Another Living Witness of the Hydropathic and Botanic Medicines, from Carrick, Mr Maitlin.

I WISH to inform the Public, for the good of the afflicted, that I was very much troubled with a cough and shortness of my breath, which frustrated my whole constitution. I applied to other remedies to get rid of it, but I got no relief until I was advised to get Dr LANKTREE, of Kingston, when I soon recovered. In both instances, the medicines were mild; I could take them in the midst of my perfect health, thank God.

FRANCIS M. MASTER.

Amherst Island, 23rd Aug., 1851. 249

SEEING and hearing of so many instances of cures by Dr. Lanktree's Medicine, induces me to conclude my duty both to him and the public; for I was a very long sufferer, in the knowledge of many in this city, often over an incurable state, with Inflammation of the Heart and Liver Complaint, and was effectually cured by him; also, myself, I was in danger, with a Dropsical Swelling, and obtained immediate relief, so that I am now able to do my business with thank God.

And are intended to arrive in Montreal the next evening, in time for the Quebec Boats, at Seven o'clock.

IN addition to the above named ports, the boats will call at the other important Lake and River ports. ☞ After the 20th day of September, the Boats will discontinue calling at Lewiston, and stop Hamilton the port of departure at 7½ o'clock on the mornings of Mondays, Wednesdays and Fridays.

The establishment of this Line will enable the merchants of Canada West to retain throughout the business depth Montreal and to reach their home, almost as early as if they had gone by the Mail Line at noon, and connecting as the boats will do with up and down Express Trains at Ogdensburgh, they will afford direct conveyance for passengers and freight between the Canadian ports and the Eastern States.
