TREES, SHRUBS, &c.

SPRING, the best season for transplanting (in most latitudes,) fruit and ornamental trees, has arrived; and the subscribers would notify the public that they have for sale a large stock of the most choice varieties of FRUIT TREES, embracing nearly all of Mr. Downing's select lists, and those recommended by the Congress of Fruit Growers, for general culture.

Their Nurseries, embracing nine hundred acres, are situated on Fourteen-Mile Creek, half mile east, but little over half a mile south of the Rail-Road Depot.

They have a larger stock of apple, standard pear, and other fruit trees, than any other nursery in Western New York, and feel no doubt in examining superior healthiness and value to form an inducement to purchase. Lake Ontario, exposed to the winds, at a point further north than any other extensive nursery in the states; and would therefore, with equal care, have more vigorous trees, with more vitality and expansive energy, but from the fact that there are more room in the Nursery than elsewhere grown, thereby producing more marketable fruit. They have a large stock of pear standards, in a thriving state, suitable from 21 to 25. Also *Dwarf* pears in a healthy state, from 30 cents to $3, according to size and variety. Particular care will be taken in digging and packing extra dwarf trees, so that there will be no more danger in transplanting them than smaller trees. In this city and vicinity they will set the Oswego Stamp, in a thriving state, and warrant to live. This is the most valuable pear that can be cultivated here, and as a high flavored, melting pear, a profuse and regular bearer, the Oswego Beurre is not equalled.

We have of apples suitable for the garden or orchard, more than 200 varieties of the Pole, and nearly all of the distinguished varieties of the Apple, Cherry, Peach, Quince, Apricot and Nectarine. Also the usual varieties of Raspberries, Currants, Gooseberries and Strawberries. Of Rhubarb varieties—an extensive stock of Asparagus, Pie Plant, etc. A large stock of well grown

Ornamental Trees,

and shrubs, hardy Flower Roots and Green House Plants.

Catalogues sent to post-paid applicants.

For convenience of our city customers and the travelling public, we have made K. Stone, No. 5, in the East Wing of the City Hotel, our Agent, with whom orders may be left, and from whom Green-house Plants, and Flower and Ornamental Trees, etc., to a limited extent, may be had.

LONDON FIRST PREMIUM DAGUERREAN GALLERY

No. 211 Main Street, Buffalo,

AND THE LAMBTON HOUSE,

Princess Street, Kingston, C. W.

THE above, is a cut of a SILVER MEDAL awarded the subscriber at the New York State Agricultural Fair, at Buffalo, and the Fifth Premium in the last mile square. Also, the first prize at the late Fair at Syracuse, in competition with over three hundred pictures from some of the first gallaries in the United States. This Gallery has now become the PICTURE EMPORIUM for the entire Western World, and the standard of imitation. Our competitors involuntarily acknowledge their inferiority by following in our wake and aping us in every particular except the merit.

Therefore, strangers visiting the city are respectfully solicited to compare our pictures with those executed by others. Also, all who have long been prepossessed in favor of other Daguerreans, and have pictures taken by them, are very urgently invited to call and have one executed at this establishment, that they may have an ocular demonstration of the vast difference in portraying the same individuals.

The subscriber would also notify the people of C. W. that he has opened a branch gallery on Princess St. Lambton House, Kingston, where persons may expect such pictures of themselves and friends as will rarely if ever be offered to that community again.

N. B. The undersigned would most respectfully further notify the public that no premiums or diplomas have ever been awarded by the New York State Agricultural Fair to any Daguerreans in Buffalo except the subscriber.

O. R. EVANS, The oldest Practical Daguerreian in the U.S.

FIRE SURROUNDED BY WATER AND NOT EXTINGUISHED!!

A. Wilbers' Patent Liquid Heater for the use of Tanners, Hatters, Hotels, Farmers and others.

THIS is a New Invention, combining a great saving in fuel and labor, by which a barrel of water can be heated in the open air, or in the house as may be required, with a very small quantity of fuel, and little attention. It can be fitted to Tanners' Leaches or vats, to stand or portable form; and Hatters by its means will be enabled to do their boiling in a barrel or other portable vessel, and thereby be protected from heat while at work. It is admirably adapted for boiling sap in the bush, as it can be moved to any place with ease; also for heating water in Hotels, Baths, or any place where much warm water is required.

All orders addressed to the Subscriber will be thankfully received, and promptly attended to.
