A Creaking Hinge

Is dry and turns hard, until oil is applied, after which it moves easily. Which the joints, or hinges, of the body are stiffened and inflamed by Rheumatism, they cannot be moved without causing the most excruciating pains. Ayer's Sarsaparilla, by its action on the blood, relieves this condition, and restores the joints to good working order.

Ayer's Sarsaparilla has effected, in our city many most remarkable cures, a number of which baffled the efforts of the most experienced physicians. Were it necessary I could give the names of many individuals who have been cured by taking this medicine. In my own case it has certainly worked wonders, relieving me of

Rheumatism,

after being troubled with it for years. In thi and all other diseases arising from impure blood, there is no remedy with which I am acquainted, that affords such relief as Ayer's Sarsaparilla.—R. H. Lawrence, M.D., Baltimore, Md.

Ayer's Sarsaparilla cured me of Gout and Rheumatism, when nothing else would. It was eradicated every trace of disease from my system.—R. H. Short, Manager Hotel Belmont, Lowell, Mass.

I was, during many months, a sufferer from chronic Rheumatism. The disease afflicted me grievously, in spite of all the remedies I could find, until I commenced using Ayer's Sarsaparilla. I took several bottles of this preparation and was speedily restored to health.—J. Fream Independence, Va.

POLITICAL NOTES.

Result of Late Recounts—Mr. Dawson has Been Elected for Algoma.

Prince Edward Island legislature meets on Tuesday March 29th.

Dr. Montmagny will protest Mr. Coulter's election for Haldimand.

The official count for South Grey gives Dr. Landerkin, liberal, a majority of 97.

Mr. Dawson is elected at Manitoulin Island. The majority is not given yet.

At L'Assomption, Que., Mr. Gauthier, liberal, is elected by twenty-one majority.

Mr. M. C. Cameron is likely to be elected for West Bruce, as Mr. Blake will sit for West Durham.

The Quebec government will not retain in its employment officials who will not live within their incomes.

Mr. Cimon, opposition, has been counted in as member-elect for Charlevoix, by Judge Rothier, with 84 majority.

D. F. Burk, who was in Toronto on Saturday, said he was elected for Algoma by 200 majority. Mr. Burk is now in Bowmanville.

The returning officer of Joliette, who elected Mr. Guibault, by the casting vote, was the successful candidate's brother-in-law.

C. W. Tupper, M.P., for Picton, has gone to England to straighten up the affairs of the high commissioner's office, and bring his mother to Canada.

Mr. J. H. Scott, of Kincardine, who contested West Bruce with Hon. Edward Blake, saved his deposit by seven votes, Blake's majority being 1,084.

Mr. Dalton McCarthy, president of the conservative association of Ontario, has entered into a protest against the elevation of Tupper to the party leadership.

The returning officer declared Baird, conservative, elected in Queen's county, throwing out the entire vote of King, liberal, who had a majority, on the ground that his deposit had been unlawfully made.

Notwithstanding the protests of leading Northwest settlers, Sir John Macdonald has determined to appoint Mr. Dewdney to the lieutenant governorship of the Northwest for a second term.

It is reported by the Ottawa *Free Press* that the ex-speaker is to be appointed to the senate for the Cataraqui division in place of Sir Alexander Campbell, and that he will be made leader of the government in that chamber.

On Saturday night a public meeting was held at Moosomin, North-West Territories. Mr. C. H. Mackintosh, of Ottawa, spoke on behalf of the conservatives, and Matthew Ryan for the the liberals. Mr. Mackintosh said Ryan, formerly a stipendiary magistrate, was the real cause of the North-West rebellion, and Ryan called Mackintosh a liar.

LATE SPORTING ITEMS.

Meeting of the National Base-ball Association—The Decisions it Reached.

The stallion "Grover Cleveland" can trot a mile in three minutes.

Indianapolis and Kansas city are applicants for the vacant position in the National league.

The Rochesters having waived all claim to E. J. McKean he was reinstated and then signed to play with Cleveland.

It is yet undecided whether Glasscock, Denny and other coveted St. Louis base ball players, will be given to New York, or auctioneed off to the highest bidder.

William Beach has been offered $10,000 to come to America and row Hanlan and Gaudaur. It is thought he will decline the offer.

It is rumored that Erastus Wiman, of New York, will offer $50,000 for a series of world championship races. This will probably bring Beach from Australia.

Thomas James will back his horse "Butcher Maid" to the extent of $50 or $100 in a two mile race, to be trotted in heats against either "Tom H." owned by J. Robbs, or "Rarus" the property of Mr. Joyce. It is likely that Mr. Robbs, whose horse is very fast, will accept James' offer.

Hanlan says that the future of rowing depends upon the amateur oarsmen and boat clubs. "Without being countenanced by ladies," he said, "it is impossible to make boat races popular. I am strongly opposed to the action of some amateurs. They go into a boat wearing short trunks and no shirt to speak of, and expect decent people to look on and applaud their performances. It actually hurts the muscles to be uncovered. Bare arms I can stand; but nakedness should stop there."

Enjoy Life.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when born. Dyspepsia and liver complaint are the direct causes of seventy-five per cent. of such maladies as biliousness, indigestion, sick headache, costiveness, nervous prostration, dizziness of the head, palpitation of the heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10 cents. Try it.

The Appeal Sustained.

In the case of McGuin v. Fretts, an appeal to the full court at Toronto from the judgment of Judge Armour, entered at Napanee, the court affirmed the judgment as regards the position of the receiver, but it was held that an amendment should have been allowed at the trial, and the plaintiff is now permitted to amend by adding the Grange as co-plaintiffs, the defendant also to be at liberty to amend his pleading. Costs to abide the event or the defendant to be allowed the costs of a successful demurrer, as he may elect.

The Hotel Arrivals.

Arrivals at the British American Hotel—R. E. Vanderveer, R. H. Soule, New York; W. J. Webster, Thomas R. Flint, J. J. Head, J. Simpson, O. J. Kavanagh, James Mitchell, Wm. Hutchins, A. MacFarlane, P. Chronic Coughs and Colds

And all diseases of the throat and lungs can be cured by the use of Scott's Emulsion, as it contains the healing virtues of cod liver oil and hypophosphites in their fullest form. OUR WEALTHY MEN.

How Some Men Make Fortunes—Valuable Information for the Masses.

Much has been said in newspapers of men who have made large fortunes in comparatively a few years in various business industries. Many of these articles are written by correspondents of prominent newspapers, and copied into others of lesser note. Correspondents, generally, are seldom men of business qualifications and wrongfully picture these men and their business as a thing of accident. This is not the case with those we have met. We find that where men have made large fortunes by their own business talent and industry they chose with sagacity and forethought such business as would lead to success when handled with business judgment. No man has been brought before the public as an example of success, both in wealth and magnitude of his business (outside of stock and railroad men) more prominently than Dr. G. G. Green, of Woodbury, N. J. He is at the head of many large business industries, and yet comparatively a young man When the fact that August Flower, for dyspepsia and liver complaint and Boschee's German Syrup, for coughs and lung troubles, has grown to a wonderful sale in all parts of the world, it proves that it was not an accident or spontaneous strike at wealth. His medicines are recognized as valuable and established remedies, and the business has grown gradually and permanently during the last eighteen years on account not alone of Dr. Green's abilities as a business man or his "good luck," but on the actual merits of the two preparations.—*Copied from the N.Y. Weekly Sun, of Dec. 22, 1886.*

Highly Spoken of.

Mr. James M. Lawson of Woodville, Ont., speaks in high terms of Yellow Oil for rheumatism, lame back, sprains and painful complaints. Yellow Oil is used internally and externally in case of pain; also coughs, colds sore throat, etc., and has made many remarkable cures of deafness.
