RIOT AT COLLINGWOOD.—On Tuesday a telegraphic message was received from Collingwood requesting the aid of our Rifle Company to assist in the arrest of some sailors at that place. It appears that one of the crew of the schooner *Malta* had been taken into custody for a misdemeanor of some kind, and whilst locked up, the remainder of the crew rallied and forcibly released him. They were armed with knives and revolvers, and having taken to their vessel, bid defiance to all attempts to arrest them; hence the call for our Rifle Company. About 20, with their officers, at once repaired to Collingwood, but the sailors had sniffed the breeze and made preparations for a retreat. They secured a boat, supplied it with a compass and provisions, and took to sea. The officers of the Company, assisted by W. B. Hamilton, Esq., took the soldiers in pursuit, supposing they had taken refuge on the Islands contiguous to the harbor, and scoured them from side to side, without discovering the miscreants, and after much fatigue returned without having the satisfaction of catching the Tartars. The officers in command speak highly of the discipline and conduct of the corps. That such outlaws should go unpunished is a matter of regret; but we opine they will not again run the risk of setting the law at defiance within the precincts of our Rifle Brigade. This incident is a strong evidence of the value of local protection, such as is afforded by voluntary services, and should be valued accordingly. We find two of the men were secured and are now in custody. —[Barrie Advance.

Mr Hannington's Panorama will be exhibited in the City Hall this evening, and every succeeding evening during the week. It must be remembered that the scenes depicted of the Russian War are not the same as were shown last year, but an entirely new series of paintings of the most artistic excellence, which the Montreal Gazette and other journals in the Eastern cities extol in glowing terms. The other attractions mentioned in the programme, combined, will, we have no doubt, bring together a large audience.

NOTICE.—Mr Ambrose W. Thompson, No 10 Wall Street, has been appointed agent in this city of the Farmers' Fire and Marine Insurance Company of Philadelphia. This Company is one of the oldest in Philadelphia, and has the Hon. Francis R. Florence for its President. It has complied with the Law of this State in regard to companies belonging to other states, and has provided an accruing trust Fund of $100,000 with dessrs. Duncan, Sherman & Co. Messrs. Bushing & Co. British a card of thanks to the Philadelphia North American for the prompt manner in which this Company settled its losses on their establishment, thus enabling them to resume business without delay.—*N. Y. Tribune.*

S. ROWLANDS is agent for the above named Company in Kingston. Office No. 4, Watson's Buildings, Wellington Street.

LIFE INSURANCE.—The British Commercial Life Insurance Company of London, established in 1820, capital and assets over one million sterling, affords the highest security to persons desirous of insuring their lives. Bankers, Glyn, Halifax, Mills & Co. Proposals for Assurance in the above-named Company received and all information given by S. Rowlands, No. 4 Wilson's Buildings.

LIVER COMPLAINT.—Mr Jacques Alderton, of Three Rivers, was for 18 years afflicted with a disordered liver, nausea, and a low stomach, in addition to these distressing complaints, he was visited by frequent bilious attacks, rendering him entirely unfit for business, he was told nothing in the world would instantly relieve him although he had spent a complete fortune in medicine and advice. At last he was recommended to try Holloway's Pills. He commenced using them, gradually the worst symptoms of his disorder disappeared, and after eight weeks steady adherence to the directions of Professor Holloway, he was entirely well, and admits that he never before enjoyed his health as he does at the present.

WOODS HAIR RESTORATIVE.—We refer the reader to the advertisement of this popular remedy. It is highly recommended by all who have used it, and has effected wonderful results by its magic influence. We know of people in this county who have been bald for years, had their hair restored to its natural advantage and beauty, by the use of Woods Hair Restorative.—[Lagrange Gazette.

Holloway's Ointment and Pills a certain remedy for Bad Legs, Bad Breasts, and Bad Feet. A most severe and painful suffrer from the powerful effects of a bad leg for upwards of four years, which at last became an absolutely pitiable, large purple tumor, covered all over his body, and made him a complete object of horror to himself, as well as to all his friends. He consulted many medical men, in the hope of being benefited, but without success. Determined not to die, he tried, as a last resort, the healing balm, and he now enjoys the best of health, after years of intense suffering.

OZENA OR ULCERATED CATARRH.—This is most disagreeable to every person of common sense. Many persons do not know their breath is offensive, and it is a delicate subject to mention. You can always avoid this affection (for it is that) by using Blodgett's "Persian Balm," for a Dentifrice, it neutralizes all acids of the mouth, and renders it pure as the breath of summer. Try it.

THE above Premiums will be paid for the three best Essays respectively on the origion, nature, and habits, and the history of the progress, from time to time, and the cause of the visit of the Weevil, Hessian Fly, Midge, and such other insects as have made ravages on the wheat-crops in Canada, and on such diseases as the wheat crops have been subjected to, and on the best means of evading or guarding against them.

The Essay to be furnished to the bureau by the 15th day of January next, and to be designated by a motto, a copy of which shall also be forwarded in a sealed note with the name and address of the author.
