Special pullout section

8 Pages

The long, cold winter has finally relented and fresh stock is arriving this week at the Canadian Tire Garden Centre on Guelph St. as part of its Destination: Spring promotion. Certified horticulturist Trish Brown (left) and Courtney Robshaw of the Garden Centre have been setting up geranium displays and hanging plants, while a shipment of tropical plants and top-seller Double-Knockout roses are expected to arrive just in time for Mother's Day.
