LONDON FIRST PREMIUM

DAGUERREIAN GALLERY,

No. 214 Main Street, Corner Seneca, Buffalo.

THE above, is a cut of a SILVER MEDAL awarded the undersigned at the New York State Agricultural Fair, at Buffalo, and the Fifth Premium in the last year's exhibition. Also, the First prize at the late Fair at Syracuse, in competition with over three hundred pictures from some of the best galleries in the United States. This Gallery has now become the PICTURE EMPORIUM for the entire Western World, and the standard of admiration. Our competitors involuntarily acknowledge their inferiority by following in our wake and aspiring to be every particular where we are present.

Therefore, strangers visiting the city are respectfully solicited to compare our Pictures with those executed by others. Also, all who have heretofore been prepossessed in favor of other Daguerreans, and have pictures taken by them, are very urgently invited to call and have one executed at this establishment, that they may have an ocular demonstration of the vast difference in portraying the same individual.

The subscriber would also notify the people of C. W. that he has opened a branch gallery on Princess St, Lambton House, Kingston, where persons may inspect such pictures as their relatives and friends as will merit if ever be offered to that community again.

N. B. The undersigned would most respectfully further notify the public that no premiums or diplomas have ever been awarded by the New York State Agricultural Fair to any Daguerreotype in Buffalo except the subscriber.

THE MOST ASTONISHING CURE EVER YET KNOWN.

And done by Dr. Corbett's Concentrated Syrup of Sarsaparilla.

—READ IT—

Messrs. F. Brown & Co., Druggists, Boston.

Gentlemen,—In March 1848, I was taken with a severe pain and lameness in one of my knees. Three months after, the other became affected in a similar manner, and at least six months it attacked one other, and in a few months more the other knee was affected, in the same manner, and the joints of the extremities. This disease, notwithstanding all remedies, appeared to increase gradually for three years, until my friends and myself had abandoned all hopes of recovery. I was first declared by Examination by eminent and skilful physicians, to be for months, while crutches, &c., and confined months in the Marine and in General Hospital. I then went, as a physician's family for a best one year, and followed up the great opinion, but scarcely temporary relief, until I commenced taking Dr. Corbett's Concentrated Syrup of Sarsaparilla.

I began the use of this in March last, and before I had taken three bottles, obtained considerable relief. I have now taken twenty bottles, with a daily and permanent improvement.

The swelling and lameness has almost entirely abated in all my joints except the knees, and these are so far restored that I can walk and work comfortably. My general health is good—I have gained thirty pounds of flesh—and I feel the fullest confidence, from the benefit thus far received from this celebrated remedy, of being entirely perfectly restored.
