CAUTION TO THE PUBLIC.

EYE AND EAR.

THE Hastings Chronicle contains an advertisement under the above head, from one "CHARLES E. WALL," who boldly styles himself "Dr. Wall," and states in his advertisement that "he visits Belleville twice a year." That he has passed many years in my Office as Principal Operator, and hopes thereby, not to be classed among the traveling quacks who merely drop in to fill their pockets, &c."

In answer to this advertisement, and as a protection to myself and the Public, I find it my duty to say that said Wall was formally dismissed from my Office, (where he had served two and a half years) on the 29th of October last. That he does not visit Belleville twice a year, as, of my knowledge and farther memory, that he never has been principal Operator in my Office at any time. And that he has no license or authority whatever, to practise or assume the title of Dr., and that, therefore, the advertisement and the advertiser, are both a fraud upon the Public.

The Liver Invigorator.

PREPARED by Dr. SANFORD, is a Great Scientific Medical Discovery, and is daily working cures almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint from the Jaundice or Dyspepsia to a common headache, all of which are the result of a Disordered Liver.

The Liver is one of the principal regulators of the human body. If its functions will not be duly developed, almost entirely Dependence of the Liver for the proper performance of its functions, at least, the bowels and system suffers in consequence—the Liver—having the principal regulating power, and when it performs the powers of the system suffer. The stomach is dependent on the healthy and the proper performance. When the stomach is at fault, and the whole sequence of one organ ceased to do its duty, that organ, one of the most it has study, in a period of ty years to find some counteract the many it is liable.

For the diseases of proprietors has made of more than twenty remedy wherein to derangements in which remedy is at last found with Liver Complaint but to try a bottle, and

A compound has been formed by dissolving gums and extracting that part of which is soluble for the medicine. Those the active virtues of bitter and bad matter from gums remove all morbid in their place a healthy flow of bile, invigorating the stomach, causing the system, supplying food to digest ve purifying the blood, giving tone and health to the whole machinery, removing the causes of the disease and effecting a radical cure without any of the disagreeable after effects, felt by using Calomel or Mineral Poison, that is usually resorted to.

One dose after dinner is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring prevents nightmare.

Only one dose taken at night loosens the bowels gently, and cures constipation.

One dose taken after each meal will cure Dyspepsia.

☞ One dose of two teaspoonfuls will always relieve Sick Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Cholic.

One dose often repeated is a sure cure for Cholera Morbus, & a preventative of Cholera.

One dose taken often will prevent the recurrence of bilious attacks, while it relieves all painful feelings.

☞ Only one bottle is needed to throw off the system the effects of medicine after a long sickness.

One bottle taken for Jaundice removes all yellowness and natural color from the skin.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose often repeated cures Chronic Diarrhœa in its worst forms, while summer and bowel complaints yielded almost to the first dose.

One or two doses cures attacks caused by worms, while for worms in children, there is no surer, safer or speedier remedy in the world as it never fails.

There is no exaggeration in these statements they are plain sober facts, that we can give evidence to prove, while all who use it are giving their unanimous testimony in its favor.

Among the hundreds of Liver Remedies now offered to the public, there are none we can so fully recommend as Dr. Sanford's Invigorator, so generally known throughout the Union. This preparation is truly a Liver Invigorator, and gives the most happy results on all who use it. A most innumerable certificates have been given of the great virtue of this medicine by those of the highest standing in Society, and we know it to be the best preparation now before the public.—Hudson County Democrat.

THE Restorative of Prof. O. J. Wood, for Restoring hair perfectly and permanently, has never yet had a rival; volume after volume might be given from all parts of the world and from the most intelligent to prove that it is a perfect Restorative; but read the circular and you cannot doubt; read also the following.

☞ The Hair.—People have for centuries been afflicted with bald heads, and the only remedy, heretofore known, has been these abominable wigs. By a recent discovery of Professor Wood these articles are being fast dispensed with, but a great many persons still patronize them, because they have been so often imposed upon by Hair Tonics of different kinds. To all such persons we earnestly make the request, that they will try once again, for in Wood's Restorative there is no such thing as fail. We know a lady who was bald, who used the article a short time, and her head is now covered completely with the finest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out, which it restored in greater perfection than it ever had been before.

It is also without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the greatest enemy to all the ills that hair is heir to.

It is the duty of every one to improve their personal appearance though some may differ in regard to the ways of doing it; but every one will admit that a beautiful head of hair, either in man or woman, is an object much to be desired, and there are no means that should be left untried to obtain such a consideration.—Woman's Advocate, Philadelphia.

Cocherton, Ohio, Nov. 17, 1856.

O. J. Wood & Co.—Gents: As I have been engaged in selling your Hair Restorative the last season for one of your local agents (R. M. Hackinson,) and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio, or some State in the West should you wish to make such an arrangement, as I am convinced there is nothing equal to it in the United States, for restoring the Hair. I have been engaged in the Drug business for several years, and have sold various preparations for the hair, but have found nothing that restores the secretive organs or invigorates the scalp as well as yours, being fully convinced that your restorative is what you represent it to be, I would like to engage in the sale of it, for I am satisfied it must sell. Yours truly,

S. T. STOCKMAN.

Wayland, Mass., Feb. 5, 1857.

Prof. O. J. Wood & Co.—Gents: Having realized the good effects of your Hair Restorative, I wish to state, that finding my hair growing thin, as well as gray, I was induced from what I read and heard, to try the article prepared by you, to promote its growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three bottles. Yours &c.,

WONDERFUL COINCIDENCE

All Nations of the same Mind!

HOLLOWAY'S OINTMENT.

The anniversary of the introduction of Holloway's Ointment ought to be a jubilee forever. It has saved countless multitudes from disfigurement, paralysation, mutilation, agony and death. Starting from the surface to which it is applied, its healing balm finds its way through every coating and ligament of the body, to the very source and basis of all eruptive, ulcerous, tumorous, and cancerous diseases. It extinguishes the febrile principle that feeds them, and the outward symptoms fade, heal, and pass away with a rapidity incredible to those who have not witnessed it.

Scrofula, Eruptions and Ulcers.

The poison of Scrofula has never been neutralized or expelled by any of the remedies of the pharmacopœia. The Sole Antidote to this virulent and destructive element, is Holloway's Ointment. Majendie & Brodie, the great French and English surgeons, do not deny or dispute this great fact. There is no form of scrofula that may not be controlled and cured by this balmic remedy.

Cancers and Tumors.

The knife or caustic may remove a cancer or tumor, but the seeds of the terrible excrescence remain in the blood, and it is soon reproduced in a worse form than before; Holloway's Ointment, on the contrary, penetrates into the circulation, and pervades every infected vesicle, and kills the disease by destroying the corrosive principle that generated and sustains it.

Inflammations of the Skin.

All rashes and ordinary eruptions, as well as ERYCIPELAS, ACNE, RINGWORM, CARBUNCLES, SCALD HEAD, SALT RHEUM, LEPROSY, PRICKLY HEAT, &c, are removed by a few brisk applications of the Ointment.

ACCIDENTAL INJURIES.

WOUNDS, SPRAINS, BRUISES, SCALDS and BURNS are immediately relieved by its application. The inflammation quickly subsides fever and lockjaw are prevented, and under a preserving use of the preparation, the process of healing is soon accomplished.

Both the Ointment and the Pills should be used in the following cases:

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ringworm,	Sores of all kinds
Chapped Hands,	Salt Rheum,	Sprains,
Chilblains,	Scalds,	Stiff Joints,
Corns,	Skin Diseases,	Tetters,
Gout,	Swollen Glands,	Ulcers,
Lumbago,	Sore Legs,	Venereal Sores,
Mercurial Eruptions,	Sore Breasts,	Wounds of all
Piles,	Sore Heads,	kinds

☞ CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

THE MOST POPULAR BOOK OF THE DAY IS

MABEL VAUGHAN.

The new Tale by the Authoress of "The Lamplighter," almost universally pronounced "ONE OF THE MOST SUCCESSFUL WORKS OF FICTION EVER ISSUED IN THIS COUNTRY."

One of our best Critics says:—

"It is a charming story, to which the character of Rose gives the same interest and beauty which little Gertrude and the old Lamplighter gave to the author's first production; while, considered as a piece of literary mechanism, it is more finished and better sustained. The interest of the story does not flag, and its arrangement and execution is far in advance of 'The Lamplighter.'"

For sale at the City Book Store, Price 1s. 10½. The American copyright edition is sold at $1. 3233
