

EMPLOYMENT OPPORTUNITIES

ENGINEERING DEVELOPMENT TECHNOLOGIST POSTING NO. 201412

Note: These job ads contain basic criteria – please visit our website at www.haltonhills.ca/jobs for the full listing of requirements to be successful in these positions.

Come join our team! We are looking for candidates who share our corporate values of Honesty, Excellence, Team, Fun, Creativity and Respect. These values are second nature for the successful candidate and are demonstrated in their work and interactions with colleagues and the community.

You are a critical thinker who approaches a task with tact and ambition.

Reporting to the Manager of Development and Traffic Engineering, the Engineering Development Technologist will review and comment on Engineering related issues for land severance, subdivision, site plan, Niagara Escarpment Commission, Committee of Adjustment and Municipal consent, Official Plan Amendment, and site alterations applications and provide on-site inspection to ensure compliance with appropriate standards and specifications. Customers include the land development industry, outside approval agencies, other Town departments including the Mayor and Members of Council.

You possess:

- 3 Year Diploma in Civil Engineering
- Technology Program or equivalent education and experience
- Registration with O.A.C.E.T.T. with a C.E.T. designation
- 8 years' experience in a Civil Engineering environment
- Knowledge of the Land Development and Planning Approval processes
- Computer literacy in Microsoft office computer software
- Valid Ontario Class 'G' Drivers' Licence and use of personal vehicle to perform duties
- Excellent communication skills, both written and verbal
- Physical ability to perform heavy lifting

Qualified candidates may submit a detailed cover letter and/or resume in confidence to the Town by 4:30p.m., Friday May 30th, 2014. Please quote Posting No. 201412 when applying.

Candidates to face off May 28

A couple of all-candidates events for the upcoming provincial election will be held over the next two weeks.

The Georgetown chapter of Canadian Federation of University Women in partnership with Halton Hills Public Library is hosting an All-Candi-

dates Meeting May 28.

The debate for the Wellington-Halton Hills riding candidates will be held at 7:30 p.m. at the John Elliott Theatre in the Halton Hills Cultural Centre.

After an introductory speech, candidates will re-

spond to submitted questions. Candidates who have confirmed their participation as of May 13 are Ted Arnott (PC), Dave Rodgers (Green Party) and Dan Zister (Liberal).

The CFUW Georgetown has hosted these meetings to raise awareness of provincial political party platforms for the last 40 years. It is pleased to be working with the Halton Hills Public Library to learn more about the candidate's positions on education, employment, transportation and health care.

On Thurs. June 5, Halton Hills Chamber of Commerce will host a Meet the Candidates Business to Business

Breakfast at Ares Family Restaurant, 232 Guelph St.

Doors open at 7 a.m. and a buffet breakfast will be served at 7:30 p.m.

Tickets, which include breakfast, are \$20 for Chamber members and \$25 for future members.

Please submit all questions for the Meet the Candidates Business to Business Breakfast by Monday, June 2 when registering to info@haltonhillschamber.on.ca

Pre-registration is required by calling the Chamber at 905-877-7119 or going to <http://www.haltonhillschamber.on.ca/events/eventdetail.aspx?EventID=39>

... Lend Me Your Ears

TINNITUS

Or ringing in the ears, does not cause hearing disorders, it may accompany decreased hearing and other ear symptoms such as pressure, unsteadiness or dizziness. Often, it occurs alone.

Tinnitus arising from the inner ear frequently indicates more permanent and serious disease. Exposure to a sudden loud noise - a gunshot or explosion, for example results in tinnitus that subsides to a low level of ringing for an extended period of time. Disorders affecting the cochlea (hearing center) of the inner ear can cause tinnitus.

To find out more about this common problem call...
