And are intended to arrive in Montreal the same evenings, in time for the Quebec Boats, at Seven o'clock.

IN addition to the above named ports, the boats will call at the other important Lake and River ports. ☞ After the 20th day of September, the Boats will discontinue calling at Lewiston, and make Hamilton the port of departure at 7½ o'clock on the mornings of Mondays, Wednesdays and Fridays.

The establishment of this Line will enable the merchants of Canada West to remain throughout the business day in Montreal and to reach their homes, almost as early as if they had gone up the Mail Line at noon, and connecting on the boats will do with up and down Express Trains at Ogdensburgh, they will afford direct conveyance for passengers and freight between the Canadian ports and the Western States.

It is deemed unnecessary to dwell upon the advantages of first class steamers passing direct from the head Lake Ontario to Montreal, and vice versa, over those of Lines that involve a transhipment (on the downward trip) at an uncomfortable hour in the morning.

In compliance with a generally expressed wish, on the part of the public, a separate charge will be made for meals.

☞ The Line will be connected by the HIGHLANDER having Montreal on TUESDAY, the 23th instant; the CHAMPION on THURSDAY, 25th, and the MAY FLOWER will be out next month.

For Freight or Passage, apply to the Captains on board, or at the NEW THROUGH LINE OFFICE, No. 204 McGill Street, or for CHAMPION and MAY FLOWER, to Macpherson, Grant & Co., Montreal; Macpherson & Grant, Prescott, Kingston & Hamilton. Another Living Witness of the Hydropathic and Hygeinic Medicines, from CAPTAIN McMASTER.

I WISH to inform the Public, for the good of the afflicted, that I was very unwell with a cough and inflammation of my lungs and chest, which threatened my whole destruction. I spared no cost or trouble to get rid of it, but I got no relief until I was induced to go to DR. LANKTREE, of Kingston, who I got his Medicines. It took but a short time, and little cost, until I could again rejoice in the return of my perfect health—thank God.

FRANCIS McMASTER.

Amherst Island, 23rd Aug., 1851. 232

SEEING and hearing of so many testimonials for Dr. Lanktree's Medicines, induces me to recollect my duty both to him and the public; for I was some time ago, to the knowledge of many in this city, given over as an incurable case, with Consumption of the Heart and Liver Complaints, and was effectually cured by him; also, lately, I was in despair with a Dropsical Swelling, and obtained immediate relief, so that I am now able to do my business well, thank God.
