TREES, SHRUBS, &c.

SPRING, the best season for transplanting (in most localities,) fruit and ornamental trees, has arrived; and the subscribers would notify the public that they have for sale a large stock of the most choice varieties of FRUIT TREES, embracing nearly all of Mr. Downing's select lists, and those recommended by the Congress of Fruit Growers, for general culture.

Their Nurseries, embracing over twenty-five acres, are situated on Tenth-street, Oswego east, but little over half a mile east of the Rail-Road Depot.

They have a larger stock of extra sized trees of all the fruits, except the Plum, than in any Nursery in Western New York, and feel confident in claiming superior hardness and value to trees grown here on the shore of Lake Ontario, exposed to its winds, at a point further north than any other extensive Nursery in the states; and would also claim superior value to such trees, not from climate and exposure only, but from the fact that they then more room in the Nursery than other tree growers, thereby rendering them more sturdy. They have a large stock of pears on standards, in a bearing state, at prices from $1 to $5. Also Dwarf pears in a bearing state, from 50 cents to $3; according to size and variety. Particular care will be taken in digging and packing extra sized trees, so that there will be no more danger in transplanting them than smaller trees. In this city and vicinity they will set the Oswego Beurre, in a bearing state, and warrant it to live. This is the most valuable pear that can be cultivated here, and as a high flavored, melting pear, a profuse and regular bearer, the Oswego Beurre is not equalled.

We have of sizes suitable for the garden or orchard, more than 300 varieties of the Pear, and nearly all of the distinguished varieties of the Apple, Cherry, Peach, Quince, Apricot and Nectarine. Also the small fruits—Raspberries, Currants, Gooseberries and Strawberries. Of Esculent Roots—an extensive stock of Asparagus, Pie Plant, etc. A large stock of well grown

Ornamental Trees,

and shrubs, hardy Flower Roots and Green House Plants.

Catalogues sent to post-paid applicants.

For convenience of our city customers and the travelling public, we have made N. Stone, Jun. 8, in the East Wing of the City Hotel, our Agent, with whom orders may be left, and from whom Green-house Plants, and Fruits and Ornamental Trees, etc., to a limited extent, may be had.

LONDON FIRST PREMIUM DAGUREREAN GALLERY

No. 214 MAIN STREET, BUFFALO,

AND THE LAMBTON HOUSE,

PRINCESS STREET, KINGSTON, C. W.

THE above, is a cut of a SILVER MEDAL awarded the subscriber at the New York State Agricultural Fair, at Buffalo, and the Fifth Premium in the last nine years. Also, the first prize at the late Fair at Syracuse, in competition with over three hundred pictures from some of the first galleries in the United States. This Gallery has now become the PICTURE EMPORIUM for the entire Western World, and the standard of imitation. Our competitors involuntarily acknowledge their inferiority by following in our wake and aping us in every particular except THE PICTURE!

Therefore, strangers visiting the city are respectfully solicited to compare our pictures with those executed by others. Also, all who have long been prepossessed in favor of other Daguerreans, and have pictures taken by them, are very urgently invited to call and have one executed at this establishment, that they may have an ocular demonstration of the vast difference in portraying the same individuals.

The subscriber would also notify the people of C. W. that he has opened a branch Gallery on Princess St. Lambton House, Kingston, where persons may expect such pictures of themselves and friends as will rarely if ever be offered to that community again.

N. B. The undersigned would most respectfully further notify the public that no premiums or diplomas have ever been awarded by the New York State Agricultural Fair to any Daguerrean in Buffalo except the subscriber.
