NOTICE OF STATUTORY PUBLIC MEETING

GREEN DEVELOPMENT STANDARDS STUDY TOWN INITIATED OFFICIAL PLAN AMENDMENT

DATE: June 9, 2014

TIME: 7:00 P.M.

LOCATION: Council Chambers, Civic Centre
1 Halton Hills Drive
Halton Hills (Georgetown)

Town of Halton Hills Council will hold a statutory public meeting to solicit public input on a proposed Official Plan amendment pertaining to the Green Development Standards Study.

In 2011, building on the Town's existing Green Development Evaluation Checklist which had been in place since 2010, Council approved undertaking the Green Development Standards

Study. Approved by Council on April 28, 2014, the Green Development Standards put in place a practical, highly flexible and comprehensive 'second generation' set of criteria that are anticipated to materialize in more sustainable, high-performance and efficient development. Through a practical set of Green Development Standards, development's many positive attributes can be maximized while its potentially negative impacts can be minimized.

The Green Development Standards Study and the related draft Official Plan amendment have been developed through a multi-phase public process.

Draft Official Plan Amendment

A draft Official Plan amendment has been prepared which proposes to amend the Town of Halton Hills Official Plan to implement the Green Development Standards. The Standards apply Town-wide.

Additional Information:

Following the statutory public meeting, Town staff will prepare a report to Council which will respond to oral and written comments received, and provide a final recommendation on passage of the Official Plan amendment.

Copies of the draft Official Plan amendment will be available for public review on May 15, 2014 at the Town of Halton Hills Planning, Development and Sustainability Department, 1 Halton Hills Drive, Halton Hills, Ontario L7G 5G2 or on the Town's website: <http://haltonhills.ca/initiatives/GreenBuildingStudy.php>

Contact:

Damian Szybalski, MCIP RPP
Manager of Sustainability

damians@haltonhills.ca

Please provide all comments to damians@haltonhills.ca by June 16, 2014.

PLEASE NOTE

1. If you wish to be notified of the decision of the Town of Halton Hills in respect of the proposed Official Plan amendment, you must make a written request to the Town of Halton Hills – PLANNING, DEVELOPMENT & SUSTAINABILITY DEPARTMENT at 1 Halton Hills Drive, Halton Hills, Ontario L7G 5G2.
2. If a person or public body does not make oral submissions at a public meeting or make written submissions to the Town of Halton Hills before the proposed Official Plan amendment is adopted, the person or public body is not entitled to appeal the decision of the Town of Halton Hills to the Ontario Municipal Board.
3. If a person or public body does not make oral submissions at a public meeting, or make written submissions to the Town of Halton Hills before the proposed Official Plan amendment is adopted, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Municipal Board unless, in the opinion of the Board, there are reasonable grounds to do so.
4. Any written comment/objection submitted to the Town of Halton Hills regarding the amendment which is being processed under the Planning Act, may be made public as part of the application process.

Superior Glove is named one of Canada's best managed companies

For the second year in a row, Superior Glove Works Ltd., with its head office in Acton, has earned a designation as one of Canada's Best Managed Companies program.

This prestigious national award is sponsored by Deloitte, CIBC, National Post, Queen's School of Business and MacKay CEO Forums.

Superior Glove Works is a clear leader in the industrial work glove industry. Vertical integration, a sound business approach and a dedication to research and innovation has led the company to be one of the largest work glove manufacturers-with customers in Canada, the U.S. and Europe.

Specializing in cut-resistant gloves, Superior offers an astounding 3,500 styles of work gloves to the safety glove market. Providing "engineered hand protection for every industry" is more than just a slogan—it's the impetus for growth and the foundation on which Superior Glove was built.

"We are truly honoured to again be named one of Canada's Best Managed Companies, an achievement that is shared by the many Superior Glove employees whose ingenuity and hard work cements our position as Canada's leader in work glove manufacturing," says Tony Geng, President of Superior Glove. "Every decision we make as a company is focused on delivering the best and most innovative solutions for hand protection in the industry."

"Today's marketplace is not just about the investment in the product; it is also about the investment in the people. Superior Glove invests in their team to build up a strong and stable company. Canada's Best Managed Companies carries this attribute and we are pleased to say Superior Glove is

Superior Glove is a leader in the industrial work glove industry.

one of this year's recipients," says John Hughes, National Leader of Canada's Best Managed Companies and Managing Partner, Growth Enterprises, Deloitte.

For Superior Glove, maintaining sustainable growth is not mutually exclusive with supporting Canadian business and economy. The head office (with attached manufacturing facilities) is in small-town Acton and a second facility is located in Point Leaming-

ton, Newfoundland.

"Our Point Leamington factory originally started in 1988 in half of the Town Hall. From the original 700 square feet and three sewing machines, we have since moved our manufacturing across the street and expanded five times in the last 24 years. We are committed to our roots and dedicated to ensuring sustainable growth," said Tony Geng.

Established in 1993, the Canada's Best Managed Companies is a national awards program, recognizing Canadian companies that have implemented world-class business practices and created value in innovative ways. Applications are reviewed by an independent judging panel that evaluates how companies address various business challenges, including new technologies, globalization, brand management, leadership, leveraging and developing core competencies, designing information systems, and hiring the right talent to facilitate growth.

Vice President of Superior Glove, Joe Geng, adds that this honour is especially exciting for father and owner Frank Geng, who began building the company in 1961.

"The tremendous growth we've achieved and the success we've accomplished is a testament to him and his ability to get the business up and rolling... it's incredible to see how far we've come."
