'LITTLE GIANT.
Corn and Cob, Pea and Oat Mill!
THIS MILL combines, in a remarkable manner, SIMPLICITY and POWER and may be adjusted and put into operation by any person, (no matter how ignorant he may be of machinery); while its efficiency, as a
Corn and Cob Crusher,
surpasses anything of the kind in existence, and fully warrants the unique appellation of the "little Giant."
This crusher is adapted not only to the grinding of Ear Corn for feed, but also to the cracking of Corn, Peas, and Oats, together; in which it is unrivalled.
The economy of grinding up cobs with corn is hardly now an open question. Full experiments have been made, and the results frequently published. It is not pretended that the cobs are rich in the element of nutrition, compared with the grain, but they have been found to yield spirit or distillation, a proof that they are far from valueless, and also answer admirably the purpose of procuring the necessary distention of the stomach, and promoting digestion.
The "Little Giant" is in two sizes, costing respectively $40 and $60. It will turn out, according to size, from ten to twenty bushels an hour and do its work most thoroughly and satisfactorily!
These Mills are to be had in all the principal Towns in Canada.

THE LIVER INVIGORATOR!
PREPARED BY DR. SANFORD.
Compounded entirely from Gums,
IS one of the best Purgative and Liver Medicines now before the public, that acts as Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.
The Liver is one of the principal regulators of the human body, and when it performs its functions well, the powers of the system are fully developed. The stomach is almost entirely dependent upon the Liver for the proper performance of its functions. When the stomach is at fault, and the whole sequence of organs ceased to do its duty, that organ, one of the greatest sufferers in this study, in a practice of more than twenty years to find some remedy wherewith to counteract the many derangements to which it is liable.
To prove that this remedy at last found any person troubled with Liver Complaint in any of its forms, has been cured by only a bottle, and conviction is certain.
These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the cause of the disease—effecting a radical cure.
Bilious attacks are cured, and, what is better, prevented, by the occasional use of the Liver Invigorator.
One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.
One dose taken before retiring prevents nightmare.
One pill taken at night loosens the bowels gently, and cures costiveness.
One dose taken after each meal will cure Dyspepsia.
☞ One dose of two teaspoonfuls will always relieve Sick-Headache.
One bottle taken for Jaundice destroys the cause of the disease, and makes a perfect cure.
One dose immediately relieves Cholic, while
One dose often repeated is a sure cure for Cholera Morbus, & a preventative of Cholera.
One dose taken at the commencement of fits will prevent the attacks, while it relieves all painful sensations.
☞ Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.
One bottle taken for Jaundice removes all yellowness or saffron color from the skin.
One dose taken a short time before eating sharpens the appetite and makes food digest well.
One dose often repeated cures Chronic Diarrhœa in its worst forms, while summer and bowel complaints yield almost to the first dose.
One or two doses cures attacks caused by worms, in children, there is no surer, safer, or speedier remedy in the world, as it never fails.
☞ A few bottles cures Dropsy by exciting the absorbents.
We take pleasure in recommending this medicine as a preventative for Fever and Ague, Chills, Fever, and all Fevers of Bilious Type. It operates with a certainty, and to testify to its wonderful virtues.
All who use it are giving their unanimous testimony in its favor.
☞ Mix Water in the mouth with the Invigorator, and swallow both together.
THE LIVER INVIGORATOR
is a Systematic Medical Discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice, or Dyspepsia to a common Headache, of all which are the result of a Diseased Liver.

Dover, N.H., Feb 2, 1857.
PROF. O. J. WOOD & Co.—Gents: Within a few days we have received so many orders and calls for Prof. O. J. Wood's Hair Restorative that to-day we were compelled to send to Boston for a quantity, (by 6 dozen you forwarded all being sold), while we might order a quantity from you. Every bottle we have sold seems to have produced three or four new customers, and the approbation, and patronage it receives from the most substantial and worthy citizens of our vicinity, fully convince us that it is a most VALUABLE PREPARATION.
Send us as soon as may be one gross of $1 size; and one dozen $2 size; and believe us ours very respectfully,
[Signed] DANIEL LATHORP & Co.
Hickory Grove, St. Charles Co., Mo., Nov. 19, 1856.
PROF. O. J. WOOD—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative, and its effects were so wonderful, we feel it our duty to you and the afflicted to report it.
Our little girl had for some time had been perfectly covered with sores; and some called it scald head. The hair almost entirely came off in her sequence, when a friend, seeing her suffering, advised us to use your Restorative; we did so with little hope of success, but to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has a healthy scalp, and a luxuriant crop of hair as his other child. We can therefore, and do hereby recommend your Restorative, as a perfect remedy for all diseases of the scalp, and hair. We are, yours respectfully,
GEORGE W. HIGGINBOTHAM,
SARAH A. HIGGINBOTHAM.

PROF. O. J. WOOD—Dear Sir: I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the Hair. Before using it I was a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as my case was one of the worst kind.
Yours Respectfully,

R. R. R.
LET not the sick die! for an Radway's R. R. R. Remedies there is new life for all who have faith in them!!

LET THEM BE TRIED!
RADWAY'S METHOD OF CURE'S
SIMPLE, QUICK, SAFE AND EFFECTUAL.
There is no pain, however tortorous or excruciating, but that a simple application of Radway's Ready Relief will instantly stop and quickly allay the most violent spasms, inflammations and congestions. There is no disease, however long it may have become established in the system, whether constitutional, chronic, humorous or of a loathsome character, but that Radway's Renovating Resolvent will exterminate and infuse new life, new blood, and a new existence throughout the broken-down and emaciated organizations of the body.
If by irregularity or otherwise the organs of the system become deranged and incapable of performing their several functions;—if the Liver, Heart, Bowels, Stomach, Bladder, Kidneys, Skin, Nerves, Blood, etc., are at fault, a dose or two of Radway's Regulators will restore health and regularity to every organ throughout the body. They force each and every organ to the natural performance of its duty, and thus keep up a regular and healthy circulation of the blood.
If a dose of Radway's Regulators were swallowed the moment a person feels unwell, or when any unpleasant symptom appears, there would be no further trouble, for the diseased action would be arrested, and a healthy action re-established. On one fact the sick may depend—that disease cannot grow in the system fortified and under the influence of the R. R. R. Remedies.
MALARIA.
In countries where malarious diseases prevail, Fever and Ague, Dysentery, Cholera, Cholera Morbus, Typhoid, Typhus, Pneumonia, and other Malignant Fevers, Radway's Ready Relief, taken as a preventive, will securely protect the inhabitants of an infected district against any serious attacks; and if the infection has already spread, a prompt use of the Ready Relief and Regulators will quickly cure the patient and expel the infectious malady entirely from the system.
CONSTITUTIONAL DISEASES.
Many diseases that afflict humanity are inherited as heirlooms from the diseased bodies of sickly sires. Scrofula, Consumption, Syphilis, Fits, are among the most common of constitutional diseases. Now we care not how many generations the seeds of these diseases may have been established in the system, contaminating the blood—Radway's Renovating Resolvent will eradicate from the bodies of the afflicted every particle of diseased deposite, and fill the veins with new, pure and healthy blood.
Radway's Renovating Resolvent should be hailed as a blessing by every mother throughout the land whose infants are afflicted with Sores, Humors, &c. These breakings out (thus early) are evidences of disease transmitted from the parent stock. A few doses of the Renovating Resolvent will eradicate every vestige of the disease and insure the child a sound and healthy body.

(Since 1847, when we first commenced our good work of discovering remedies for the relief of the pain-ridden and diseased, and preparing the same for public use, we have the gratification of claiming to have received more letters of thanks and certificates of cures than all other medicine manufacturers and medicine practitioners in the world, put together.)
