CAUTION TO THE PUBLIC,

EYE AND EAR.

THE Hastings Chronicle contains an advertisement under the above head, from one "CHARLES R. WALL," who boldly styles himself "Dr. Wall," and states in his advertisement that "he visits Belleville for me. That he has passed many years in my Office as Principal Operator, and hopes therefore, not to be classed among the travelling quacks who merely desire to fill their pockets, &c."

To answer to this advertisement, and as a protection to myself and the Public I feel it my duty to say that said Wall was formally dismissed from my Office, (where he had served two and a half years) on the 20th of October. That he does not visit Belleville for me, nor of my knowledge, and further more, that he never has been principal Operator in my Office at any time. And that he has no license or authority whatever, to practise or assume the title of Dr., and that, therefore, the advertisement and the advertiser, are both a fraud upon the Public.

THE Restorative of Prof. O. J. Wood, for Restoring hair perfectly and permanently, has never yet had a rival; volume after volume might be given from all parts of the world and from the most intelligent, to prove that it is a perfect Restorative; but read the circular and you cannot doubt; read also the following:

☞ The Hair.—People have for centuries been afflicted with bald heads, and the only remedy, heretofore known, has been those abominable wigs. By a recent discovery of Professor Wood these articles are being fast dispensed with, but a great many persons still patronize them, because they have been so often imposed upon by Hair Tonics of different kinds. To all such persons we earnestly make the request, that they will try once again, for in Wood's Restorative there is no such thing as fail. We know a lady who was bald, who used the article a short time, and her head is now covered completely with the thick and most beautiful curling hair. We know of numerous cases where hair was rapidly falling out, which it restored in greater profusion than it ever had been before.

It is also without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the greatest enemy to all the ills that hair is heir to.

It is the duty of every one to improve their personal appearance if such appearance may differ in regard to the ways of doing it; but every one will admit that a beautiful head of hair, either in man or woman, is an object much to be desired, and there are no means that should be left untried to obtain such a consideration.—Western Adventist, Philadelphia.

Cochrane, Ont., Nov. 17, 1856.

O. J. Wood & Co.—Sirs: As I have been engaged in selling your Hair Restorative the last season for one of your local agents (R. M. Hutchinson,) and having experienced the beneficial effects of it myself, I would like to obtain [illegible] for the State of Ohio, or some State in the West should you wish to make such an arrangement, as I am convinced there is nothing equal to it in the United States, for restoring the hair. I have been engaged in the Drug business for nineteen years, and handled various preparations for the hair, but have found nothing that restores the new silver organ or invigorates the young as well as aged, being fully convinced that your representations in what you represent it to be, I would feel no scruple in the sale of it, for I am satisfied it must sell. Yours truly,

S. T. STOCKMAN.

Westland Mills, Feb. 5, 1857.

Prof. O. J. Wood & Co.—Gents: Having received the good effect of your Hair Restorative, I wish to write, thus finding my hair growing thin, as well as gray. I my husband from what I read and heard, to try the article prepared by you, to promote his growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three bottles. Yours &c.

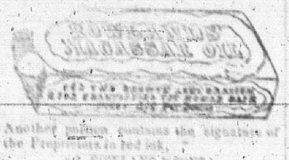
"ROWLANDS' MACASSAR OIL,

Preserves perpetually the energetic powers in the growth, nourishment, and improvement of the Human Hair, and is deservedly universally acknowledged to be the Delightest, and superior to all other preparations for the Hair. It prevents the hair falling off or turning grey—strengthens weak hair—causes it to grow Short and Handsome, and makes it beautifully soft, curly, and glossy. In the growth of the Beard, Whiskers, Eyebrows, and Moustachios, it is wonderfully in its signature operation. For Children it is especially recommended as forming the basis of a beautiful head of hair.—Price 3s. 6d. and 7s. Family Bottles (equal to 4 small), 10s. 6d., and double that size, 21s.

New Lamp.—To prevent the substitution of Spurious Imitations, for the genuine article, by unprincipled Shopkeepers, a New Label from Steel, by Messrs. Perkins, Bacon & Co., of London, is now used, which cannot be forged. The signature is a steel copy in outline of a portion of the label, as it appears round the bottle.



Another method combines the signature of the Proprietors in red ink,

"A. ROWLAND & SONS."

WONDERFUL COINCIDENCE.

All Nations of the same Mind!

HOLLOWAY'S OINTMENT.

The adversary to the introduction of Holloway's Ointment ought to be a perfect revelation. It has saved countless multitudes from disfigurement, paralysis, mutilation, agony and death. Starting from the surface to which it is applied, its healing balm drives its way through every coating and tissue of the body, to the very source and focus of all eruptive, scrofulous, cancerous and cancerous diseases. It thus strikes at the whole principle that feeds them, and the cutaneous eruption and decay, and passes away with a purity heretofore to Gross was unknown to science.

Scrofula, Eruptions and Ulcers.

The cure of Scrofula, or the most inveterate cutaneous eruption, is by no means the least of the triumphs of this Ointment. See Advertisement in the Journal and Counterfeit Ointment. Holloway's Ointment, Medicine & Receipt, the great Hygeian of Health and Happiness, do not deny or dispute its curative. There is no form of scrofula it may not be successfully and cured by this salutary remedy.

Cancers and Tumors.

The Ointment has the most remote of cancer or tumor, but cures so long as the terrible excrescence remains in the blood, and it is so no reproduced in a worse form by accidents. Holloway's Ointment, on the contrary, penetrates to the circulation, and purifies every infected vessel, and kills the disease by destroying the corrosive principle that generated and nurtured it.

Inflammations of the Skin.

All eruptions and scaly eruptions, as well as ERYSIPELAS, ACNE, BLACKHEAD, BARBUNCLES, SCALD HEAD, SALT RHEUM, LEPROSY, PRICKLY HEAT, &c., are removed by a few brief applications of the Ointment.

ACCIDENTAL INJURIES.

WOUNDS, SPRAINS, BRUISES, SCALDS and BURNS are immediately relieved by its application. The inflammation quickly subsides, fever and bodyache are prevented, and under a prudent use of the preparation, the process of healing is soon accomplished.

Both the Ointment and the Pills should be used in the following cases:

Bunions,	Rheumatism,	Sore Throats,	
Burns,	Ringworm,	Coco-tail Joints,	
Chapped Hands,	Salt Rheum,	Spasms,	
Chilblains,	Scalds,	Stiff Joints,	
Corns,	Skin Diseases,	Tetter,	
Gout,	Sore Nipples,	Throats, Ulcers,	
Lumbago,	Sore Legs,	Venereal Sores,	
Mercurial Eruptions,	Sore Heads,	Wounds of all kinds,	
Piles,	Sore Breasts,	Worms,	

☞ CAUTION.—Note are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines, or vending the same, knowing them to be spurious.

☞ Sold at the manufactory of Professor Holloway, 80 Maiden Lane, New York, 244 Strand London, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots at 25 cents, 62 cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each pot. 228

The best Gift Book of the Season.

Kingston, Dec. 16, 1857. 252

THE MOST POPULAR BOOK OF THE DAY IS

MARIEL VAUGHAN.

The new Tale by the Authoress of "The Lamplighter," almost universally pronounced "ONE OF THE MOST SUCCESSFUL WORKS OF FICTION EVER ISSUED IN THIS COUNTRY."

One of our leading Critics says:—

"It is a charming story, to which the character of Rose gives the entire interest and beauty which Idle Gertrude and the old Lamplighter gave to the author's first production; while, considered as a piece of literary mechanism, it is more finished and better sustained. The interest of the story does not flag, and its arrangement and execution is fit in advance of 'The Lamplighter.'"

Chatham, N. H., Dec. 15th, 1855.

Dr. Kennedy—Dear Sir: In hopes to be a benefit to my fellowmen, I write to you what your Discovery has done for me.

In December, 1839 I was taken with the Rheumatism, since then I have suffered every thing but death for fifteen years.

I have paid $800 to different doctors, and never received any benefit, not even to the amount of one dollar.

Last June I heard of your Discovery. I told a man I would try it. He said I had tried everything and there was no help for me, I was so crippled, 78 pounds lame. He was a good doctor so called. I told him nothing ventured nothing made.

I got one bottle of your Discovery. Before I got it I heard the clock strike every hour for five months. On the fourth night I took one spo
