Acclaim Health Nurses!

"The nurses were wonderful, just wonderful. Lynn looked forward to their visits because they were so caring, so attentive. We'd joke and laugh. They were so compassionate. It meant everything to my wife to be at home."

Halton Regional Police Service cruisers get a new look.

Halton Police unveils new cruiser

Halton Regional Police Service unveiled its new black and white cruiser at the annual Police Day celebration Saturday, and it hit the street on patrol Monday.

The cruiser was a big hit with both children and adults who had the opportunity to kick the tires and activate the emergency lights and sirens.

Police services across Ontario have been moving to black and white vehicles to provide greater visibility and instant recognition of marked police vehicles normally used for general duty

and specialized enforcement.

"The black and white cruisers provide a distinctive presence for our fleet and will enhance the Service's efforts towards traffic safety, increased community presence and overall community safety," said Sgt. Chantal Corner. "The implementation plan will involve the rebranding of patrol vehicles purchased in 2014 and onward."

It will cost police \$5,500 over three to four years as the 110-police vehicle fleet is gradually replaced. That's an annual cost hike from \$1,375 to \$1,833.

Shred-it event in Milton on May 24

Halton residents will be able to dispose of their household documents safely and securely Saturday, May 24 at a community Shred-it event.

The event between 10 a.m. and 2 p.m. is offered by Crime Stoppers of Halton in partnership with Halton Regional Police Service and Shred-it.

Identity theft costs Canadians more than \$10 billion each year and one way people can protect themselves from

having their documents fall into the wrong hands is to shred them.

There will be two locations in Halton—Milton Mall (55 Ontario St. Milton) and Appleby Arena (1201 Appleby Line Burlington).

The cost is \$5 per bag, \$10 per banker's box and \$15 for a large

box.

All proceeds will go to support the local Crime Stoppers of Halton program.
