PERUVIAN SYRUP,
OR PROTECTED
Solution of Protoxide of Iron
Having successfully passed the ordeal to which new discoveries in the Materia Medica are subjected, it may be introduced to an established Medicine.
ITS EFFICACY IN CURING
DYSPEPSIA,
Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered state of the Blood, Bad Appetite, Scurvy, and the prostrating effects of Lead or Mercury, General Debility, and all Diseases which require a
TONIC AND ALTERATIVE MEDICINE
IS BEYOND QUESTION.

THE good of its efficacy are so numerous as to call authoritatively for a fair trial from those who suffer from diseases which it is claimed it will cure. It does not profess to be a cure-all, but its range is extensive within many diseases, especially those which it is believed it will cure, and which are of a character not to be easily mistaken by any one, and may be cured by its agency.

The class of diseases by which the system is enfeebled, and which are generally those for which a tonic is required, it is confidently believed will be found to be within its control. Its ingredients are all such as are recognized by the faculty as valuable in the treatment of the diseases for which they are recommended, and its compound form has been adopted as the most convenient and acceptable form in which the medicine can be administered, and has been found so by those who have used it in the country.

CARD.

The undersigned having experienced the beneficial effects of the Peruvian Syrup, do not hesitate to recommend it to the notice of the public.

Those who are aware of my position as a clergyman will appreciate the importance of my testimony when I say that I have found it a most valuable tonic in debilitated states of the system, such as are induced by Dyspepsia, Neuralgia, etc., indeed in every case in which a tonic is required, and that, too, from the high character of those who have recommended it, I feel bound in duty to bear my testimony to its efficacy.

CERTIFICATE OF DR. HAYES.

It is well known that the medicinal efficacy of Peruvian Syrup is lost by even a slight exposure to the air, and that in a bottle of solution of Protoxide of Iron, almost further exposure has been deemed impossible.

In the Peruvian Syrup this desirable result is attained by combination with the Syrup of a principle which effectually PRESERVES IT AT ALL SEASONS UNCHANGED, and in any climate or any region of the Protoxide of Iron, unaccompanied by the injurious effects of the Peroxide.

A new, speedy, and most successful mode of treating Spermatorrhœa, Nervous Debility, and all Urino-Genital Diseases.

Seventy Engravings. Price 1s through all Booksellers, or post free from the Author for 14 postage stamps.

THE MEDICAL ADVISER on decay, both mental and physical, arising from excesses, infection, climate, &c.; remarks on the use of the Microscope, and the devices of certain quacks to alarm the too sensitive invalid; observations on Marriage, the prevention and removal of certain disqualifications, rules for self treatment, &c. By Walter De Ross, M. D., of the Ecole de Medecine, Paris; Member of the Royal College of Surgeons, London; licentiate in Midwifery, &c., &c., &c., 10, Berners-street, Oxford street, London. Hours for personal consultation daily from 1 till 4 Sunday excepted.

Sold in Dublin by Beary, 169 Great Britain street; Edinburgh, Robinson, 11 Greenside st.; Glasgow, Lavey, Bookseller; and by all the Agents.

From long practical observation of the treatment pursued in the various Institutions of London and Paris for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that accuracy of diagnosis, and uniform success, which have characterised his practice for so many years in this country, in which the lamentable neglect of these diseases by medical men generally, and their futile attempts to cure by mercury, copaiba, sarsaparilla, &c., have produced most distressing results. Lasting benefit in such cases can only be reasonably expected at the hands of the legally qualified medical man who devotes his chief attention to their removal, and to him only who can show his possession of the necessary qualifications, can confidence be safely extended. Dr D' R, refers with pride to the numbers he has been instrumental in restoring to health and happiness, and to those who may be in need of such aid, he offers every assurance of speedy restoration.

Persons residing abroad can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or Bill on a London house, for £5; in order to have a packet of medicine sufficient to meet the exigencies of the case, sent out by next mail, thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.

The Great European Remedy for Nervousness, Relaxation and Exhaustion.
Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine.

DR. ARNOULD'S GUTTA VITÆ; or LIFE DROPS, are the great remedy for Spermatorrhœa, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sallow Hues, Pains in the Bones, and all those diseases for which mercury, sarsaparilla, &c., are too often employed to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when everything else had failed; and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men.

Price 11s, and four times the quantity at 33s per bottle of the Agents below. The £5 packages containing twelve 11s quantities, (by which £1 10s are saved,) will be sent from the Establishment only, on receipt of the amount per draft on a London house or otherwise.

CAUTION.—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. The words 'Arnould's Life Drops, London,' are printed in white letters on the Stamp affixed to the above, by order of Her Majesty's Honorable Commissioners, to protect the public against fraud, as without this signature is genuine, and to imitate which is felony.

Pains in the Back, Gravel, Lumbago, Rheumatism, Gout, Disease of the Kidneys and Bladder, Stricture, &c.

DR. DE ROS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints, Discharges, and Diseases of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, improve the health, and in three days effect a cure when copaiba, cubebs, and all such dangerous medicines have merely failed. 2s 9d, 5s 6d, 11s and 33s per box, of the Agents below, or post free on receipt of the amount by Dr. DE ROS, 10, Berners Street, Oxford Street, London.

Many there are, who from natural diffidence, or fear of exposure, would silently bear their affections rather than apply for aid to those who, they may reasonably expect, would, with the above Pills, the sufferer may, without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.

Sold by Lindsay's Drug Store, Hollis street, Halifax; Ross Sutton; by Hungard Charlottetown, Prince Edward Island; Ward, Ross Office, Sydney, Cape Breton; Upton, Richardson & Co., Mount Royal Montreal; Hale & Nephew, Agra; Treacher and Co., Poonah and Kurachee; Smith & Co., Clark, Romer & Co., Scinde; Dodsworth & Co., Clark, Romer & Co., and Cawie & Co., Colombo and Candy; Lyman & Co., Montreal, Pestonjee & Co., 1, Military Square, Bombay; R.
