NEWS OF THE DAY.

PEDLER'S LICENSES.—A by-law which has passed the County Council provides that yearly licenses for man and horse to peddle in any part of the County shall in future be granted for $10, being a reduction of $15 on the old standard. All pedlers who engage to pay their licenses in advance for 1867 may peddle free until the 1st of January next.

THE BANK OF UPPER CANADA.—The Toronto Telegraph understands that Mr. T. C. Street has declined to accept the trust under the deed of assignment, and the names of several persons are mentioned as likely to succeed him. Mr. Recorder Duggan, Hon. Wm. Mcd. Master, Mr. Brown and Mr. Blakie are in the field. All the prominent counsel at the Chancery Bar are being retained by the directors of the Bank of Upper Canada. Mr. Strong Q. C., Mr. Crooks, Q. C., and Mr. Blake, Q. C., are said to have received fees.

AT NELLIGAN'S.—Mr. Nelligan, of Ontario Street, opposite the City Railway Depot, is selling delicious can oysters at 40 cents. They are pronounced excellent by epicures. Who can't have oysters now? Nelligan has also on hand a large winter supply of apples in barrels, oranges and lemons in boxes, with everything else abundant in his line, and is constantly receiving from the best markets in the trade. He will ensure perfect satisfaction, so give him a call.

APPOINTMENTS IN THE OFFICIAL GAZETTE.

By special telegram from Ottawa, per Provincial Line, we learn that the Official Gazette of Saturday contains the promotion of Capt. George Seale, late of the 14th Battalion Rifles, Kingston, but more recently Captain of one of the Ottawa Rifle Companies, to be Major of the 43 d Battalion Carleton Volunteer Infantry. Major Seale is a good and efficient officer, and deserves this mark of appreciation for his past services.

W. F. Powell, Esq., M.P.P., has been appointed Sheriff of the County of Carleton, in the place of Simon Fraser, Esq., deceased.

Lieut. Col. Dennis, Brigade Major, has been acquitted of cowardice at Fort Erie on the 2nd of June last, in the proceedings of the Court of Enquiry, which are now made public.

The resignation of Dr. Orlando S. Strange, Surgeon 1st Frontenac Cavalry, is accepted.

The discount on American Invoices is declared to be 27 per cent.

CONFEDERATION.—Intelligence received from England is to the effect that the Lower Province delegates are about to return, having come to a favorable understanding in reference to Confederation. There will be no difficulty about funds for the construction of the Intercolonial Railway. Some discussion may arise concerning the allowance to Prince Edward Island; but it is expected that also will be satisfactorily arranged.

POOR RELIEF AND CITY MISSION.—The annual public meeting of this Benevolent Association of Ladies is to be held in the City Hall this evening at half-past seven, when interesting particulars of the past year's operations may be expected. The public are cordially invited.

TO THE CLERGY AND CHARITABLE PEOPLE OF KINGSTON.—Are there not Orphanages in Kingston? Jamie Rye, who is about 10 or 12 years of age, has lost his father, and lives in a lane off Johnson Street, near the Catholic Church begs and says he is nearly starved. A little girl, about the same age, named Maloney, who lives at the foot of Earl Street, and says she has lost her father, also begs. If these children's bodies are starved, what about their minds?

Yours, &c.,
A. B.

THE ICE.—The ice is very strong in the upper portion of the harbor, or what is improperly called the lower bay. A fine sheet extends as far as Kingston Mills and is perfectly safe for foot passengers, with the exception of a few weak spots on the east side of Bell's Island. As a consequence there is tolerably good skating, and very many indulge in the exercise. The snow has all worn off the roads, and with the exception of the city waggons are again exclusively in use.

14TH VOLUNTEER RIFLES.—The annual Drill begins on Monday evening in the Drill Shed, when all members of the Battalion belonging to the right wing must be present. The left wing drill on Tuesday evening. The new uniforms have arrived at Portland, and are expected here in a few days. Young men can join the Battalion by applying to any of the captains of companies at the shed on Monday and Tuesday evenings. The Battalion is to march out on New Year's Day with the Band.

POLICE COURT, Saturday.—The only prisoner this morning was the wife of a soldier of the R. C. Rifles, who had become unmanageable on the street last evening owing to a supercargo of the 'rosy.' She was sent back to barracks.—The adjourned case against Mrs. Ann Wright and Mrs. Jane Armstrong, for using abusive language on the street toward one another, was again brought up. Mrs. Jane Pogue was called as a witness, and repeated the language she had heard, which was not less refined than elegant. The defendants were fined $4 and costs; but Mrs. Armstrong refused to pay, and became very obstreperous, when the police found it necessary to put her in the cells until the fine was forthcoming, where she will have ample time to reflect on her position. Mrs. Wright was afterwards charged with keeping a disorderly house. The witnesses proved that numerous young men, as well as married ones, (the names were given, but it would be injudicious to publish them,) were constantly frequenting the house, which is situated in that charming retreat, Little's lane. No improper or immoral conduct, however, had been seen going on in the house. The chief attraction appeared to be the good looking daughters of the defendant, who, according to the evidence, do not bear an irreproachable character. Mr. Creighton deferred judgment until Monday, the defendant giving security for her appearance.

☞ The Welland Canal was finally closed on Saturday.

GRENVILLE CANAL.—Government are about making considerable improvements in the Carrillon and Grenville Canal. The Commissioner of Public Works will soon issue notices calling for tenders, as the contemplated improvements will involve a very large amount of labor and should be proceeded with without unnecessary delay, so that the canal may be ready in time for the opening of navigation in the Spring.

Navigation on Lake Michigan is closed, the last vessel of the fall fleet having arrived at Chicago on the 10th. There are laid up in that port 326 vessels.

THE INTERCOLONIAL STEAMSHIP COMPANY.—This is the title of a new Company which active measures are being taken to establish at Hamilton. The object of the Company is to start a line of steamers and propellers between Western Canada and ports of New Brunswick and Nova Scotia and the Lower St. Lawrence. A large number of influential names appear as the Provisional Directors, and the capital stock of the Company is placed at $250,000, each share being $100. This is a most laudable enterprise, and may be set down as one of the commercial 'signs of the times.' Such movements tell of our increasing trade with the Maritime Provinces, and bid us look forward with hope to the day when our magnificent inland waters will be white with sails. Hamilton remains still—'the ambitious city.'

A FAMILY MEDICINE.

PERRY DAVIS' PAIN KILLER is really a valuable medicament, and unlike most of the patented articles of the day, is used by many physicians. It is particularly desirable in locations where physicians are not near, and in families will often save the necessity of sending out at midnight for a doctor. A bottle should be kept in every house.—Boston Traveller.

DAVIS' PAIN KILLER.—We have tested this medicine, and assure our readers that it not only possesses all the virtues claimed for it, but in many instances surpasses any other remedy we have ever known. It should not be classed with the nostrums of the day, got up for the especial purpose of pecuniary profit, but be regarded as one of the standard medicines, for the public benefit.—Herald of Gospel Liberty. 297

Lockport, N. Y., Feb. 4th.

MR. JOHNSON BRIGGS,

DEAR SIR,

I have been informed by Mr. Wilson of Brockville, that you are making a very fine Hair Restorative, (Prof. Velpeau's). I have used one bottle of it, and believe it to be a good article; you may send me one dozen by Express (and collect through them) to this place.

Sickness is an affliction that waits on us all. None are exempt and there are none but need relief from attacks. Whoever can furnish this becomes our benefactor. A conviction prevails that Dr. Ayer does it. Disorders of the blood have been healed by his Sarsaparilla, and affections of the lungs by his Cherry Pectoral, too frequently and too distinctly to be disputed. His Ague Cure is said, by those who use it, to never fail. Reader, if you must have medical aid, take the best of medicine. Poor remedies are dear as good are cheap, at any price you have to pay for them.—[Charleston Courier. 260

COUGHS AND COLDS! COUGHS AND COLDS!

SEASONABLE ADVICE.

Let no one neglect a cold or a slight cough. Thousands, doing so, have had one cold added to another, until the mucous membrane, lining the air passages, has become excessively irritated, and even permanently thickened, and soon chronic cough, chronic pneumonia, and consumption successively gallop along. The best time to cure all this is when it begins. If you are so fortunate as to possess a case of HUMPHREY'S SPECIFIC HOMOEOPATHIC REMEDIES, and if you do not, you ought to at once take a Cough Pill, and then two or three pills per day, with care as to renewed exposure, will bring you all right in a day or two.

If your cough has got further along, then more care and more patience is necessary for a cure, though it lies in the same direction. Our advice is, to keep the feet warm, the head cool, and take Humphreys' Homeopathic Cough Pills. Price 25 cents per box. Six boxes for $1 25. 294&50

Rev. Amos Blanchard, Merilen, N. H., writes:—'I think very highly of Mrs. S. A. Allen's World's Hair Restorer and Zylobalsamum. I have used them two months. I have now a new growth of hair coming out, and my grey hair is extinct.' Sold by all druggists. Depot 198 Greenwich st., New York. 293

"Jes' so?"—"Exactly!"—Solon Shingle said they were there 'every time.' If he felt "owley" in the morning, he took Plantation Bitters; if he felt weary at eight, he took Plantation Bitters; if he lacked appetite, was weak, languid or mentally oppressed, he took Plantation Bitters; and they never failed to set him on his pink square and firm.

Few persons want any better authority; but as some may, just read the following:

"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.
REV. W. H. WAGGONER, Mad ld, N.Y."

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.
REV. C. A. MILLWOOD, New York City.

"* * * I had lost all appetite—was so weak and nervous I could hardly walk, and had a perfect dread of society. * * * The Plantation Bitters have set me all right.
JAMES HEIMINWAY, St. Louis, Mo.

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and Urinary Organs, that distressed me for years. They act like a charm.

Mrs. O. M. DEVOE, manager of the Union Home School for Soldiers' Children, says she "has given it to the weak and invalid children under her charge with the most happy and gratifying results." We have received over a hundred testimonials of such certificates, but no advertisement is so effective as what people themselves say of a good article. Our fortune and our reputation is at stake. The original quality and high character of these goods will be maintained under every and all circumstances. They have already become a staple in every town, village parish and hamlet among civilized nations. Base imitators try to come as near our name and style as they can, and because a good article cannot be sold as low as a poor one, they find some support from parties who do not care what they sell. OVER A MILLION DOLLARS SAVED!

Gentlemen:—I had a negro man worth $1,200 who took cold from a bad hurt in his leg, and was useless for over a year. I had used everything I could hear of without benefit, until I tried the Mexican Mustang Liniment. It soon effected a permanent cure."

Montgomery, Ala., June 17, 1859. J. L. DOWNING

"I take pleasure in recommending the Mexican Mustang Liniment as a valuable and indispensible article for Spavin, Screw, Splinches or Galls on Horses. Our men have used it for Burns, Sores, Rheumatism, &c., and already it sold like magic."
J. H. HEWITT,
Foreman for American, Wells, Fargo's and Harnden's Express.

"The sprain of my daughter's ankle, occasioned while skating last winter, was entirely cured in one week, after she commenced using your celebrated Mustang Liniment.
Gloucester, Mass., Aug. 1, 1865. ED. SEELEY."

It is an admitted fact that the Mexican Mustang Liniment performs more cures in shorter time, on man and beast, than any article ever discovered. Families, livery men and planters should always have it on hand. Quick and sure it certainly is.—All genuine is wrapped in steel-plate engravings, bearing the signature of G. W. Westbrook, Chemist, and the private U.S. stamp of DEMAS BARNES & Co. over the top.

An effort has been made to counterfeit it with a cheap stone plate label. LOOK CLOSELY.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy.
It prevents hair turning grey and falling off.
It restores hair upon prematurely bald heads.

This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.
