LIVER COMPLAINT.—Mr James Alberto of Three Rivers, was for 18 years afflicted with a disordered liver, nausea, and a foul stomach, in addition to these distressing complaints, he was visited by frequent bilious attacks, rendering him entirely unfit for business, he was told nothing in the world would thoroughly cure him although he had spent a complete fortune in medicine and advice. At last, he was recommended to try Holloway's Pills, which he commenced using,—gradually the worst symptoms of his disorder disappeared, and after eight weeks steady adherence to the directions of Professor Holloway, he was entirely cured, and admits that he never before throughout his life enjoyed such good health as he does at present.

YOU DESERVE CREDIT
FOR YOUR
DISCOVERY!

PROFESSOR WOOD'S HAIR RESTORATIVE is, no doubt, the most wonderful discovery of this age of progress, it will restore permanently, gray hair to its original color, cover the head with a new and luxuriant growth, remove in one night dandruff and itching, and all scaly and other cutaneous eruptions, such as scald, tetter, &c. It will cure, as by magic, nervous or periodical headache; make the hair soft, glossy and supple, and preserve the color perfect, and the hair from falling to extreme old age.

The following is from a distinguished member of the medical profession:

St. Paul, January 1, 1856.

PROFESSOR O. J. WOOD—

DEAR SIR: Unsolicited, I send you this certificate. After being bald for a long time, and having used a few hair restoratives recommended, and having no faith in any, I was induced to give it a trial. I placed myself in the hands of a barber, and had the head rubbed with a good stiff brush, and then your Restorative applied and well rubbed in to the scalp. This was a week. This I repeated every morning, and in three weeks the young hair appeared, and grew rapidly from August last till the present time, and is now thick, black and strong, not unpleasant to the touch, whereas before it was harsh and wiry, what little there was of it, and that little was disappearing very rapidly. I shall use your Restorative as long as I live, and shall soon have a good head of hair. Now I had read of the wonderful cures of hair on a person's head, who had been bald for years, but I had never seen one, and thought it was all humbug, and I really give my testimony beyond the request of any experiment. I have seen several persons use your preparation in others, with a fair trial, and general satisfaction followed the result. The people here know your character and therefore believe me. The supply you sent me was exhausted, and I shall require more in a few days. I wish you success in your efforts, and I only believe it is my duty thus to express what has done me. Do it certainly, and be spared long ago to reap the effects of your labors.

Yours, &c.

J. W. LOND.

WM. DYER.

Brookfield, January 1, 1856.

PROFESSOR WOOD—

DEAR SIR: Having in the letter of your Hair Restorative, it gives me pleasure to say that its effect has been excellent in removing inflammation, dandruff, and also the tendency to itching, with which I have been troubled from my childhood; and has also restored my hair, which was becoming gray, to its original color. I have used no other article with anything like the same pleasure or profit.

Yours, &c.

J. K. BRAGG

114 [illegible] Street, St. Louis, March 5, 1856.

DEAR SIR: Travelling and extensive travel in the West and Southwestern States, as general agent for Adams' American Liniment, and would be glad if you would favor me with a consignment of Professor Wood's Restorative, as I feel assured that I can introduce it in many places where it is not known, as my head is a living testimony of its valuable properties, in restoring the hair to its natural color. I am forty years old, and my hair was almost white, but after using one half pint bottle, my hair is as beautiful auburn as it was at sixteen, and much improved in appearance, and I would not be without it on hand for the price of six bottles, if I could not obtain more on my return.

Respectfully,

WM. R. BROOME.

Important to Every-Body.

FOR the last three years, I have been engaged in a business known only to myself, and comparatively a few persons whom I have instructed for the sum of $20 each, which has averaged me at the rate of $2,000 to $3000 per annum; and having made arrangements to go to Europe next Spring, to engage in the same business I am willing to give full instructions in the art to any person in the United States or Canada who will remit me the sum of $1. I am induced, from the success I have been favored with, and the many thankful acknowledgments I have received from those whom I have instructed, and who are making from $5 to $15 per day at it, to give any person an opportunity to engage in this business, which is easy, pleasant, and very profitable, at a small cost. There is positively no Humbug in the matter, for testimonials of the highest character are given as required, and I can refer to persons whom I have instructed, who will testify that they make from $5 to $15 per day at the same. It is a business in which either ladies or gentlemen may engage, and with perfect ease make a very handsome income. Several ladies in various parts of New York State, Pennsylvania, and Maryland, whom I have instructed are now making from $5 to $6 per day at it. It requires little capital, and but a few minutes to learn the business. Upon receipt of $1, I will immediately send to the applicant a printed circular containing full instructions in the art, which can be perfectly understood at once.

All letters must be addressed to A. T. PARSONS, 335 Broadway, New York.
