THE Subscriber would inform the Citizens of Kingston and surrounding country, that he is prepared to erect
LIGHTNING RODS UPON BUILDINGS.
This ensuing Season, on the most improved and modern plan. Having been engaged in the above business for the last ten years, I feel confident that I can do as good and perfect work in that line as can be done in Canada or elsewhere.
I am also manufacturing and erecting a new kind of
STATIONARY IRON LADDERS,
Upon Buildings, which in point of safety, neatness and durability, as a House or Building Ladder, cannot be surpassed by any other Ladder now in use.
All orders, by Mail or otherwise, promptly attended to.

CERTIFICATE.
This is to certify that G. A. RUMRILL, of the City of Kingston, has lately erected Lightning Rods for us, which we highly approve of, and believe to be the best and most approved Rods now in use, and we believe them to afford a sure protection against the sad effects of Lightning. Judging from the manner in which he executes his work, we are confident that he is well qualified for that business, and would recommend him to the Public in general as worthy of patronage.

THE GREAT BEAUTIFIER

See circular and the following.
Dover, N H., Feb 2, 1857.
PROF. O. J. WOOD & Co.—Gents: Within a few days we have received so many orders and calls for Prof O. J. Wood's Hair Restorative that to-day we were compelled to send to Boston for a quantity, (the 6 dozen you forwarded all being sold), while we might order a quantity from you. Every bottle we have sold seems to have produced three or four new customers, and the approbation and patronage it receives from the most great and worthy citizens of our vicinity, fully convince us that it is a most VALUABLE PREPARATION.
Send us as soon as may be one gross of $1 size; and one dozen $2 size; and believe us yours very respectfully,
[Signed] DANIEL LATHORP & Co.
Hickory Grove, St. Charles Co., Mo., Nov. 19, 1856.
PROF. O. J. WOOD—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative, and its effects were so wonderful, we feel it our duty to you and the afflicted to report it.
Our little son's head for some time had been perfectly covered with sores, and some called it scald head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative; we did so with little hope of success, but to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child. We can therefore, and do hereby recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair. We are, yours respectfully,
GEORGE W. HIGGINBOTHAM,
SARAH A. HIGGINBOTHAM.
Gardiner, Maine, June 22, 1855.
PROF. O. J. WOOD—Dear Sir: I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the Hair. Before using it I was a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as my case was one of the worst kind.
Yours Respectfully,
O. J. WOOD & Co., Proprietors, 312 Broadway, New York, in the great N. Y. Wire Railing Establishment,) and 114 Market St., St. Louis, Mo.

'LITTLE GIANT.'
Corn and Cob, Pea and Oat Mill!
THIS MILL combines in a remarkable manner, SIMPLICITY and POWER and may be adjusted and put into operation by any person (no matter how ignorant he may be of machinery); while its efficiency, as a
Corn and Cob Crusher,
surpasses anything of the kind in existence, and fully warrants the unique reputation of the "Little Giant."
This crusher is adapted not only to the grinding of Ear Corn for feed, but also for the cracking of Corn, Peas, and Oats, together; in which it is unrivalled.
The economy of grinding up cobs with corn as hardly now an open question. Full experiments have been made, and the results frequently published. It is not pretended that the cobs are rich in the element of nutrition, compared with the grain, but they have been found to yield spirit or distillation, a proof that they are far from valueless, and also answer admirably the purpose of procuring the necessary distention of the stomach, and promoting digestion.
The "Little Giant" is of two sizes, costing respectively $40 and $60. It will turn out, according to size, from ten to twenty bushels an hour and do its work most thoroughly and satisfactorily!
These Mills are to be had in all the principal Towns in Canada.

THE LIVER
INVIGORATOR!
PREPARED BY DR. SANFORD.
Compounded entirely from Gums,
IS one of the best Purgative and Liver Medicines now before the public, that acts as Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.
The Liver is one of the principal regulators of the human body, and when it performs its functions well the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, and the whole sequence of one organ ceased to do its duty, that organ, one of the principal ones in the system, is a proxy for all the others, and for years to find some counteract, the many ills it is liable. It is remedy is at last found with Liver Complaint but to try a bottle, and all morbid or bad matter supplying in their bile, invigorating the to digest well, purifying tone and health to the moving the cause of a radical cure.

SIMPLE, QUICK, SAFE AND EFFECTUAL.
There is no pain—however torturous or excruciating, but that a simple application of Radway's Ready Relief will instantly stop and quickly allay the most violent spasms, inflammations and congestions. There is no disease, however long it may have become established in the system, whether constitutional, chronic, humorous or of a loathsome character, but that Radway's Renovating Resolvent will exterminate and infuse new life, new blood, and a new existence throughout the broken down and emaciated organizations of the body.
If by irregularity or otherwise the organs of the system become deranged and incapable of performing their several functions;—if the Liver, Heart, Bowels, Stomach, Bladder, Kidneys, Skin, Nerves, Blood, etc., are at fault, a dose or two of Radway's Regulators will restore health and regularity to every organ throughout the body. They force each and every organ to the natural performance of its duty, and thus keep up a regular and healthy circulation of the blood.
If a dose of Radway's Regulators were swallowed the moment a person feels unwell, or when any unpleasant symptom appears, there would be no further trouble, for the diseased action would be arrested, and a healthy action re-established. On one fact the sick may depend—that disease cannot grow in the system fortified and under the influence of the R. R. R. Remedies.
MALARIA.
In countries where malarious diseases prevail, Fever and Ague, Dysentery, Cholera, Cholera Morbus, Typhoid, Typhus, Pneumonia, and other Malignant Fevers, Radway's Ready Relief, taken as a preventive, will securely protect the inhabitants of an infected district against any serious attacks; and if the infection has already spread, a prompt use of the Ready Relief and Regulators will quickly cure the patient and expel the infectious malady entirely from the system.
CONSTITUTIONAL DISEASES.
Many diseases that afflict humanity are inherited as heirlooms from the diseased bodies of sickly sires. Scrofula, Consumption, Syphilis, Fits, are among the most common of constitutional diseases. Now we care not how many generations the seeds of these diseases may have been established in the system, corrupting the blood—Radway's Renovating Resolvent will eradicate from the bodies of the afflicted every particle of diseased deposits, and fill the veins with new, pure and healthy blood.
Radway's Renovating Resolvent should be hailed as a blessing by every mother throughout the land whose infants are afflicted with Sores, Humors, &c. These breakings out (that early) are evidences of disease transmitted from the parent stock. A few doses of the Renovating Resolvent will eradicate every vestige of the disease and insure the child a sound and healthy body.

JOHN HOGG, ESQ., OF COLLINGWOOD, CANADA WEST.
The following communication, addressed to us by John Hogg, Esq., Editor of the Collingwood, C. W., "Enterprise," should be a solemn warning to parents to have recourse to our life-saving remedies when their children are attacked by that dreadful disease Croup, the cause of such a great mortality among children. No mother should be without a bottle of Radway's Relief in the house:—
Collingwood, C. W., June 1st, 1857.
Messrs. Radway & Co.
Gentlemen—A child of mine, about eight weeks old, was taken with a very severe cold. Not being attended at once, it settled on the chest, and ultimately turned into Croup in its worst form. The best medical practitioner in the town was called in, and after doing everything in his power to relieve her—but all in vain—then gave her up as dead. I now took her in hand myself, and rubbed her chest and back with Radway's Relief thoroughly, when, in the course of a few hours, she was well again, and now is as well and hearty as a child could be.
I am, Gentlemen,
Your obt. servt.,
JOHN HOGG,
Editor and Proprietor Collingwood "Enterprise."
Mr. Hogg in conversation likewise informed Mr. John P. Moore, our traveller, that it cured his wife of a severe sprained ankle, occasioned by her falling down flight of stairs.

John McWhinney, Esq., the well-known editor of the Woodstock "Sentinel," likewise informs us that he was laid up for weeks with Inflammatory Rheumatism.—The doctors could not assist him; but Radway's Relief cured him.
Important to Ladies.
DANGER OF LEAVING BED TOO SOON!
Dangerous Condition of the Wife of the Deputy Sheriff of Frontenac Co., C. W.
HARROWSMITH, Frontenac Co., C. W.,
June 24th, 1857.
In October, 1855, my wife giving birth to a child, left her bed too early, and caught a severe cold, which promised to terminate her life. The best physicians in this neighborhood and Kingston were in attendance on her, but all to no avail—the Doctors had given her up to die. For seven consecutive weeks I sat at her bedside, momentarily watching to see her breathe her last. I happened to see a copy of your paper, called "The Moving World," and there read of your medicines. I resolved to test them as a last resort. I gave her the Resolvent, with the Regulators—and Relief—according to directions, and in three days
OBSERVED A WONDERFUL IMPROVEMENT.
From this she daily recovered, and is now thank God better than ever she was in her life.
"The child, when three months old, caught a bad cold, and dwindled away to a mere skeleton, nothing but bone and skin; his eyes protruded from his head, as if they would drop out. The physicians all united in saying there was no use in attempting to save him; his case was hopeless, as he was too young and must die. But I thought different. Your Remedies gave life to my wife, while the doctors gave her up to death. I again had recourse to them. I gave him the Resolvent internally, and used it as a wash externally to his eyes—he is now a laughing, hearty, prattling child, enjoying the best of health.
