PURE COD LIVER OIL.

To the Medical Profession, and the Public in general, who heretofore have been in many instances imposed upon, by a spurious imitation of a valuable MEDICINE.

IN consequence of the want of a really Chemical test, to ascertain the PURITY OF COD LIVER OIL, much to an UNJUSTIFIABLE and injurious description has been introduced into the Market, and sold as Genuine. Under these circumstances, and as the public are altogether dependent upon the character of the MANUFACTURER, for the

Camphene Distillery for Sale.

FOR SALE a compact little Camphene Distillery, situated in a convenient location in the neighbourhood of Kingston. It consists of a frame building, nearly new, resting a few ground rent, a Copper Revivifying Still and Worm, capable of running 35 gallons in 10 hours, and all the other necessary apparatus in good order for carrying on the business. As this is the only manufactory of Camphene in this neighbourhood, there is always a steady demand at a good remunerating profit for all that it can make, so that this holds out an opportunity rarely to be met with, for an industrious man with a small capital to secure the means of independence. A knowledge of the business is easily acquired—only two or three lessons being requisite—which a purchaser can easily obtain for a trifle.
