THE undersigned having entirely REMODELED and ENLARGED the above extensive establishment, containing in all about three hundred and fifty rooms, would respectfully give notice that it is now ready for the reception and accommodation of the travelling community.

The furniture was made expressly to order, regardless of cost, and certain portions of it, especially the Drawing-rooms, will be found to be of the most beautiful and tasteful manufacture. The Dining-rooms are capacious, and the hours for meals will be so arranged as to suit the convenience of the early and late.

DR. KELLY'S

PURE COD LIVER OIL.

To the Medical Profession, and the Public in general, who hereby are here born in many instances conferred upon, by a spurious imitation of a valuable MEDICINE.

IN consequence of the want of a ready Chemical test, to ascertain the PURITY OF COD LIVER OIL, much to an ADULTERATED and inferior description has been introduced into the Market, and sold as Genuine. Under these circumstances, and as the public are altogether dependent upon the character of the MANUFACTURER, for the

PURITY OF THE ARTICLE,

I respectfully announce that I have appointed Mr. CHARLES BRENT, Apothecary & Chemist of Kingston, C. W. Sole Agent for the Sale of my

PURE COD LIVER OIL,

For which Premiums were adjudged, at the late Exhibition in Quebec and Montreal and also considered by the Committee worthy to be forwarded to the Grand Industrial Exhibition of 1851.

I beg to refer to the subjoined Certificates, given me by several of the most respectable Medical Gentlemen in Quebec and Montreal, and to the annexed affidavit, after perusing which, any further remarks would be superfluous.

☞ Please notice, that every Package of my Cod Liver Oil, is sealed with my Seal, and signed in my handwriting, and can only be obtained in Kingston, from Mr. CHARLES BRENT.

ROBERT W. KELLY.

Kingston, January 20, 1851

Geo D Gale, M. D.

Extract of a note from Dr. W. Marsden, of Quebec, to Mr Kelly.—"I have great pleasure in attesting to the excellent qualities of Pure Cod Liver Oil, which I have had an opportunity of doing by the actual use of the article, and I have no hesitation in pronouncing it superior to any I have hitherto used."

[COPY.]

I, the Undersigned, Proprietor of the Gaspe Gazette, and one of Her Majesty's Justices of the Peace for said District, Declare, on oath, that the Cod Liver Oil, consigned by me to Mr. Charles Brent, Apothecary & Chemist, of Kingston, has been prepared or manufactured by me, according to the usual approved system, from

Fresh and Picked Livers of Cod Fish only:

that no Chemical ingredients of any kind have been used—and I further distinctly declare, that my Cod Liver Oil, has not been ADULTERATED or mixed with any other Oil whatsoever; the whole having been made and put up under my own personal superintendence.

HERE READ THE TESTIMONY

Of that distinguished Physician, J. V. C. Smith M. D., resident and Port Physician of the city of Boston, and editor of the celebrated work,

THE BOSTON MEDICAL JOURNAL,

As to the virtues of Dr. Corbett's Shaker Syrup of Sarsaparilla.

In Vol. 22, page 203, after speaking before of Corbett's medicines, thus writes the learned doctor:

"Another equally deserving medical compound called the "Concentrated Syrup of Sarsaparilla," is also prepared by our philanthropic friend, expressly for the cure of cutaneous diseases. Were there any secret in the making this article, or a single reason for supposing that the idea of driving a profitable trade in nostrums was entertained, we should be the last person in the world to give it notoriety. In the frankest manner possible, the process of making this medicine was circumstantially described to us, and the evidence of scientific preparation and care to corroborate the representation of Dr. Corbett. In justice, therefore, to the Doctor, we should be glad to have our readers procure this medicine."

Made and put up by the Society of Shakers. This invaluable preparation is for sale by

EDWARD BRINLEY & Co., Sole Agents.

Wholesale Druggists, Boston.

We warrant it free from all mercurial mineral combination whatsoever. Look at what the able chemist, Professor Hayes, who has tested it, says, March 16, 1848. He says:—"The formula contains some of the best of our native medical root and plants, with substances of the highest repute as medical agents, and does IT not include any mineral compound."☞

Such evidence as the above is the greatest praise of Health.

A. Wilbers' Patent Liquid Heater for the use of Tanners, Hatters, Hotels, Farmers and others.

THIS is a New Invention, combining a great saving in fuel and labor, by which a barrel of water can be boiled in the open air, or in the house as may be required, with a very small quantity of fuel, and little attention. It can be fitted to Tanners' Leaches or vats, in a fixed or portable form; and Hatters by its means will be enabled to do their boiling in a barrel or other portable vessel, and thereby be protected from heat while at work. It is admirably adapted for boiling sap in the bush, as it can be moved to any place with ease; also for heating water in Hotels, Baths, or any place where much warm water is required.

All orders addressed to the Subscriber will be thankfully received, and promptly attended to.
