LITTLE GIANT.
Corn and Cob, Pea and Oat Mill!
THIS MILL combines, in a remarkable manner, SIMPLICITY and POWER and may be adjusted and put into operation by any person, no matter how ignorant he may be of machinery; while its efficiency is as a
Corn and Cob Crusher,
surpasses anything of the kind in existence and fully warrants the unique appellation of the "Little Giant."
This crusher is adapted not only to the grinding of Ear Corn for feed, but also to the cracking of Corn, Peas, and Oats, together; in which it is unrivalled.
The economy of grinding ep cobs with corn, is hardly now an open question. Full experiments have been made and the results frequently published. It is not pretended that the cobs are rich in the elements of nutrition, compared with the grain, but they have been found to yield spirit or distillation, a proof that they are far from valueless, and also answer admirably the purpose of procuring the necessary distention of the stomach, and promoting digestion.
The "Little Giant" is of two sizes, costing respectively $40 and $60. It will turn out, according to size, from ten to twenty bushels an hour and do its work most thoroughly and satisfactorily!
These Mills are to be had in all the principal Towns in Canada.

THE LIVER
INVIGORATOR!
PREPARED BY DR. SANFORD.
Compounded entirely from Gums,
Is one of the best Purgative and Liver Medicines now before the public, that acts as Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject the morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken early in moderate doses, will strengthen and build it up with unusual rapidity.
The Liver is one of the principal regulators of the human body, and when it performs its functions well, the system enjoys entirely perfection of the Liver for a source of its functions, at fault, the bowels are costive, the system suffers in consequence. The Liver—acting for the diseases of prophecy is has made the of more than twenty remedy whereby to derange health is which

THE GREAT BEAUTIFIER
SO LONG UNSUCCESSFULLY SOUGHT,

See circular and the following:
Dover, N.H., Feb 2, 1857.
PROF. O. J. WOOD & Co.—Gentlemen: within a few days we have received so many orders and calls for Prof. O. J. Wood's Hair Restorer that to-day we were compelled to send to Boston for a gross, (the 6 dozen you forwarded all being sold), while we might order a quantity from you. Every bottle we have sold seems to have produced three or four new customers, and the approbation, and patronage it receives from the most substantial and worthy citizens of our vicinity, fully convinces us that it is a most VALUABLE PREPARATION.
Send us as soon as may be one gross of $1 size; and one gross $2 size; and believe us yours very respectfully,
(Signed) DANIEL LATHORP & Co.
Hickory Grove, St. Charles Co., Mo.,
Nov. 19, 1856.
PROF. O. J. WOOD—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative, and its effects were so wonderful, we feel it our duty to you and the afflicted to report it.
Our little son's head for some time had been perfectly covered with sores, and some called it scald head. The hair also came entirely out in consequence. We, a friend, seeing his sufferings, advised us to use your Restorative; we did so with the hope of success, but to our surprise, and that of all our friends, a few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy is as healthy a child, and as luxuriant a crop of hair as any with a child. We can therefore and do heartily recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair. We are, yours respectfully,
GEORGE W. HOGGINGOTHAM,
SARAH A. HOGGINGOTHAM.
Gardiner, Maine, June 22, 1855.
PROF. O. J. WOOD—Dear Sir: I have used two bottles of Professor Wood's Hair Restorative, and can say that it does what you claim for it, viz., it stops the hair from falling in the space of one week, and changing the color. Before using it I was a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as it is, as you see, was one of the worst kind.
Yours Respectfully,
O. J. WOOD & Co., Proprietors, 312 Broadway, New York; at the great N. Y. Wire Railing Establishment, and 114 Market St., St. Louis, Mo.
