purpose and Effect of the Official Plan and Zoning Bylaw Amendments

An updated Secondary Plan has been prepared for the Hamlet of Norval which amends land use designations and policies to reflect the Provincial Greenbelt Plan, updated floodplain mapping from the Credit Valley Conservation Authority, the findings of the Halton Peel Boundary Area Transportation Study, and comments received from the Norval community.

The purpose of the Official Plan Amendment No. 20 is to implement the updated Secondary Plan for the Hamlet of Norval.

The purpose of the Zoning By-law Amendment is to update zoning provisions including zoning designations, permitted uses and standards for the Hamlet of Norval in the Town's Comprehensive Zoning By-law (2010-0050 as amended) to correspond with the updated Secondary Plan.

Location of the Lands Subject to the Amendments

The proposed Official Plan and Zoning By-law amendments apply to lands located in the Hamlet of Norval except for the properties known as Lots 11-15, Plan 64 Louisa St., and 16 Adamson St. N, Norval.

The complete Official Plan Amendment and Zoning By-law Amendments are available for inspection in the Planning Development and Sustainability Department during regular business hours, Monday through Friday from 8:30 a.m. to 4:30 p.m. or on the Town's website: http://www.haltonhills.ca/initiatives/Norval_Secondary_Plan.php.

Further enquiries regarding this decision may be directed to the Planning Development and Sustainability Department, located at the Civic Centre, or at (905) 873-2601 Ext: 2253.
