TO THE FREE & INDEPENDENT ELECTORS OF THE COUNTY OF NORTHUMBERLAND.

GENTLEMEN:

As the time is fast approaching when a general election must take place, and as I had the honor of asking to be your representative in the last session, on the Reform interest, and being well supported, and having at the solicitation of many friends, been induced to take the chair of the P.P., to pledge myself to come forward again when an opportunity should offer for exercising your right of suffrage, I now hasten to redeem the pledge given as well to the earnest request of many electors, Reformers during the last few years.

I am then before you a Candidate for the purpose of representing this County in Parliament in the ultra-Liberal Reform on true Constitutional principles, supporting and carrying out Responsible Government in the broadest sense of the word, as understood by the people.

Should I have the honor of being elected your Representative, I pledge myself most solemnly to use every effort in my power to settle that much vexed question, the Clergy Reserves; and was amount that may be brought here to be expended thereon, in the people, within the purposes of Education, or in General Improvements, shall have my earnest support, so as the People may receive the whole benefit, without reference to Religious or Political.

I will also use my strong influence to have the Court of Chancery abolished—to reform Law Costs as much as possible, and also to reform the expenses of the General Government as much as is compatible with its proper working.—and finally, Gentlemen,—I pledge myself to do all in my power for an improvement of the Country in general, and for the prosperity and Peace in particular.

I have the honor to be,
Gentlemen,
Your ob't. Serv't.

W. M. WELLER.

Cobourg, 9th Oct., 1851.

P.S.—If the Reformers of the County will hold a Convention composed of Delegates from each Township, and nominate a Candidate to get the Place in the Reform interest, should I not be numerous enough to receive the Nomination, I pledge myself to resign and support the party who shall have to such Nomination.

It is deemed unnecessary to dwell upon the advantages of the class steamers passing direct from the head Lake Ontario to Montreal, and vice versa, over those of Lines that involve a transhipment on the outward trip at an unseasonable hour in the morning.

In compliance with a generally expressed wish, on the part of the public, a uniform charge will be made for meals.

Another Living Witness of the Health-restorer and Balmy Medicines, from Captain McMaster.

I WISH to inform the Public, for the good of the afflicted, that I was very severely with a cough and inflammation of my lungs and chest, which threatened my whole constitution. I spared no cost or trouble to get rid of it, but I got no relief until I was advised to go to DR. LANA'S PILLS, of Kingston, when I got his Medicines. It took but a short time, and little cost, until I could again rejoice at the return of my perfect health—thank God.

SEEING and hearing of so many testimonials made for Dr Lanahan's Medicines, induced me to purchase my share both for him and the public; for I was some time ago, to the knowledge of many in this city, given over as an incurable case, with Enlargement of the Heart and Liver Complaint, and was effectually cured by him; also, lately, I was in company with a Disgusted Travelling, and obtained a remarkable relief, so that I am now able to do my business well, thank God.
