WASHINGTON, 31st Oct.

Dispatches have been received at the Navy Department from Commodore Morgan, which are calculated to damp enthusiasm in behalf of Kossuth, a correspondence having passed between him and Mr. Marcoy, in which the latter distinctly informed Kossuth that Hungarians were not to protect the Mississippi to go to Southampton, but simply to afford him a passage to the United States.

At Hamilton, Capt. Long entreated Kossuth not to compromise the United States by issuing manifestos and exciting the people; to which little attention was paid—Kossuth being in secret of his intention being to raise money to attack Austria, and to revolutionize Europe. The Mississippi will wait at Gibraltar, and if he is given to come will convey him. He will only visit this country to raise means for prosecuting his projects, and not to make it his residence.

A correspondent of the Courier & Enquirer writing also from Washington, says the Spanish Government exhibits additional anxiety on its dispatches by the last steamer, to obtain satisfaction for the injury inflicted on its Consul at New Orleans; it is thought that if satisfaction is given, the American Prisoners now in Spain, will be released.

NEW ORLEANS, Oct 31.

The Steamship Falcon, about which so much anxiety was felt, arrived here in 18 days from Chagres via Havana, in a destitute state. She brings 200 passengers and $300,000 in gold dust.

The only truth in the rumor as to the English and French interference with Cuban affairs is, that the fleets of the West India Station have been ordered to protect Cuba from invasion.

Another Strong Witness of the Hydropathic and Botanic Medicines, from CAPTAIN McMASTER.

I WISH to inform the Public, for the good of the afflicted, that I was very unwell with a cough and inflammation of my lungs and chest, which threatened my whole constitution. I spared no cost or trouble to get rid of it, but I got no relief until I was advised to go to DR LANKTREE, of Kingston, when I got his Medicines. It took but a short time, and little cost, until I could again rejoice in the return of my perfect health—thank God.

SEEING and hearing of so many testimonials in the Lanktree's Medicine, induces me to manifest my duty both to him and the public; for I was some time ago, to the knowledge of many in this city, given over as an incurable case, with Enlargement of the Heart and Lower Complaint, and was effectually cured by him; also, lately, I was in company with a Dropsical Sweeling, and obtained considerable relief, so that I am now able to do my business well, thank God.
